EXHIBIT 8.2(b)-2

INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (the "Agreement") is made as October 23, 2006 between MYSELFHELP.COM, INC., a Massachusetts corporation (the "Assignor"), and HEALTHMEDIA, INC., a Michigan corporation (the "Assignee").

WHEREAS, this Agreement is made pursuant to the Asset Purchase Agreement (the "Asset Purchase Agreement"), dated October 23, 2006, among the Assignee, the Assignor, Richard Bedrosian and Caren Kenney, pursuant to which the Assignor has agreed to sell to Assignee certain Intellectual Property (as defined in the Asset Purchase Agreement) including, without limitation, the Intellectual Property listed on Schedule A attached hereto. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Asset Purchase Agreement.

NOW THEREFORE, in consideration of the promises and covenants contained herein and in the Asset Purchase Agreement and for other good and valuable consideration, the parties agree as follows:

1. **ASSIGNMENT OF RIGHTS.**

Assignor hereby sells, conveys, transfers, assigns and delivers unto Assignee, its successors and assigns, Assignor's entire right, title, and interest in and to the Intellectual Property, including

(a) all patents, including the right to sue for past infringements thereof, and patent applications, the underlying inventions described in the patents and patent applications, the right to file foreign patent applications corresponding to the patent applications, and the right to claim the priority date of the patent applications and any legal equivalents thereof, and any and all patents in the United States of America and all foreign countries which may be granted therefor and thereon, and to any and all divisions, continuations, and continuations-in-part of the patent applications, or re-issues or extensions of the patents;

(b) all trademarks and service marks together with the goodwill of the business symbolized thereby and the right to bring suit and collect damages for past infringements thereof; and,

(c) all copyrights, including the enumerated rights under Sections 106 and 106A of the U.S. Copyright Act, together with all the rights to sue and recover for any past infringements of the copyrights.

2. FURTHER ASSISTANCE.

Assignor hereby covenants and agrees that the Assignor will at any time upon the request of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the rights, titles, and interests conveyed to Assignee herein and Assignee's successors and assigns and to permit Assignee and Assignee's successors and assigns to record this Agreement against the Intellectual Property with any government office.

Assignor hereby constitutes and appoints Assignee and its successors and assigns as its true and lawful attorneys in fact in connection with the transactions contemplated by this instrument, with full power of substitution to demand and receive, in the name and stead of Assignor but on behalf of and for the benefit of Assignee and its successors and assigns, any and all of the Intellectual Property hereby conveyed, assigned, and transferred or intended so to be, and to give receipt and releases for and in respect of the same and any part therefor, and from time to time to institute and prosecute, in the name of Assignor or otherwise, for the benefit of Assignee or its successors and assigns, proceedings at law, in equity, or otherwise, which the Assignee or its successors or assigns deem proper in order to collect or reduce to possession or endorse any of the Intellectual Property, and to do all acts and things in relation to the Intellectual Property which Assignee or its successors or assigns reasonably deem desirable.
