INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (the "Agreement") is made as of September 11, 2009, by and between Tectura Corporation, a Delaware corporation ("Grantor"), and FirstMark III, L.P., a limited partnership, FirstMark III Offshore Partners, L.P., and other purchasers from time to time party to the Note and Warrant Purchase and Security Agreement identified below (in such capacity "Secured Parties"), with FirstMark III, L.P. as Agent for the Secured Parties (the "Agent") as provided under the Note and Warrant Purchase and Security Agreement.

RECITALS

A. The Secured Parties have agreed to make certain advances of money and to extend certain financial accommodations to Grantor (the "Loans") in the amounts and manner set forth in that certain Note and Warrant Purchase and Security Agreement (the "Security Agreement"), dated as of June 30, 2009 (all capitalized terms used herein without definition shall have the meanings ascribed to them in the Security Agreement, the terms and provisions of which are incorporated herein by reference; and

B. The Secured Parties are willing to make the Loans to Grantor, but only upon the condition, among others, that Grantor shall grant to the Secured Parties a security interest in all of Grantor's right title, and interest in, to and under all of the IP Collateral (as defined below) whether presently existing or hereafter acquired.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

1. Grant of Security Interest. As security for the prompt and complete payment and performance of all of Grantor's present or future indebtedness, obligations and liabilities to the Secured Parties, Grantor hereby grants a security interest and mortgage to the Secured Parties, in and to Grantor's entire right, title and interest in, to and under all of its intellectual property, including without limitation the following (all of which shall collectively be called the "IP Collateral"):

(a) Any and all copyright rights, copyright applications, copyright registrations and like protections in each work or authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held, including without limitation those set forth on Exhibit A attached hereto (collectively, the "Copyrights");

(b) Any and all trade secrets, and any and all intellectual property rights in computer software and computer software products now or hereafter existing, created, acquired or held;

(c) Any and all design rights which may be available to Grantor now or hereafter existing, created, acquired or held;

(d) All patents, patent applications and like protections including without limitation improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, including without limitation the patents and patent applications set forth on Exhibit B attached hereto (collectively, the "Patents");

(e) Any trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Grantor connected with and symbolized by such trademarks, including without limitation those set forth on Exhibit C attached hereto (collectively, the "Trademarks");

(f) Any and all claims for damages by way of past, present and future infringement of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(g) All licenses or other rights to use any of the Copyrights, Patents or Trademarks, and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(h) All amendments, renewals and extensions of any of the Copyrights, Trademarks or Patents; and

(i) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

2. Covenants and Warranties. Grantor represents, warrants, covenants and agrees as follows:

(a) Grantor is now the sole owner of the IP Collateral, except for licenses granted by Grantor to its customers in the ordinary course of business;

(b) Except as set forth in the Schedule, Grantor's rights as a licensee of intellectual property do not give rise to more than five percent (5%) of its gross revenue in any given month, including without limitation revenue derived from the sale, licensing, rendering or disposition of any product or service;

(c) Performance of this Agreement does not conflict with or result in a breach of any agreement to which Grantor is party or by which Grantor is bound;

(d) During the term of this Agreement, Grantor will not transfer or otherwise encumber any interest in the IP Collateral, except for licenses granted by Grantor in the ordinary course of business or as set forth in this Agreement;

(e) To its knowledge, each of the Patents is valid and enforceable, and no part of the IP Collateral has been judged invalid or unenforceable, in whole or in part, and no claim has been made that any part of the IP Collateral violates the rights of any third party;

(f) Grantor shall deliver to the Agent for the Secured Parties within thirty (30) days of the last day of each fiscal year, a report signed by Grantor, in form reasonably acceptable to the Secured Parties, listing any new applications or registrations that Grantor has made or filed in respect of any patents, copyrights or trademarks. Grantor shall promptly advise the Agent for the Secured Parties of any material change in the composition of the IP Collateral, including but not limited to any subsequent ownership right of the Grantor in or to any Trademark, Patent or Copyright not specified in this Agreement;

(g) Grantor shall (i) protect, defend and maintain the validity and enforceability of the Trademarks, Patents and Copyrights (ii) use its best efforts to detect infringements of the Trademarks, Patents and Copyrights and promptly advise the Agent for the Secured Parties in writing of material infringements detected and (iii) not allow any Trademarks, Patents or Copyrights to be abandoned, forfeited or dedicated to the public without the written consent of the Agent for the Secured Parties, which shall not be unreasonably withheld;

(h) Grantor shall apply for registration on an expedited basis (to the extent not already registered) with the United States Patent and Trademark Office or the United States Copyright Office, as applicable: (i) those intellectual property rights listed on Exhibits A, B and C hereto within thirty (30) days of the date of this Agreement; (ii) all registerable intellectual property rights Grantor has developed as of the date of this Agreement but heretofore failed to register (unless protected by trade secret), within thirty (30) days of the date of this Agreement; and (iii) if commercially reasonable or necessary to protect Grantor's proprietary rights, those additional intellectual property rights developed or acquired by Grantor from time to time in connection with any product or service, prior to the sale or licensing of such product or the rendering of such service to any third party and prior to Grantor's use of such product (including without limitation revisions or additions to the intellectual property rights listed on such Exhibits A, B and C). Grantor shall, from time to time, execute and file such other instruments, and take such further actions as the Agent for the Secured Parties may reasonably request from time to time to perfect or continue the perfection of the Secured Parties' interest in the IP Collateral. Grantor shall give the Agent for the Secured Parties notice of all applications or registrations at the Copyright Office;

(i) This Agreement creates, and in the case of after acquired IP Collateral, this Agreement will create at the time Grantor first has rights in such after acquired IP Collateral, in favor of the Secured Parties a valid and perfected first priority security interest in the IP Collateral in the United States securing the payment and performance of the obligations evidenced by the Security Agreement;

(j) All information heretofore, herein or hereafter supplied to the Agent for the Secured Parties by or on behalf of Grantor with respect to the IP Collateral is accurate and complete in all material respects;

(k) Grantor shall not enter into any agreement that would materially impair or conflict with Grantor's obligations hereunder without the prior written consent of the Agent for the Secured Parties, which consent shall not be unreasonably withheld. Grantor shall not permit the inclusion in any material contract to which it becomes a party of any provisions that could or

might in any way prevent the creation of a security interest in Grantor's rights and interests in any property included within the definition of the IP Collateral acquired under such contracts; and

(1) Upon any executive officer of Grantor obtaining actual knowledge thereof, Grantor will promptly notify the Agent for the Secured Parties in writing of any event that materially adversely affects the value of any IP Collateral, the ability of Grantor to dispose of any IP Collateral or the rights and remedies of the Secured Parties in relation thereto, including the levy of any legal process against any of the IP Collateral.

3. Secured Parties' Rights. The Agent for the Secured Parties shall have the right, but not the obligation, to take, at Grantor's sole expense, any actions that Grantor is required under this Agreement to take but which Grantor fails to take, after fifteen (15) days' notice to Grantor. Grantor shall reimburse and indemnify the Agent for the Secured Parties for all reasonable costs and reasonable expenses incurred in the reasonable exercise of its rights under this section 3.

4. Inspection Rights. Grantor hereby grants to the Agent for the Secured Parties and its employees, representatives and agents the right to visit, during reasonable hours upon prior reasonable written notice to Grantor, any of Grantor's plants and facilities that manufacture, install or store products (or that have done so during the prior six-month period) that are sold utilizing any of the IP Collateral, and to inspect the products and quality control records relating thereto upon reasonable written notice to Grantor and as often as may be reasonably requested.

5. Further Assurances: Attorney in Fact.

(a) On a continuing basis, Grantor will make, execute, acknowledge and deliver, and file and record in the proper filing and recording places in the United States, all such instruments, including appropriate financing and continuation statements and IP Collateral agreements and filings with the United States Patent and Trademark Office and the Register of Copyrights, and take all such action as may reasonably be deemed necessary or advisable, or as requested by the Agent for the Secured Parties, to perfect the Secured Parties' security interest in all Copyrights, Patents and Trademarks and otherwise to carry out the intent and purposes of this Agreement, or for assuring and confirming to the Secured Parties the grant or perfection of a security interest in all IP Collateral.

(b) Grantor hereby irrevocably appoints the Agent for the Secured Parties as Grantor's attorney-in-fact, with full authority in the place and stead of Grantor and in the name of Grantor, from time to time in the discretion of the Agent for the Secured Parties, to take any action and to execute any instrument which the Agent for the Secured Parties may deem necessary or advisable to accomplish the purposes of this Agreement, including (i) to modify, in its sole discretion, this Agreement without first obtaining Grantor's approval of or signature to such modification by amending Exhibit A, Exhibit B and Exhibit C, hereof, as appropriate, to include reference to any right, title or interest in any Copyrights, Patents or Trademarks acquired by Grantor after the execution hereof or to delete any reference to any right, title or interest in any Copyrights, Patents or Trademarks in which Grantor no longer has or claims any right, title

or interest, (ii) to file, in its sole discretion, one or more financing or continuation statements and amendments thereto, relative to any of the IP Collateral without the signature of Grantor where permitted by law and (iii) after the occurrence of an Event of Default, to transfer the IP Collateral into the name of the Agent for the Secured Parties or a third party to the extent permitted under the California Uniform Commercial Code.

6. Events of Default. The occurrence of any of the following shall constitute an "Event of Default" under this Agreement:

- (a) An event of default occurs under the Security Agreement; or
- (b) Grantor breaches any warranty or agreement made by Grantor in this Agreement and, as to any breach that is capable of cure, Grantor fails to cure such breach within five (5) days of the occurrence of such breach.

7. Remedies. Upon the occurrence and continuance of an Event of Default, the Agent for the Secured Parties shall have the right to exercise all the remedies of a secured party under the California Uniform Commercial Code, including without limitation the right to require Grantor to assemble the IP Collateral and any tangible property in which the Secured Parties have a security interest and to make it available to the Agent for the Secured Parties at a place designated by the Agent for the Secured Parties. The Agent for the Secured Parties shall have a nonexclusive, royalty free license to use the Copyrights, Patents and Trademarks to the extent reasonably necessary to permit the Agent for the Secured Parties to exercise the rights and remedies of the Secured Parties upon the occurrence of an Event of Default. Grantor will pay any expenses (including reasonable attorneys' fees) incurred by the Agent for the Secured Parties in connection with the exercise of any of the Secured Parties' rights hereunder, including without limitation any expense incurred in disposing of the IP Collateral. All of the Secured Parties' rights and remedies with respect to the IP Collateral shall be cumulative.

8. Indemnity. Grantor agrees to defend, indemnify and hold harmless the Agent for the Secured Parties, the Secured Parties, and their respective officers, employees, and agents against: (a) all obligations, demands, claims, and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this Agreement, and (b) all losses or expenses in any way suffered, incurred, or paid by the Agent for the Secured Parties and/or the Secured Parties as a result of or in any way arising out of, following or consequential to transactions between the Agent and/or the Secured Parties and Grantor, whether under this Agreement or otherwise (including without limitation reasonable attorneys' fees and reasonable expenses), except for losses arising from or out of the Agent and/or the Secured Parties' gross negligence or willful misconduct.

9. Course of Dealing. No course of dealing, nor any failure to exercise, nor any delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

10. Attorneys' Fees. If any action relating to this Agreement is brought by a party hereto against the another party, the prevailing party shall be entitled to recover reasonable attorneys' fees, costs and disbursements.

11. Amendments. This Agreement may be amended only by a written instrument signed by both Grantor and the Agent for the Secured Parties hereto.

12. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.

13. California Law and Jurisdiction; Jury Waiver. This Agreement shall be governed by the laws of the State of California, without regard for choice of law provisions. Grantor, Agent and the Secured Parties consent to the exclusive jurisdiction of any state or federal court located in Santa Clara County, California. TO THE EXTENT ALLOWED UNDER APPLICABLE LAW, GRANTOR, AGENT, AND THE SECURED PARTIES EACH WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THE SECURITY AGREEMENT, THIS AGREEMENT, OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREIN, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS.
