**PATENTS, TRADEMARKS AND COPYRIGHTS  
SECURITY AGREEMENT**

This Patents, Trademarks and Copyrights Security Agreement ("Agreement") is made as of the 16th day of October 2009, by and between URBAN DECAY COSMETICS LLC ("Company"), a Delaware limited liability company, with its chief executive office located at 833 West 16th Street, Newport Beach, California 92633 and PNC BANK, NATIONAL ASSOCIATION, in its capacity as Agent for Lenders ("Agent"), having a mailing address of 340 Madison Avenue, 11<sup>th</sup> Floor, New York, New York 10173.

**BACKGROUND**

A. This Agreement is being executed contemporaneously with that certain Revolving Credit and Security Agreement of even date herewith by and among the Company, the financial institutions which are now or which hereafter become a party thereto (collectively, the "Lenders") and Agent, acting as agent for the benefit of the Lenders (as it may hereafter be from time to time amended, modified, restated, supplemented or replaced, the "Loan Agreement"), under which Company is granting Agent, a lien on and security interest in all of the assets of Company associated with or relating to products leased or sold or services provided under all of Company's now or hereafter existing or acquired patents, trademarks (and the goodwill associated therewith) and copyrights, and under which Agent is entitled to foreclose or otherwise deal with such assets, patents, patent applications, goodwill, trademarks, trademark applications, service marks, service mark applications, trade names, copyrights, and copyright applications under the terms and conditions set forth therein. Capitalized terms not defined herein shall have the meanings given to such terms in the Loan Agreement.

B. Company has adopted, used and is using (or has filed applications and/or registrations with the United State Patent and Trademark Office or the United States Copyright Office (as applicable) of) the United States federally issued patents and patent applications (collectively, the "Patents"); the United States federally registered trademarks, service marks, trade names, and service trade names and all goodwill associated with and represented by any of the foregoing (collectively, "Trademarks"); and the United States federally registered copyrights and copyright applications (collectively, the "Copyrights"); each as listed on **Schedule A** attached hereto and made part hereof (or on any amended **Schedule A** provided pursuant to Section 3(e) hereof) (all such Patents, Trademarks, Copyrights hereinafter referred to as the "Assets").

C. Pursuant to the Loan Agreement, Agent is acquiring a lien on, and security interest in, the Assets and the registrations thereof as security for all Obligations, and desires to have its security interest in such Assets confirmed by a document identifying same and in such form that it may be recorded in the United States Patent and Trademark Office and United States Copyright Office, respectively.

NOW THEREFORE, with the foregoing Background hereinafter deemed incorporated by reference and made a part hereof, and in consideration of the premises and mutual promises

herein contained, the parties hereto, intending to be legally bound hereby, covenant and agree as follows:

1. In consideration of and pursuant to the terms of the Loan Agreement and all the Other Documents and for other good, valuable and sufficient consideration, the receipt of which is hereby acknowledged, and to secure the Obligations, Company grants a lien and security interest to Agent in all of its present and future right, title and interest in and to the Assets and the registrations thereof and the right (but not the obligation) to sue for past, present and future infringements, and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits; provided that the Company shall not be deemed to have granted a security interest in: (A) any rights or interest in any license, lease, contract or agreement to which the Company is a party to the extent, but only to the extent (if any), that such a grant would, under the terms of such license, lease, contract or agreement, result in a breach of the terms of, or constitute a default under, such license, lease, contract or agreement (other than to the extent that any such term would be rendered ineffective pursuant to 9-406, 9-407 or 9-408 of the Uniform Commercial Code or other Applicable Law), provided, that immediately upon the ineffectiveness, lapse or termination of, or the granting of a consent or waiver by the other party to such license, lease, contract or agreement with respect to, any such restrictive terms of such license, lease, contract or agreement, the Assets shall include, and the Company shall be deemed to have granted to the Agent a security interest in, all such rights and interests or other assets, as the case may be, as if such provision had never been in effect, or (B) any rights or property, including any intent-to-use trademark applications, to the extent that any valid and enforceable law or regulation applicable to such rights or property prohibits the creation of a security interest in such rights or property or would otherwise result in a material loss of rights from the creation of such security interest therein; provided, that immediately upon the ineffectiveness, lapse or termination of any such law or regulation, the Assets shall include, and the Company shall be deemed to have granted to the Agent a security interest in, all such rights and interests or other assets, as the case may be, as if such law or regulation had never been in effect; and provided, further, that notwithstanding any such restrictive provision, law or regulation, Assets shall, to the extent such restrictive provision, law or regulation does not by its terms apply thereto, include all rights incident or appurtenant to any such rights or interests and the right to receive all royalties, licensing fees and other proceeds derived from or in connection with the license, sale, assignment or transfer of such rights and interests.

2. Company hereby covenants and agrees to maintain the Assets that are useful and necessary in its business (except for those Assets that expire on their terms or pursuant to law) in full force and effect and to take all actions necessary to enforce and protect the validity of any such assets to the extent determined by the Company in its commercially reasonable judgment to be prudent or necessary, until all Obligations (other than Inchoate Obligations) are indefeasibly paid and satisfied in full and the Loan Agreement and the commitments of the Lenders thereunder are terminated.

3. Company represents, warrants and covenants that:

(a) Each of the Assets listed on the **Schedule A** attached hereto on the date hereof or on any amended **Schedule A** provided at any time after the date hereof pursuant to Section 3(e) hereof is subsisting and has not been adjudged invalid or unenforceable as of the

date such Schedule or amended Schedule (as applicable) was provided to Agent;

(b) Each of the Assets listed on the **Schedule A** attached hereto on the date hereof or on any amended **Schedule A** provided at any time after the date hereof pursuant to Section 3(e) hereof is valid and enforceable as of the date such Schedule or amended Schedule (as applicable) was provided to Agent;

(c) Company is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Assets (including Company's right, title and interest as licensor or licensee under any License but not including, with respect to any License where the Company is the licensee, any Intellectual Property owned by the applicable licensor licensed to the Company as such licensee thereunder), and each of such Assets is free and clear of any liens, claims, charges and encumbrances, including, without limitation, pledges, assignments, licenses and covenants by Company not to sue third persons, other than any Permitted Encumbrances;

(d) Company has the unqualified right, power and authority to enter into this Agreement and perform its terms; and

(e) Each of the Assets listed on **Schedule A** constitute all of the United States federally registered Assets, and all applications for any of the foregoing, now owned by Company. If, before all Obligations (other than Inchoate Obligations) shall have been indefeasibly paid and satisfied in full and the Loan Agreement shall have been terminated, Company shall (i) become the owner of or acquire rights including the rights of registration with respect to any new registered patentable inventions, trademarks, trademark registrations, trade names, or copyrights, or (ii) become entitled to the benefit of any registered patent or trademark application, trademark, trademark registration, copyright or copyright registration or application, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, such patent or trademark application, trademark, trademark registration, copyright or copyright registration or application, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent shall be deemed part of the "Assets" hereunder and the provisions of this Agreement, including the grant of a lien and security interest in such new Assets, shall automatically apply thereto. No later than 60 days after the end of each fiscal quarter, the Company shall give Agent written notice of the acquisition by Company of any such new Assets acquired during such fiscal quarter along with an amended **Schedule A** listing such new Assets.

4. Company further covenants that until all Obligations (other than Inchoate Obligations) have been indefeasibly paid and satisfied in full and the Loan Agreement and the commitments of the Lenders thereunder are terminated, it will not enter into any agreement, including without limitation, license agreements or options, which is inconsistent with Company's obligations under this Agreement and the Loan Agreement.

5. So long as no Event of Default has occurred and is continuing under the Loan Agreement, Company shall continue to have the exclusive right to use and exploit the Assets and Agent shall have no right to use the Assets or issue any exclusive or non-exclusive license with respect thereto, or assign, pledge or otherwise transfer title in the Assets to anyone else.

6. Company agrees not to sell, license, grant any option, assign or further encumber its rights and interest in the Assets, except that (i) the Company may enter into licenses as a licensor with respect to the Patents, Trademarks and Copyrights owned by it so long as the Company complies with the provisions of Section 9.1 of the Loan Agreement in connection with any such license, (ii) the Company may permit the Assets to be subject to Permitted Encumbrances and (iii) nothing contained in this Section 6 shall be interpreted to require to Company to take any additional actions regarding the maintenance and renewal of any Assets beyond those actions necessary to satisfy Sections 2 and 13 hereof.

7. Licenses and License Rights.

(a) **Schedule B** attached hereto and made part hereof set forth the information concerning all licenses pursuant to which Company has the right (whether exclusive or non-exclusive) to use any patents or registrable inventions, patent applications, trademarks, service marks, trade names, service trade names, copyrights and/or copyright applications, excluding any licenses of commercially available or off-the-shelf software, shrink-wrap or click-through licenses (all of such licenses, the "Licenses" and all of such rights, the "License Rights"). The information set forth on **Schedule B** hereto includes the title and date of each such License, the name and address of the grantor/licensor and the name/title/description of the applicable patent, trademark or copyright (and/or patent, trademark or copyright application) and the registration number and date of such patent, trademark, copyright or application. In consideration of and pursuant to the terms of the Loan Agreement and all the Other Documents and for other good, valuable and sufficient consideration, the receipt of which is hereby acknowledged, and to secure the Obligations, Company grants a lien and security interest to Agent in all of its present and future right, title and interest in and to the Licenses and the License Rights, to the extent that such a grant in such Licenses and License Rights would not be excluded from the liens created under this Agreement pursuant to the proviso to Section 1 above. To the extent that a valid lien and security interest in and to Company's right, title and interest in and to any Licenses and related License Rights is created under the provisions of this section (either because the creation of such a lien and security interest under this section would not violate the terms and provisions of the applicable License and/or because all consents of the relevant grantor/licensor required under the terms and provisions of the applicable License have been obtained), all such Licenses and related License Rights shall constitute part of the "Assets" hereunder.

(b) If, before all Obligations (other than Inchoate Obligations) shall have been indefeasibly paid and satisfied in full and the Loan Agreement shall have been terminated, Company shall become a party to any new licenses pursuant to which Company will have the right (whether exclusive or non-exclusive) to use any patents, registrable inventions, patent applications, trademarks, service marks, trade names, service trade names, copyrights and/or copyright applications, excluding any licenses of commercially available or off-the-shelf software, shrink-wrap or click-through licenses, no later than 60 days after the end of each fiscal quarter, the Company shall give Agent written notice of the acquisition by Company of any such new license and related license rights during such fiscal quarter along with an amended **Schedule B** listing such new licenses and related license rights. All such newly acquired licenses and related rights shall immediately constitute "Licenses" and "License Rights" hereunder. All of such new Licenses and related License Rights shall be deemed part of the "Assets" hereunder and the provisions of this Agreement, including the grant of a lien and security interest in such

new Assets, shall automatically apply thereto, except to the extent that such a grant in such Licenses and License Rights would be excluded from the liens created under this Agreement pursuant to the proviso to Section 1 above.. Company covenants and agrees that the provisions of the third sentence of paragraph (a) immediately above shall apply to all such future acquired Licenses and License Rights.

8. If and while an Event of Default has occurred and is continuing under the Loan Agreement, Company hereby covenants and agrees that Agent, as the holder of a security interest under the Uniform Commercial Code may take such actions permitted under the Loan Agreement and the Other Documents or permitted by law, in its exclusive discretion, to foreclose upon the Assets covered hereby. During such time as an Event of Default shall have occurred and be continuing, Company hereby authorizes and empowers Agent, its successors and assigns, and any officer or agent of Agent as Agent may select, in its exclusive discretion, as Company's true and lawful attorney-in-fact, with the power to endorse Company's name on all applications, assignments, documents, papers and instruments necessary for Agent, to use the Assets or to grant or issue any exclusive or non-exclusive license under the Assets to anyone else (provided that, in the case of any Assets consisting of Licenses and/or License Rights, Company would have had the right to so grant a license in the License or License Rights), or necessary for Agent to assign, pledge, convey or otherwise transfer title in or dispose of the Assets to anyone else including, without limitation, the power to execute a trademark assignment in the form attached hereto as **Exhibit 1**, a patent assignment in the form attached hereto as **Exhibit 2**, and a copyright assignment in the form attached hereto as **Exhibit 3**. Company hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof and in accordance with the terms hereof, except for the gross negligence or willful misconduct of such attorney. This power of attorney shall be irrevocable for the life of this Agreement, the Loan Agreement and the Other Documents, and until all Obligations (other than Inchoate Obligations) are indefeasibly paid and satisfied in full and the Loan Agreement and the commitments of the Lenders thereunder are terminated. Company agrees that while an Event of Default has occurred and is continuing under the Loan Agreement, Company shall be deemed to have granted a non-exclusive license to Agent to use the Assets (other than the Licenses and the License Rights) owned by the Company (and, to the extent (if any) that the Company has the ability to grant any such non-exclusive licence with respect to the Company's right, title and interest in any License and License Rights, also to use such rights of the Company under the License and License Rights and/or any Intellectual Property owned by any applicable licensor licensed to the Company thereunder) in the exercise by Agent or its rights as a secured creditor with respect to Company's tangible property. The use by Agent of all Assets (other than the Licenses and the License Rights) owned by the Company pursuant to such deemed license shall be without any liability for royalties or other related charges from Agent to Company. The valid use by Agent of any the Company's right, title and interest in any License and License Rights (and/or any Intellectual Property owned by any applicable licensor licensed to the Company thereunder) pursuant to such deemed license shall be without any liability for royalties or other related charges from Agent to Company, provided that, if Agent shall determine that it is obligated under applicable Law or by contract to pay any royalties or similar charges to any applicable licensor in connection with such use of the Company's right, title and interest in any License and License Rights (and/or any Intellectual Property owned by any applicable licensor licensed to the Company thereunder), the amount of such royalties and other charges shall be included in the Obligations owing from the Company to Agent and shall be secured by the liens granted under this Agreement and the other

Collateral.

9. This Agreement shall be subject to the terms, provisions, and conditions set forth in the Loan Agreement and may not be modified without the written consent of the parties hereto.

10. All rights and remedies herein granted to Agent shall be in addition to any rights and remedies granted under the Loan Agreement and the Other Documents. In the event of an inconsistency between this Agreement and the Loan Agreement, the language of the Loan Agreement shall control.

11. Upon Company's performance of all of the obligations under the Loan Agreement and the Other Documents, the full and unconditional satisfaction of all Obligations (other than Inchoate Obligations) and the termination of the Loan Agreement and the commitments thereunder, Agent shall execute and deliver to Company all documents reasonably necessary to record or register the termination of Agent's security interest in the Assets.

12. Any and all reasonable fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and legal expenses incurred by Agent in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of this or any other documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or costs otherwise incurred in protecting, maintaining, preserving the Assets, or in defending or prosecuting any actions or proceedings arising out of or related to the Assets, or defending, protecting or enforcing Agent's rights hereunder, in each case in accordance with the terms of this Agreement, shall be borne and paid by Company on demand by Agent and until so paid shall be added to the principal amount of Obligations and shall bear interest at the otherwise applicable rate of interest prescribed in the Loan Agreement.

13. Until all Obligations (other than Inchoate Obligations) shall have been indefeasibly paid and satisfied in full and the Loan Agreement and the commitments of the Lenders thereunder are terminated, subject to the terms of the Loan Agreement, Company shall have the duty to prosecute diligently any trademark, copyright or patent application with respect to the Assets pending as of the date of this Agreement or thereafter, and to preserve and maintain all rights in the Assets, in each case to the extent determined by the Company in its commercially reasonable judgment to be prudent or necessary. Any expenses incurred in connection with such applications shall be borne by Company. Company shall not abandon any Patent, Trademark or Copyright.

14. Company shall have the right to bring suit in its own name to enforce the Assets, in which event Agent may, if Company reasonably deems it necessary, be joined as a nominal party to such suit if Agent shall have been satisfied, in its sole discretion, that Agent is not thereby incurring any risk of liability because of such joinder. Company shall promptly, upon demand, reimburse and indemnify Agent for all damages, reasonable costs and expenses, including reasonable attorneys' fees, incurred by Agent in the fulfillment of the provisions of this paragraph.

15. After the occurrence and during the continuance of an Event of Default under the Loan Agreement, Agent may, without any obligation to do so, complete any obligation of Company hereunder, in Company's name or in Agent's name, but at Company's expense, and Company hereby agrees to reimburse Agent in full for all costs and expenses, including reasonable attorneys' fees, incurred by Agent in protecting, defending and maintaining the Assets.

16. No course of dealing among Company and Agent nor any failure to exercise, nor any delay in exercising, on the part of Agent, any right, power or privilege hereunder, shall operate as a waiver thereof, and all of Agent's rights and remedies with respect to the Assets, whether established hereby or by the Loan Agreement or the Other Documents, or by any other future agreements between Company and Agent or by law, shall be cumulative and may be exercised singularly or concurrently.

17. The provisions of this Agreement are severable and the invalidity or unenforceability of any provision herein shall not affect the remaining provisions which shall continue unimpaired and in full force and effect.

18. This Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

19. This Agreement shall be governed by and construed in accordance with the laws of the State of New York applied to contracts to be performed wholly within the State of New York.

20. Any judicial proceeding brought by or against the Company with respect to any of this Agreement or any related agreement may be brought in any court of competent jurisdiction in the City of New York, Borough of Manhattan, State of New York, United States of America, and, by execution and delivery of this Agreement, the Company accepts for itself and in connection with its properties, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement. The Company hereby waives personal service of any and all process upon it and consents that all such service of process may be made by registered mail (return receipt requested) directed to the Company at its address set forth in Section 15.6 of the Loan Agreement and service so made shall be deemed completed five (5) days after the same shall have been so deposited in the mails of the United States of America. Nothing herein shall affect the right to serve process in any manner permitted by law or shall limit the right of Agent or any Lender to bring proceedings against the Company in the courts of any other jurisdiction. The Company waives any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon forum non conveniens. The Company waives the right to remove any judicial proceeding brought against the Company in any state court to any federal court. Any judicial proceeding by the Company against Agent or any Lender involving, directly or indirectly, any matter or claim in any way arising out of, related to or connected with this Agreement or any related agreement, shall be brought only in a federal or state court located in the County of New York, State of New York.
