## TRADEMARK COLLATERAL SECURITY AGREEMENT

THIS TRADEMARK COLLATERAL SECURITY AGREEMENT is made as of May 29, 2009, by and between **CARROLL COMPANY**, a Texas corporation (the "Grantor"), having a mailing address at 2900 W. ### BACKGROUND

Lender has entered into that certain Loan Agreement with Grantor, dated as of the date hereof (as amended from time to time, the "Agreement"), which provides for certain credit accommodations from Lender to Grantor. In order to induce Lender to provide the credit accommodations set forth in the Agreement, Grantor agreed to execute and deliver to Lender, this Trademark Collateral Security Agreement ("Security Agreement"). This Security Agreement, covering Trademarks (as hereinafter defined), is being executed in connection with the Agreement under which Lender is granted a Lien on and security interest in the Trademarks, whereby Lender shall have the right to foreclose simultaneously, subject to grace periods set forth therein, on the Trademarks in the event of the occurrence and continuance of an Event of Default under the Agreement.

NOW, THEREFORE, in consideration of the premises, Grantor and Lender hereby agree as follows:

1. Defined Terms. Unless otherwise defined herein, terms defined in the Agreement shall have their defined meanings when used herein and the following terms shall have the following meanings, unless the context otherwise requires:

“Trademark Licenses” means rights under any written agreement now owned or hereafter acquired by Grantor granting any right to use any Trademark.

2. Grant of Security Interest. As collateral security for the prompt payment of the Indebtedness (as defined in the Agreement), Grantor hereby grants and conveys to Lender a first priority security interest (the “Security Interest”) in and to the following property: (a) the entire right, title and interest of Grantor in and to the Trademarks, including the registrations and applications appurtenant thereto, including, without limitation, the Trademarks listed in Schedule A attached hereto (as the same may be amended pursuant hereto from time to time), and in and to any and all trademarks, and registrations and applications appurtenant thereto, hereafter acquired or filed by Grantor, including without limitation all renewals thereof, all proceeds of infringement suits, the rights to sue for past, present and future infringements and all rights corresponding thereto and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof and the goodwill of the business to which each of the Trademarks relates and (b) all of Grantor’s right, title and interest in, to and under the following:

(a) The Trademarks are existing and have not been adjudged invalid or unenforceable;

(b) Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks, free and clear of any Liens, charges and encumbrances, (including without limitation pledges, assignments, licenses, registered user agreements and covenants by Grantor not to sue third persons expressly relating to such Trademarks), except for the Trademark Licenses referred to in Schedule 1 attached hereto, if any and except for Trademarks that are, individually and in the aggregate immaterial, with respect to which the foregoing is, to Borrower's knowledge true;

(c) Grantor has the corporate power and authority to enter into this Security Agreement and perform its terms;

(d) To the extent necessary to prevent the abandonment, invalidation, unenforceability, avoidance or substantial diminution of value, Grantor has used, and will continue to use for the duration of this Security Agreement, proper statutory notice, where appropriate, in connection with its use of the Trademarks; and

(e) To the extent necessary to prevent the abandonment, invalidation, unenforceability, avoidance or substantial diminution of value, Grantor has used, and will continue to use for the duration of this Security Agreement, consistent standards of quality in its manufacture of products sold under the Trademarks.

4. Covenants. Grantor covenants and agrees with Lender that from and after the date of this Security Agreement and until the Indebtedness is fully satisfied:

(a) Further Documentation; Pledge of Instruments. At any time and from time to time, upon the written request of Lender, Grantor will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as Lender may reasonably deem desirable in obtaining the full benefits of this Security Agreement and of the rights and powers herein granted, including, without limitation, the filing of any financing or continuation statements under the Code with respect to the Liens and security interests granted hereby. Grantor also hereby authorizes Lender to file any such financing or continuation statement without the signature of Grantor to the extent permitted by applicable law.

(b) Maintenance of Trademarks. Grantor will not do any act, or omit to do any act, that causes the Trademarks or any registration or application appurtenant thereto, to become abandoned, invalidated, unenforceable, avoided, avoidable, or otherwise substantially diminish in value other than Trademarks which, individually and in the aggregate are of immaterial value and not reasonably expected to become valuable. Grantor shall take reasonable action at its expense to halt the infringement of the Trademarks and shall properly exercise its duty to control the nature and quality of the goods offered by any licensees in connection with

any Trademark Licenses to the extent necessary to prevent the abandonment, invalidation, unenforceability or avoidance of such Trademark Licenses.

(c) Indemnification. Grantor assumes all responsibility and liability arising from its use of the Trademarks, and Grantor hereby indemnifies and holds Lender harmless from and against any claim, suit, loss, damage or expense (including attorneys' fees) arising out of Grantor's operations of its business from the use of the Trademarks except a claim, suit, loss, damage or expense from Lender's gross negligence or willful misconduct. In any suit, proceeding or action brought by Lender under any Trademark License for any sum owing thereunder, or to enforce any provisions of such Trademark License, Grantor will indemnify and keep Lender harmless from and against all expense, loss or damage suffered by reason of any defense, set off, counterclaim, recoupment, reduction or liability whatsoever of the obligee thereunder arising out of a breach by Grantor of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such obligee or its successors from Grantor, and all such obligations of Grantor shall be and remain enforceable against and only against Grantor and shall not be enforceable against Lender unless attributable to the Lender's gross negligence or willful misconduct.

(d) Limitation of Liens on Collateral. Grantor will not create, permit or suffer to exist any Lien, security interest, encumbrance, claim or right, in or to the Collateral, and to any of Grantor's rights under any Trademark License and to the Proceeds thereof.

(e) Limitations on Modifications of Trademark Licenses. To the extent necessary to prevent the abandonment, invalidation, unenforceability or avoidance of any Trademark License, Grantor will not (i) amend, modify, terminate (other than in accordance with its terms) or waive any provision of any Trademark License in any manner, (ii) fail to exercise promptly and diligently each and every material right which it may have under each Trademark License (other than any right of termination).

(f) Limitation on Further Uses of Trademarks. Grantor will not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or Lien upon, encumber, grant an exclusive license, or otherwise dispose of any of the Collateral, without the written consent of Lender.

5. Lender's Appointment as Attorney-in-Fact.

(a) Grantor hereby irrevocably constitutes and appoints Lender and any officer of Lender, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Grantor and in the name of Grantor or in its own name, from time to time in Lender's discretion, for the purposes of carrying out the terms of this Security Agreement, upon the occurrence and during the continuation of an Event of Default, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Security Agreement and, without limiting the generality of the foregoing, hereby gives Lender the power and right, on behalf of Grantor, to do the following:

(i) Upon the occurrence and during the continuance of an Event of Default, to ask, demand, collect, receive and give acquittances and receipts for any and all moneys due and to become due under any Trademark License and, in the name of Grantor or its own name or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Trademark License and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Lender for the purpose of collecting any and all such moneys due under any Trademark License whenever payable;

(ii) Upon the occurrence and during the continuance of an Event of Default, to pay or discharge taxes, Liens, security interests or other encumbrances levied or placed on or threatened against the Collateral,

(iii) Upon the occurrence and during the continuance of an Event of Default, (A) to direct any party liable for any payment under any Trademark License to make payment of any and all moneys due and to become due thereunder directly to Lender or as Lender shall direct; (B) to receive payment of and receipt for any and all moneys, claims and other amounts due and to become due at any time in respect of or arising out of any Collateral; (C) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any part thereof and to enforce any other right in respect of any Collateral; (D) to defend any suit, action or proceeding brought against Grantor with respect to any Collateral; (E) to settle, compromise, or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as Lender may reasonably deem appropriate; and (F) generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Lender were the absolute owner thereof for all purposes, and to do, at Lender's option all acts and things which Lender reasonably deems necessary to protect, preserve or realize upon the Collateral and Lender's security interest therein, in order to effect the intent of this Security Agreement, all as fully and effectively as Grantor might do.

This power of attorney is a power coupled with an interest and shall be irrevocable. Notwithstanding the foregoing, Grantor shall execute any additional documents which Lender may require in order to confirm this power of attorney, or which Lender may deem necessary to enforce any of its rights contained in this Security Agreement.

(b) The powers conferred on Lender hereunder are solely to protect its interests in the Collateral and shall not impose any duty upon it to exercise any such powers. Lender shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and neither it nor any of its officers, directors, employees, agents or attorneys shall be responsible to Grantor for any act or failure to act, except for its own gross negligence or willful misconduct.

(c) Grantor also authorizes Lender to execute, in connection with the sale provided for in paragraph 7(c) of this Security Agreement, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

6. Performance by Lender of Grantor's Obligations. If Grantor fails to perform or comply with any of its agreements contained herein and Lender, as provided for by the terms of this Security Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the expenses of Lender incurred in connection with such performance or compliance shall be payable by Grantor to Lender on demand and shall constitute Indebtedness secured hereby.

7. Remedies and Rights Generally.

(a) All payments received by Grantor under or in connection with any of the Collateral shall be held by Grantor in trust for Lender, shall be segregated from other funds of Grantor and shall forthwith upon receipt by Grantor, be turned over to Lender, in the same form as received by Grantor (duly endorsed by Grantor to Lender, if required).

(b) Any and all payments received by Lender (whether from Grantor or otherwise) may, in the sole discretion of Lender, be held by Lender as collateral security for, and/or then or at any time thereafter applied in whole or in part by Lender against all or any part of the Indebtedness as provided in the Agreement. Any balance of such payments held by Lender and remaining after payment in full of all the Indebtedness shall be paid over to Grantor or to whomsoever may be lawfully entitled to receive the same.

(c) If any Event of Default shall occur and be continuing, Lender may exercise in addition to all other rights and remedies granted to it in this Security Agreement and in any other instrument or agreement securing, evidencing or relating to the Indebtedness, all rights and remedies of a secured party under the Code, including, without limitation, sale of the Collateral. Grantor shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which Lender is entitled. Grantor shall also be liable for the fees of any attorneys employed by Lender to collect any such deficiency and also as to any attorneys' fees incurred by Lender with respect to the collection of any of the Indebtedness and the enforcement of any of Lender's respective rights hereunder.

8. Termination. Upon indefeasible payment in full of all Indebtedness and the termination of the Commitment, the Security Interests shall terminate and all rights to the Collateral shall revert to Grantor. Upon such termination of the Security Interests or release of any Collateral, Lender will, at the expense of Grantor, execute and deliver to Grantor such documents as Grantor shall reasonably request to evidence the termination of the Security Interests or the release of such Collateral, as the case may be.

9. Notices. Any notice to Lender shall be deemed to have been duly given when given under the Agreement.

10. No Waiver. No course of dealing between Grantor and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder or under the Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

11. Cumulative Remedies. All of Lender's rights and remedies with respect to the Collateral, whether established hereby or by the Agreement, or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently.

12. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

13. No Modification Except in Writing. This Security Agreement is subject to modification only by a writing signed by the parties.

14. Successors and Assigns. The benefits and burdens of this Security Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties in accordance with the Agreement.

15. Governing Law. The validity and interpretation of this Security Agreement and the rights and obligations of the parties shall be governed by the internal laws of the State of Texas.
