## EXHIBIT A

### TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (the "Agreement") is entered into by and between Defense Energy Support Center, a U.S. federal government agency within the Defense Logistics Agency of the Department of Defense, having its principal office and place of business at 8725 John I. Kingman Road, Fort Belvoir, Virginia 22060 ("Assignor"), and Multi Service Corporation, a Missouri corporation, having its principal office and place of business at 8650 College Blvd., Overland Park, Kansas 66210 ("Assignee"). The effective date of this agreement is October 1, 2009.

WHEREAS, Assignor owns the registration for SCOMS as set forth in United States Patent and Trademark Office Registration No. 3,473,384 (the "Mark") (as set forth on Exhibit B) and Assignor has, on its own, or through certain of its affiliates, adopted, used and is using the Mark;

WHEREAS, Assignor and Assignee have entered into that certain Coexistence Agreement, effective October 1, 2009, wherein pursuant to Section 1 thereof, Assignor desires to transfer, convey and assign all of Assignor's right, title and interest in and to the Mark to Assignee, subject to the terms and conditions hereof; and

WHEREAS, Assignee desires to acquire the entire rights, title and interest in and to said Mark, and the related registration (collectively, the "Trademark Rights");

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Assignment. For the consideration of \$10.00 and for other consideration set forth in the Coexistence Agreement, Assignor hereby sells, assigns, transfers and acts over unto Assignee all of Assignor's right, title and interest in and to the Trademark Rights, together with that portion of the goodwill related to the Trademark Rights connected with the use of and symbolized by the trademark included in the Trademark Rights and the know-how associated with and necessary to control the nature and quality of goods and services associated with the Trademark Rights, all common law rights and all causes of action, past, present and future for infringement of the Trademark Rights.

2. Further Assurances. Assignor further covenants and agrees that it will, at any time upon request, execute and deliver any and all documents that may be necessary or desirable to perfect the title to the Trademark Rights in Assignee, its successors and assigns, and that it will, at any time upon request, communicate to Assignee, its successors and assigns, such facts relating to the Trademark Rights or the history thereof as may be known to it.

3. Additional Terms. This Agreement is subject in all respects to the terms of the Coexistence Agreement. Nothing contained in this Agreement shall be deemed to supersede, diminish, enlarge or modify any provision or any of the obligations, agreements, covenants, or representations and warranties of any of the parties to the Coexistence Agreement as contained in the Coexistence Agreement. If any conflict exists between the terms of this Agreement and the Coexistence Agreement, then the terms of the Coexistence Agreement shall govern and control.

4. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall for all purposes be deemed to be an original and all of which, when taken together, shall constitute one and the same instrument.

5. Binding on Successor and Assigns. This Agreement and all of the provisions hereof will be binding upon and inure to the benefit of Assignor and Assignee and their respective successors and permitted assigns.

IN WITNESS WHEREOF, the parties have executed this Agreement effective the day and year first above written.
