**AMENDED AND RESTATED
INTELLECTUAL PROPERTY SECURITY AGREEMENT**

This AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, this "*Amendment*"), dated August 13, 2009, is made by BANK OF AMERICA, N.A., a national banking association, as agent for the Lenders (the "*Collateral Agent*") and LEAPFROG ENTERPRISES, INC., a Delaware corporation ("*LeapFrog*").

WHEREAS, LeapFrog has entered into a Credit Agreement dated as of November 8, 2005 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "*Existing Credit Agreement*"; provided that the "Existing Credit Agreement" shall not include the Loan and Security Agreement (as defined below)) with the Collateral Agent and the lenders party thereto.

WHEREAS, as a condition precedent to the making of loans and the issuance of letters of credit by the lenders under the Existing Credit Agreement, LeapFrog has executed and delivered that certain Security Agreement dated November 8, 2005 made by LeapFrog to the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "*Existing Security Agreement*"; together with the Existing Credit Agreement, the "*Existing Loan Agreements*").

WHEREAS, under the terms of the Existing Security Agreement, LeapFrog has granted to the Collateral Agent, for the ratable benefit of the agent and the lenders, a security interest in, among other property, certain intellectual property of LeapFrog, and executed that certain Intellectual Property Security Agreement dated August 28, 2008 (other than pursuant to this Amendment, as amended, amended and restated, supplemented or otherwise modified from time to time, the "*IP Security Agreement*") for recording with the United States Patent and Trademark Office, the United States Copyright Office and other governmental authorities.

WHEREAS, the IP Security Agreement was recorded with the United States Patent and Trademark Office on reel 003851 frame 0178 and on reel 021511 frame 0441 on September 11, 2008, and with the United States Copyright Office at volume 3576 document no. 517 on February 13, 2009.

WHEREAS, the Collateral Agent and LFC Ventures, LLC ("*LFC*") entered into that certain Intellectual Property Security Release Agreement, dated as of the date hereof (as amended, amended and restated, supplemented or otherwise modified from time to time, the "*IP Security Release*"), whereby the Collateral Agent released and conveyed to LFC, all of its right, title and interest in and to LFC's right, title and interest in and to the collateral granted pursuant to the IP Security Agreement.

WHEREAS, LeapFrog and the Collateral Agent are entering into a new Amended and Restated Loan and Security Agreement dated as of the date hereof, (as amended, amended and restated, supplemented or otherwise modified from time to time, the "*Loan and Security Agreement*"), under the terms of which, LeapFrog has granted to the Collateral Agent, for the

ratable benefit of the Agent and the Lenders, a security interest in, among other property, certain intellectual property of LeapFrog.

WHEREAS, LeapFrog and the Collateral Agent have now agreed to amend and restate the IP Security Agreement in order so that LeapFrog may grant the Collateral Agent a security interest in, to and under all of LeapFrog's right, title and interest in and to the Collateral (as defined below) solely in connection with the security interest granted pursuant to the terms of the Loan and Security Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent and LeapFrog hereby agree as follows:

Section 1. Defined Terms. All capitalized terms used herein but not otherwise defined herein shall have the meanings ascribed to those terms in the Loan and Security Agreement.

Section 2. Grant of Security. In connection with the Loan and Security Agreement (and not the Existing Loan Agreements) and to secure the Obligations (as defined in the Loan and Security Agreement), LeapFrog hereby grants to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of LeapFrog's right, title and interest in and to the following (the "*Collateral*");

(i) the patents and patent applications set forth in Schedule A hereto (the "*Patents*");

(ii) the trademark and service mark registrations and applications set forth in Schedule B hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby (the "*Trademarks*");

(iii) all copyrights, whether registered or unregistered, now owned or hereafter acquired by LeapFrog, including, without limitation, the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto (the "*Copyrights*");

(iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of LeapFrog accruing thereunder or pertaining thereto;

(v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(vi) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the foregoing or arising from any of the foregoing.

Section 3. Recordation. The parties hereto authorize and request that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable government officer record this Amendment against the registrations and applications therefore identified in the schedules hereto.

Section 4. Grants, Rights and Remedies. The security interest granted in favor of the Collateral Agent pursuant to this Amendment, has been granted solely in conjunction with the security interest granted pursuant to the Loan and Security Agreement, and LeapFrog hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Collateral made and granted by this Amendment are more fully set forth in the Loan and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 5. IP Security Release. The parties hereto acknowledge that a true and correct copy of the IP Security Release is attached hereto as Schedule D.

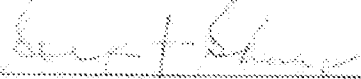

Section 6. Execution in Counterparts. This Amendment may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Section 7. Governing Law. This Amendment shall be governed by, and construed in accordance with, the laws of the State of California.
