EXECUTION VERSION

NOKIA CORPORATION
AND
SYMBIAN SOFTWARE LIMITED
AND
SYMBIAN LIMITED
AND
SYMBIAN FOUNDATION LIMITED

TRADE MARK DEED OF ASSIGNMENT

THIS DEED OF ASSIGNMENT is made on 1 APRIL 2009

BETWEEN:

- (1) NOKIA CORPORATION, a company incorporated in Finland, having its principal place of business at Keilalahdentie 4, FIN 02150 Espoo, Finland ("the Assignor"); and
- (2) SYMBIAN SOFTWARE LIMITED, a company incorporated in England and Wales (registered no. 04190020), whose registered office is at 2-6 Boundary Row, Southwark, London, SE1 8HP ("SSL"); and
- (3) SYMBIAN LIMITED, a company incorporated in England and Wales (registered no. 01796587), whose registered office is at 2-6 Boundary Row, Southwark, London, SE1 8HP ("SL"); and
- (4) SYMBIAN FOUNDATION LIMITED, a company incorporated in England and Wales (registered no. 6683783), whose registered office is at Nokia House, Summit Avenue, Southwood, Farnborough, Hampshire, GU14 0NG (the "Assignee").

THE PARTIES AGREE as follows:

1. DEFINITIONS

1.1 In this Deed of Assignment:

"Registered Trade Marks" means the registered trade marks set out in Part A of the Schedule to this Deed of Assignment;

"Trade Mark Applications" means the trade mark applications set out in Part B of the Schedule to this Deed of Assignment, and the benefit of any trade mark registration granted pursuant thereto (in each case).

2. ASSIGNMENT

The Assignor hereby assigns and transfers to the Assignee absolutely:

2.1 all of the right, title and interest in:

2.1.1 the Registered Trade Marks (in respect of all the goods or services for which the Registered Trade Marks are registered); and

2.1.2 the Trade Mark Applications (in respect of all the goods or services for which registration is sought);

and (in each case) all legal rights and immunities (howsoever derived) attaching thereto, free from all liens, charges or encumbrances;

2.2 the right to sue for and to recover damages and other remedies in respect of any infringement of the Registered Trade Marks or the Trade Mark Applications which may have occurred before the date of this Deed of Assignment; and

2.3 the goodwill attaching to the Registered Trade Marks and the Trade Mark Applications.

3. **FURTHER ASSURANCE**

Each of the Assignor, SL and SSL shall on request by the Assignee in writing do and execute, or arrange for or procure the doing and executing of, each necessary act, document and thing reasonably within its power to implement this Deed of Assignment including with respect to SL and SSL the executing of any additional documents to ensure neither SL nor SSL has any residual right or title to any of the Registered Trade Marks or Trade Mark Applications and the costs of preparation and execution of such documents shall be at the Assignor's cost. Each of the Assignor, SL and SSL agree that the Assignee (or its agent) shall be appointed to carry out the formalities necessary to record the Assignee as the registered proprietor of the Registered Trade Marks and Trade Mark Applications (the "Recordal Formalities"). This shall be at the Assignee's cost, save that the Assignor shall reimburse the Assignee for the cost of each act and document (including reasonable attorney costs) necessary to record or evidence the Assignor as a previous proprietor of the Registered Trade Marks and Trade Mark Applications (and if, in respect of any Registered Trade Mark or Trade Mark Application, there is no separate cost for so recording or evidencing, the Assignor shall reimburse the Assignee 50% (fifty per cent) of the Assignee's reasonable cost of carrying out the Recordal Formalities in respect of such Registered Trade Mark or Trade Mark Application). The Assignee shall invoice the Assignor for such costs, providing a schedule of the costs and the Assignor shall pay such invoice within 45 days of receipt unless such costs are disputed.

4. **ASSISTANCE WITH APPLICATIONS**

Each of the Assignor, SL and SSL shall on request by the Assignee in writing and at the Assignee's expense give such assistance as the Assignee may reasonably request to complete the registration of trade marks pursuant to its respective Trade Mark Applications.

5. **GOVERNING LAW**

This Deed of Assignment is governed by English law and the parties hereby submit to the exclusive jurisdiction of the English courts in relation to all matters arising out of this Deed.

6. **COUNTERPARTS**

This Deed of Assignment may be executed in any number of counterparts, each of which when executed and delivered is an original and all of which together evidence the same deed.
