## TRADEMARK ASSIGNMENT

Swell, Inc., a Delaware corporation, as successor-in-interest to Surfline, Inc. and Surfline Composed of General Partners: Surfline, Inc. and Wavetrak, Inc., with an address at 300 Pacific Coast Highway Suite 310, Huntington Beach, CA 92649 (the "Assignor"), is the rightful owner of and is using the trademarks or service marks listed on the Schedule of Marks attached hereto as Exhibit A, which said trademarks or service marks, the good will of the business symbolized thereby, and all worldwide rights contained therein, together with all pending and issued United States trademark registrations and all pending and issued foreign registrations therefore, are hereinafter collectively referred to as the "Trademarks."

WHEREAS Surfline\Wavetrak, Inc., a Delaware corporation, located at 300 Pacific Coast Highway, Suite 310, Huntington Beach, California 92648 ("Assignee"), is desirous of acquiring all right, title and interest in and to the Trademarks; and

WHEREAS Assignor desires to assign all right, title and interest in and to the Trademarks to Assignee as part of, and in partial consideration of, an existing agreement by and between Assignor and Assignee.

NOW, THEREFORE, in consideration of the foregoing, together with other goods and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor hereby assigns, transfers and conveys to Assignee all right, title and interest in and to the Trademarks (the "Assignment").
2. The Assignment shall also include all claims for damages by reason of past infringement of the Trademarks, if any, together with the right to sue for and collect the same for the sole use and benefit of Assignee and its successors, assigns, or other legal representatives.
3. Assignor represents and warrants to Assignee as follows:
  - 3.1. Assignor has the full right, power and authority to enter into and perform this Assignment and to grant to Assignee all the rights granted herein; and Assignor is not a party to any agreement or understanding which would conflict with this Assignment;
  - 3.2. The Trademarks are believed to be valid, subsisting and enforceable;
  - 3.3. Assignor is the sole legal and beneficial owner of all right in and to the Trademarks and hereby transfers all such rights to Assignee;
  - 3.4. No portion of the Trademarks has been assigned or licensed to any other person or entity and there are no liens, claims or encumbrances on the Trademark or any rights therein;

3.5. Assignor shall indemnify and hold Assignee harmless from any and all liability, damages, and expenses, including attorney's fees which the Assignee suffers or incurs as a result of or in connection with any breach of the representations and warranties set forth in this paragraph; and

3.6. These representations, warranties, and indemnities survive the consummation of this transaction.

4. Assignor has secured and, upon execution hereof, or as soon as received by Assignor, shall transfer to Assignee, all applications, registrations, licenses, permits, releases or other necessary consents, if any, relating to the Trademarks or any portion or component thereof. Assignor shall assist Assignee in obtaining any further registrations, licenses, permits or releases relating to the Trademark as reasonably desired and required by Assignee. ✓

5. Assignor agrees and acknowledges that if it has obtained or obtains in the future, in any country, any right, title, or interest (including the filing of any application for trademark or service mark registration or the issuance of any registration) in any mark(s) which are confusingly similar to, or translations and/or transliterations of, the Trademarks (collectively, Related Trademarks), Assignor shall so notify Assignee, and that it has acted or will act as an agent on and for Assignee's behalf. Assignor further agrees to execute any and all instruments deemed by Assignee, its attorneys or representatives, to be necessary to transfer such right, title, or interest in the Related Trademark to Assignee.

6. Assignor further agrees to execute and deliver, from time to time, all further instruments of conveyance, assignment and further assurances, and to perform all such other acts, as may be reasonably required to transfer and assign all of Assignor's interests in and to the Trademarks.
