WHEREAS, pursuant to the terms of the Amended and Restated Security Agreement dated as of September 30, 2009 (as said Agreement may be amended and in effect from time to time, the "Security Agreement"), among Grantor, InComm Holdings, Inc., certain subsidiaries of InComm Holdings, Inc. and JPMorgan Chase Bank, N.A., as administrative agent ("Secured Party"), Grantor has granted to Secured Party a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement), trademark registrations, trademark applications and Trademark Licenses (as defined in the Security Agreement), together with the goodwill of the business symbolized by Grantor's Trademarks, and all proceeds thereof, to secure the payment of all Obligations (as such term is defined in the Security Agreement);

(1) each Trademark, trademark registration and trademark application, including, without limitation, the Trademarks, trademark registrations (together with any reissues, continuations or extensions thereof) and trademark applications referred to in Schedule I annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, trademark registration and trademark application;

(2) each Trademark License and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark License, including, without limitation, each Trademark License referred to in Schedule I annexed hereto; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark or trademark registration including, without limitation, the Trademarks and trademark registrations referred to in Schedule I annexed hereto, the trademark registrations issued with respect to the trademark applications referred in Schedule I and the Trademarks licensed under any Trademark License, or (b) injury to the goodwill associated with any Trademark, trademark registration or Trademark licensed under any Trademark License.

This security interest is granted in conjunction with the security interests granted to Secured Party pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
