### RECITALS

A. (1) Except as otherwise defined herein, terms used herein and defined in the Credit Agreement (as defined below) shall be used herein as therein defined. Certain terms used herein are defined in Section 1.01 hereof.

(2) This Agreement is made pursuant to the Credit Agreement, dated as of the date hereof (as amended, restated or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, the financial institutions named as lenders therein (together with their successors and assigns, the "Lenders"), and the Administrative Agent.

(3) It is a condition precedent to the making of Loans and LC Issuances under the Credit Agreement that the Grantor shall have executed and delivered to the Administrative Agent this Agreement.

(4) Pursuant to the terms of the Security Agreement, Grantor has granted to the Administrative Agent for the benefit of the Secured Creditors a security interest in substantially all the assets of the Grantor, including all right, title and interest of the Grantor in, to and under all now owned and hereafter acquired patents, patent applications, patent licenses, trademarks, trademark applications and trademark licenses, and all products and proceeds thereof, to secure the payment of all amounts owing by the Grantor under the Loan Agreement.

In consideration of the mutual agreements set forth herein and in the Credit Agreement, the Grantor does hereby grant to the Administrative Agent for the benefit of the Secured Creditors a continuing security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

- (1) each trademark, trademark registration and trademark application, including, without limitation, each trademark, trademark registration and trademark application referred to in Schedule 1 annexed hereto, together with any and all goodwill associated herewith, but specifically excluding any intent-to-use trademark or service mark application;
- (2) each trademark license, including, without limitation, each trademark license listed on Schedule 1 annexed hereto, together with all goodwill associated therewith;

- (3) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1 annexed hereto, any trademark issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under any trademark license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the "Trademark Collateral");
- (4) each patent and patent application, including, without limitation, each patent and patent application referred to in Schedule 2 annexed hereto, together with any reissues, continuations, reexaminations or extensions thereof;
- (5) each patent license, including, without limitation, each patent license listed on Schedule 2 annexed hereto, together with all goodwill associated therewith;
