**GRANT OF SECURITY INTEREST IN TRADEMARKS**

FOR VALUABLE CONSIDERATION, the receipt and adequacy of which is acknowledged, Keeper Corporation, a Connecticut corporation ("Grantor") grants to Comerica Bank, a Texas banking association, as agent (in such capacity, "Agent") for the financial institutions (the "Lenders") that are parties to the Revolving Credit and Term Loan Agreement dated November 3, 2009 (as amended, extended, renewed, replaced, modified or supplemented from time to time, "Credit Agreement"), made among Agent, the Lenders and Borrower, a security interest in all of Grantor's right, title and interest in and to the following whether existing now or later or in which Grantor now has or later acquires an interest, and wherever the same may be located ("Trademark Collateral"):

1. All rights, title and interest in and to the trademarks set forth on attached Schedule A (collectively, the "Trademarks"); and
2. All Proceeds, products, rents and profits of or from any and all the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not Agent for and on behalf of the Lenders is the loss payee), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise in respect of any of the foregoing Trademark Collateral. For these purposes, the term "Proceeds" includes whatever is received or receivable when any Trademark Collateral or other proceeds are sold, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Grantor has granted the security interest under this instrument pursuant to the terms of a Security Agreement dated November 3, 2009, as amended and/or supplemented ("Security Agreement") made by Grantor and Hampton Products International Corporation, a Delaware corporation, in favor of Agent, for and on behalf of the Lenders, for the purposes of security as provided in the Security Agreement. Grantor and Agent acknowledge and affirm that the rights, privileges and remedies of Agent with respect to the security interest in the Trademark Collateral granted in this instrument are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated in this instrument by this reference.

Grantor has executed and delivered this Grant of Security Interest in Trademarks as of November 3, 2009.
