TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is made this 25th day of September, 2009 by and between Norman H. Nie, an individual ("Assignor"), and SPSS Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor is the owner of all right, title, and interest in and to (1) the trademarks "SPSS" and "Statistical Package for the Social Sciences" and (2) the U.S. trademarks and trademark applications listed on the attached Exhibit A (collectively, the "Trademarks"); and

WHEREAS, Assignor desires to assign and transfer to Assignee, and Assignee desires to acquire, all right, title and interest in and to the Trademarks, together with all goodwill of the businesses in connection with which the Trademarks have been or are used.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby assign, transfer and set over to Assignee, its successors, legal representatives and assigns, all right, title and interest in, to and under the Trademarks (including any rights under common law, and including the Trademarks alone or in combination with other words, figures, designs or indicia, and including any and all right, title or interest as service marks, trademarks and trade names and all registrations thereof and applications therefor and all common law rights connected therewith), together with all goodwill of the businesses in connection with which the Trademarks or any such other marks or names have been or are used, and all claims, proceeds and causes of action relating to, and the right to sue and recover for, and the right to profits or damages, due or accrued, arising out of or in connection with, any and all past, present or future infringements or dilution of or damage to such Trademarks or such other marks or names or the associated goodwill.

Assignor hereby requests the Commissioner of Patents and Trademarks to record Assignee as assignee and owner of any and all of Assignor's right, title and interest in and to the Trademarks and to issue to Assignee any and all registrations resulting from said applications, or any renewals of said registrations.

Assignor agrees to execute and deliver, and perform, at a future date, for no additional consideration, any additional documents, and actions, that Assignee reasonably determines are necessary or desirable to reflect Assignee's ownership of the Trademarks anywhere in the world.

This Assignment may be signed in counterparts, each of which shall be deemed an original, but together shall constitute a single instrument.

IN WITNESS WHEREOF, the parties have executed this Assignment on the date first written above.
