TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (“Assignment”) is made and entered into as of August 23, 2009 (the “Effective Date”), between VERISIGN, INC., a Delaware corporation (“Assignor”), and VeriSign ICX Corporation, a Delaware corporation (“Assignee”).

WITNESSETH:

WHEREAS, Assignor is the owner of the trademarks and trademark applications and registrations, together with the goodwill of the business connected with the use of, or symbolized by, the foregoing, identified on Schedule A to this Assignment (collectively, the “Trademarks”);

WHEREAS, pursuant to the Assignment and Contribution Agreement dated as of August 23, 2009, by and between Assignor and Assignee (the “Assignment and Contribution Agreement”), Assignor has agreed to assign certain intellectual property, including the Trademarks, to Assignee.

NOW, THEREFORE, in consideration of the premises and covenants set forth herein and in the Assignment and Contribution Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby assigns, transfers and conveys to Assignee all of Assignor’s right, title, and interest in and to the Trademarks, together with the goodwill of the business symbolized thereby, all rights to collect royalties, products and proceeds in connection therewith, all rights to sue for past, present and future infringement, misappropriation or other violation thereof, and all rights to recover damages or lost profits in connection therewith.

2. Cooperation. This Assignment has been executed and delivered by the Assignor for the purpose of recording the assignment herein with the appropriate government entity. The parties shall cooperate to execute and deliver such other documents and take all such other actions as reasonably necessary to effect the intent hereof.

3. Further Acts. For each of the Trademarks, Assignee agrees to complete, execute and file at the United States Patent and Trademark Office (USPTO), within thirty (30) days of the Effective Date, forms sufficient to change ownership, power of attorney and USPTO correspondence address, and such documents as are necessary to reflect the change in ownership, responsibility and correspondence for assets in jurisdictions other than the United States. As of the Effective Date, Assignee assumes all responsibility for meeting any and all deadlines and preserving and pursuing any and all rights pertaining to the Trademarks.

4. Warranties. EXCEPT AS EXPRESSLY SET FORTH IN THE ASSIGNMENT AND CONTRIBUTION AGREEMENT, THERE ARE NO EXPRESS

OR IMPLIED WARRANTIES OF NONINFRINGEMENT OF THIRD PARTY INTELLECTUAL PROPERTY RIGHTS, OR REGARDING THE SCOPE, VALIDITY, OR ENFORCEABILITY OF ANY TRANSFERRED INTELLECTUAL PROPERTY RIGHTS.

5. General Provisions. Capitalized terms used herein but not defined herein shall have the meanings set forth in the Assignment and Contribution Agreement. This Assignment may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. This Assignment along with its Schedule, together with the Assignment and Contribution Agreement, constitute the entire understanding and agreement of the parties hereto with respect to the subject matter hereof and supersede all prior and contemporaneous agreements or understandings, inducements or conditions, express or implied, written or oral, between and among the parties with respect hereto. In the event of any conflict between the terms of this Assignment and the terms of the Assignment and Contribution Agreement, the terms of the Assignment and Contribution Agreement shall control. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions.

6. Governing Law; Jurisdiction and Venue. This Assignment shall be governed by, and construed in accordance with, the Laws of the State of New York, without regard to any conflict of laws provisions thereof that would result in the application of the laws of another jurisdiction. Both the Assignee and the Assignor hereby consent to and submit to the exclusive jurisdiction and venue of the federal and state courts located in the State of New York for enforcement or interpretation of this Assignment, and for any disputes under or arising out of this Assignment.

[Remainder of this page intentionally left blank. Signature page follows.]

IN WITNESS WHEREOF, Assignor and Assignee have caused this instrument to be executed by their respective duly authorized representatives as of the Effective Date.
