ASSIGNMENT OF TRADEMARKS

This Assignment is effective as of the 21st day of April, 2009 by and between Asahipen America, Inc., a body duly incorporated under the laws of Washington ("Assignor"), and Consolidated Coatings Corporation, a body corporate duly incorporated under the laws of the Province of British Columbia ("Assignee").

WHEREAS, Assignor and Assignee are parties to that certain Agreement of even date herewith (the "Purchase and Sale Agreement") pursuant to which Assignee is purchasing substantially all of the business assets of Assignor; and

WHEREAS, Assignor is the owner of certain trademarks or applications for trademarks that are identified in Exhibit A hereto (collectively, the "Marks"); and

WHEREAS, Assignor desires to transfer, and Assignee desires to accept, all right, title and interest in and to the Marks and all such associated goodwill;

NOW, THEREFORE, in consideration of the transactions contemplated by the Purchase and Sale Agreement:

1. Assignor hereby assigns, transfers, and delivers to Assignee all right, title and interest in and to the Marks (including registrations, renewals, extensions, licenses, and applications to register pertaining thereto), including common law rights, and all goodwill associated with such Marks including, without limitation, any and all causes of action for infringement thereof and any and all royalties for any licenses thereof, to be held and enjoyed by Assignee, for its own use, and for the use of its successors, assigns or other legal representatives to the full end of the term or terms for which the Marks may be granted, as fully and entirely as the same would have been enjoyed by the Assignor, had this Assignment not been made.

2. This assignment and transfer includes all rights to sue, bring actions for and recover and hold damages, profits and other compensation for any and all past and future infringements and unauthorized uses of the Marks.

3. Assignor also hereby covenants and agrees that Assignor shall, at the request of Assignee or its counsel, execute, acknowledge and deliver all such further acts, deeds, assignments, transfers, powers of attorney and assurances as may be required to carry out the intent of this Assignment, and to transfer and vest title to and in the Marks and to procure, maintain, enforce and protect the right, title and interest in and enjoyment of all of the Marks assigned, transferred and conveyed to Assignee pursuant to this Assignment; provided, however, this Assignment shall be effective regardless of whether any such additional documents are executed.

4. This Assignment shall be binding upon Assignor, Assignor's successors and assigns, and upon all others acting by, through, with or under Assignor's direction or control, and all those in privity therewith. This Assignment shall also be deemed to be a written consent of all of the Assignor's shareholders authorizing this assignment, in lieu of holding a shareholder meeting for such purpose.
