B. In connection with the Original Credit Agreement, Grantor previously executed a security agreement in favor of Union Bank, N.A., formerly known as Union Bank of California, N.A., and the secured parties described therein (the "Original Security Agreement").

This Agreement is a continuing and irrevocable agreement and

all the rights, powers, privileges and remedies hereunder shall apply to any and all Secured Obligations, including those arising under successive transactions which shall either continue the Secured Obligations, increase or decrease them, or from time to time create new Secured Obligations after all or any prior Secured Obligations have been satisfied, and notwithstanding the bankruptcy of Grantor or any other Person or any other event or proceeding affecting any Person.

4. Grantor's Representations, Warranties and Agreements. Except as otherwise disclosed to Secured Party in writing concurrently herewith, Grantor represents, warrants and agrees that: (a) Grantor owns the sole, full and clear title to all of the existing Collateral and Grantor has the right and power to grant the security interests granted hereunder; (b) Grantor will pay, prior to delinquency, all taxes, charges, Liens and assessments against the portion of the Collateral owned by it, except such as are timely contested in good faith, and upon its failure to pay or so contest such taxes, charges, Liens and assessments, Secured Party at its option may pay any of them, and Secured Party shall be the sole judge of the legality or validity thereof and the amount necessary to discharge the same; (c) the Collateral will not be used for any unlawful purpose or in violation of any Law, regulation or ordinance, nor used in any way that will void or impair any insurance required to be carried in connection therewith; (d) Grantor will, to the extent consistent with good business practice, keep the portion of the Collateral owned by it in reasonably good repair, working order and condition, and from time to time make all needful and proper repairs, renewals, replacements, additions and improvements thereto and, as appropriate and applicable, will otherwise deal with such portion of the Collateral in all such ways as are considered good practice by owners of like Property; (e) Grantor will take all reasonable steps to preserve and protect the portion of the Collateral owned by it, including, with respect to the Patents and Trademarks, the filing of any renewal affidavits and applications; (f) as of the date hereof, Grantor has no Trademarks registered, or subject to pending applications, in the USPTO, or to the best knowledge of Grantor, any similar office or agency in the United States of America other than those described in Schedule 1 attached hereto; (g) as of the date hereof, Grantor has no Patents registered, or subject to pending applications, in the USPTO, or to the best knowledge of Grantor, any similar office or agency in the United States of America other than those described in Schedule 2 attached hereto; (h) except as listed on Schedule 4.10 to the Credit Agreement, to the best of Grantor's knowledge there are no actions, suits, proceedings or investigations pending or threatened in writing against Grantor before any Governmental Agency which could reasonably be expected to cause any portion of the IP Collateral to be adjudged invalid or unenforceable, in whole or in part; (i) Grantor shall not file any application for the registration of a Patent or Trademark with the USPTO or any similar office or agency in the United States of America, or any State therein, unless Grantor promptly thereafter notifies Secured Party of such action; (j) Grantor has not abandoned any Patent or Trademark, and Grantor will not do any act, or omit to do any act, whereby any Patent or Trademark may become abandoned, canceled, invalidated, unenforceable, avoided, or avoidable unless Grantor has obtained the written consent of Administrative Agent; (j) Grantor shall immediately notify Secured Party promptly if it knows, or has reason to know, of any reason why any applicable registration or recording of any Patent or Trademark may become abandoned, canceled, invalidated, or unenforceable; (k) Grantor will render any assistance, as Secured Party may reasonably determine is necessary, to Secured Party in any proceeding before the USPTO, any federal or state court, or any similar office or agency in the United States of America, or any State therein, to maintain any Patent or Trademark and to protect Secured Party's security interest

therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings; (l) Grantor will promptly notify Secured Party if Grantor learns of any use by any Person of any term or design likely to cause confusion with any of the Trademarks, or of any use by any Person of any other process or product which infringes upon any of the Trademarks, and if requested by Secured Party, Grantor, at its expense, shall join with Secured Party in such action as Secured Party in Secured Party's discretion, may reasonably deem advisable for the protection of Secured Party's interest in and to the Trademarks; (m) Grantor assumes all responsibility and liability arising from the use of the Trademarks and Patents, and Grantor hereby indemnifies and holds Administrative Agent and Secured Party harmless from and against any claim, suit, loss, damage or expense (including reasonable attorneys' fees) arising out of any alleged defect in any product manufactured, promoted, or sold by Grantor (or any Affiliate or Subsidiary thereof) in connection with any Patent or Trademark or out of the manufacture, promotion, labeling, sale, or advertisement of any such product by Grantor or any Affiliate or Subsidiary thereof; (n) Grantor shall promptly notify Secured Party in writing of any adverse determination in any proceeding in the USPTO or any other foreign or domestic Governmental Agency, court or body, regarding Grantor's claim of ownership in any of the Trademarks, and in the event of any infringement of any Trademark owned by Grantor by a third party, Grantor shall promptly notify Secured Party of such infringement and sue for and diligently pursue damages for such infringement. If Grantor shall fail to take such action within one (1) month after such notice is given to Secured Party, Secured Party may, but shall not be required to, itself take such action in the name of Grantor, and Grantor hereby appoints Secured Party the true and lawful attorney of Grantor, for it and in its name, place and stead, on behalf of Grantor, to commence judicial proceedings in any court or before any other tribunal to enjoin and recover damages for such infringement, any such damages due to Grantor, net of costs and reasonable attorneys' fees, to be applied to the Secured Obligations; (o) Grantor will maintain, with responsible insurance companies, insurance covering the Collateral against such insurable losses as is required by the Credit Agreement and as is consistent with sound business practice, and will cause Secured Party to be designated as an additional insured and loss payee with respect to all insurance (whether or not required by the Credit Agreement), will obtain the written agreement of the insurers that such insurance shall not be cancelled, terminated or materially modified to the detriment of Secured Party without at least 30 days' prior written notice to Secured Party, and will furnish copies of such insurance policies or certificates to Secured Party promptly upon request therefor and will otherwise comply with the terms and provisions of the Credit Agreement with respect to such insurance coverage; (p) Grantor will promptly notify Secured Party in writing in the event of any substantial or material damage to the Collateral (considered as a whole) from any source whatsoever, and, except for the disposition of collections and other proceeds of the Collateral permitted by Section 7 hereof, Grantor will not remove or permit to be removed any part of the Collateral from their places of business without the prior written consent of Secured Party, except for such items of the Collateral as are removed in the ordinary course of business or in connection with any transaction or disposition otherwise permitted by the Loan Documents; and (q) in the event Grantor changes its name or its address as either are set forth herein or in the Credit Agreement, Grantor will notify Secured Party of such name and/or address change promptly, but in any event, within thirty (30) days.

5. Deposit Accounts. For each deposit account included in the Collateral that Grantor at any time opens or maintains, Grantor shall, at Administrative Agent's request and

option, cause the depository bank to agree to comply at any time with instructions from Administrative Agent to such depository bank directing the disposition of funds from time to time credited to such deposit account, without further consent of Grantor, pursuant to an agreement (a "Control Account Agreement") in form and substance acceptable to Administrative Agent. Administrative Agent agrees with Grantor that Administrative Agent shall not give any such instructions or withhold any withdrawal rights from Grantor, unless an Event of Default has occurred and is continuing, or, after giving effect to any withdrawal would occur, and agrees that notice thereof by Administrative Agent shall be given within one Banking Day thereafter to Grantor. The preceding sentences of this Section 5 shall not apply to any deposit account for which Grantor, the depository bank and Administrative Agent have entered into a cash collateral agreement specially negotiated among Grantor, the depository bank and Administrative Agent for the specific purpose set forth therein. Without limitation on the foregoing, Administrative Agent shall also have the right at any time, whether or not an Event of Default shall have occurred or be continuing, to make inquiry of each applicable depository institution at which a deposit account is maintained to verify the account balance of such deposit account.

6. Secured Party's Rights Re Collateral. At any time (whether or not an Event of Default has occurred), without notice or demand and at the expense of Grantor, Secured Party may, to the extent it may be necessary or desirable to protect the security hereunder, but Secured Party shall not be obligated to: (a) at all reasonable times on reasonable notice, enter upon any premises on which Collateral is situated and examine the same or (b) perform any obligation of Grantor under this Agreement or any obligation of any other Person under the Loan Documents. At any time and from time to time, at the expense of Grantor, Secured Party may, to the extent it may be necessary or desirable to protect the security hereunder, but Secured Party shall not be obligated to: (i) notify obligors on the Collateral that the Collateral has been assigned to Secured Party; and (ii) at any time and from time to time request from obligors on the Collateral, in the name of Grantor or in the name of Secured Party, information concerning the Collateral and the amounts owing thereon. The foregoing power of attorney is coupled with an interest and is irrevocable. Grantor shall maintain books and records pertaining to the Collateral in such detail, form and scope as Secured Party shall reasonably require consistent with Secured Party's interests hereunder. Grantor shall at any time at Secured Party's request mark the Collateral and/or Grantor's ledger cards, books of account and other records relating to the Collateral with appropriate notations satisfactory to Secured Party disclosing that they are subject to Secured Party's security interests. Secured Party shall at all reasonable times on reasonable notice have full access to and the right to audit any and all of Grantor's books and records pertaining to the Collateral, and to confirm and verify the value of the Collateral and to do whatever else Secured Party reasonably may deem necessary or desirable to protect its interests; provided, however, that any such action which involves communicating with customers of Grantor shall be carried out by Secured Party through Grantor's independent auditors unless Secured Party shall then have the right directly to notify obligors on the Collateral as provided in Section 10. Secured Party shall be under no duty or obligation whatsoever to take any action to preserve any rights of or against any prior or other parties in connection with the Collateral, to exercise any voting rights or managerial rights with respect to any Collateral, whether or not an Event of Default shall have occurred, or to make or give any presentments, demands for performance, notices of non-performance, protests, notices of protests, notices of dishonor or notices of any other nature whatsoever in connection with the Collateral or the Secured Obligations. Secured Party shall be under no duty or obligation whatsoever to take any action to

protect or preserve the Collateral or any rights of Grantor therein, or to make collections or enforce payment thereon, or to participate in any foreclosure or other proceeding in connection therewith.

7. Collections on the Collateral. Except as otherwise provided in any Loan Document, Grantor shall have the right to use and to continue to make collections on and receive dividends and other proceeds of all of the Collateral in the ordinary course of business so long as no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, at the option of Secured Party, Grantor's right to make collections on and receive dividends and other proceeds of the Collateral and to use or dispose of such collections and proceeds shall terminate, and any and all dividends, proceeds and collections, including all partial or total prepayments, then held or thereafter received on or on account of the Collateral will be held or received by Grantor in trust for Secured Party and immediately delivered in kind to Administrative Agent on behalf of Secured Party. Any remittance received by Grantor from any Person shall be presumed to relate to the Collateral and to be subject to Secured Party's security interests. Upon the occurrence and during the continuance of an Event of Default, Secured Party shall have the right at all times to receive, receipt for, endorse, assign, deposit and deliver, in the name of Secured Party or in the name of Grantor, any and all checks, notes, drafts and other instruments for the payment of money constituting proceeds of or otherwise relating to the Collateral; and Grantor hereby authorizes Secured Party to affix, by facsimile signature or otherwise, the general or special endorsement of it, in such manner as Secured Party shall deem advisable, to any such instrument in the event the same has been delivered to or obtained by Secured Party without appropriate endorsement, and Secured Party and any collecting bank are hereby authorized to consider such endorsement to be a sufficient, valid and effective endorsement by Grantor, to the same extent as though it were manually executed by the duly authorized officer of Grantor, regardless of by whom or under what circumstances or by what authority such facsimile signature or other endorsement actually is affixed, without duty of inquiry or responsibility as to such matters, and Grantor hereby expressly waives demand, presentment, protest and notice of protest or dishonor and all other notices of every kind and nature with respect to any such instrument.

8. Possession of Collateral by Secured Party. All the Collateral now, heretofore or hereafter delivered to Secured Party shall be held by Administrative Agent on behalf of Secured Party in Administrative Agent's possession, custody and control. Any or all of the Collateral delivered to Secured Party may be held in an interest-bearing or non-interest-bearing account, in Secured Party's sole and absolute discretion, and Secured Party may, in its discretion, apply any such interest to payment of the Secured Obligations. Nothing herein shall obligate Secured Party to invest any Collateral or obtain any particular return thereon. Upon the occurrence and during the continuance of an Event of Default, whenever any of the Collateral is in Secured Party's possession, custody or control, Secured Party may use, operate and consume the Collateral, whether for the purpose of preserving and/or protecting the Collateral, or for the purpose of performing any of Grantor's obligations with respect thereto, or otherwise. Secured Party may at any time deliver or redeliver the Collateral or any part thereof to Grantor, and the receipt of any of the same by Grantor shall be complete and full acquittance for the Collateral so delivered, and Secured Party thereafter shall be discharged from any liability or responsibility therefor. So long as Secured Party exercises reasonable care with respect to any Collateral in its possession, custody or control, Secured Party shall have no liability for any loss of or damage to

such Collateral, and in no event shall Secured Party have liability for any diminution in value of Collateral occasioned by economic or market conditions or events. Secured Party shall be deemed to have exercised reasonable care within the meaning of the preceding sentence if the Collateral in the possession, custody or control of Secured Party is accorded treatment substantially equal to that which Secured Party accords its own property, it being understood that Secured Party shall not have any responsibility for (a) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Collateral, whether or not Secured Party has or is deemed to have knowledge of such matters, or (b) taking any necessary steps to preserve rights against any Person with respect to any Collateral.

9. Events of Default. There shall be an Event of Default hereunder upon the occurrence and during the continuance of an Event of Default under the Credit Agreement.

10. Rights Upon Event of Default. Upon the occurrence and during the continuance of an Event of Default, Secured Party shall have, in any jurisdiction where enforcement hereof is sought, in addition to all other rights and remedies that Secured Party may have under applicable Law or in equity or under this Agreement (including, without limitation, all rights set forth in Section 6 hereof) or under any other Loan Document, all rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction, and, in addition, the following rights and remedies, all of which may be exercised with or without notice to Grantor and without affecting the Obligations of Grantor hereunder or under any other Loan Document, or the enforceability of the Liens and security interests created hereby: (a) to foreclose the Liens and security interests created hereunder or under any other agreement relating to any Collateral by any available judicial procedure or without judicial process; (b) to enter any premises where any Collateral may be located for the purpose of securing, protecting, inventorying, appraising, inspecting, repairing, preserving, storing, preparing, processing, taking possession of or removing the same; (c) to sell, assign, lease or otherwise dispose of any Collateral or any part thereof, either at public or private sale or at any broker's board, in lot or in bulk, for cash, on credit or otherwise, with or without representations or warranties and upon such terms as shall be acceptable to Secured Party; (d) to notify obligors on the Collateral that the Collateral has been assigned to Secured Party and that all payments thereon are to be made directly and exclusively to Secured Party; (e) to collect by legal proceedings or otherwise all dividends, distributions, interest, principal or other sums now or hereafter payable upon or on account of the Collateral; (f) to cause the Collateral to be registered in the name of Secured Party, as legal owner; (g) to enter into any extension, reorganization, deposit, merger or consolidation agreement, or any other agreement relating to or affecting the Collateral, and in connection therewith Secured Party may deposit or surrender control of the Collateral and/or accept other Property in exchange for the Collateral; (h) to settle, compromise or release, on terms acceptable to Secured Party, in whole or in part, any amounts owing on the Collateral and/or any disputes with respect thereto; (i) to extend the time of payment, make allowances and adjustments and issue credits in connection with the Collateral in the name of Secured Party or in the name of Grantor; (j) to enforce payment and prosecute any action or proceeding with respect to any or all of the Collateral and take or bring, in the name of Secured Party or in the name of Grantor, any and all steps, actions, suits or proceedings deemed by Secured Party necessary or desirable to effect collection of or to realize upon the Collateral, including any judicial or nonjudicial foreclosure thereof or thereon, and Grantor specifically consents to any nonjudicial foreclosure of any or all of the Collateral or any other action taken by

Secured Party which may release any Obligor from personal liability on any of the Collateral, and Grantor waives any right not expressly provided for in this Agreement to receive notice of any public or private judicial or nonjudicial sale or foreclosure of any security or any of the Collateral; and any money or other property received by Secured Party in exchange for or on account of the Collateral, whether representing collections or proceeds of Collateral, and whether resulting from voluntary payments or foreclosure proceedings or other legal action taken by Secured Party or Grantor may be applied by Secured Party without notice to Grantor to the Secured Obligations in such order and manner as Secured Party in its sole discretion shall determine; (k) to insure, process and preserve the Collateral; (l) to exercise all rights, remedies, powers or privileges provided under any of the Loan Documents; (m) to remove, from any premises where the same may be located, the Collateral and any and all documents, instruments, files and records, and any receptacles and cabinets containing the same, relating to the Collateral, and Secured Party may, at the cost and expense of Grantor, use such of its supplies, equipment, facilities and space at its places of business as may be necessary or appropriate to properly administer, process, store, control, prepare for sale or disposition and/or sell or dispose of the portion of the Collateral owned by Grantor or to properly administer and control the handling of collections and realizations thereon, and Secured Party shall be deemed to have a rent-free tenancy of any premises of Grantor for such purposes and for such periods of time as reasonably required by Secured Party; (n) to receive, open and dispose of all mail addressed to Grantor and notify postal authorities to change the address for delivery thereof to such address as Secured Party may designate; provided that Secured Party agrees that it will promptly deliver over to Grantor such opened mail as does not relate to the Collateral; and (o) to exercise all other rights, powers, privileges and remedies of an owner of the Collateral; all at Secured Party's sole option and as Secured Party in its sole discretion may deem advisable. Grantor will, at Secured Party's request, assemble the Collateral and make it available to Secured Party at places which Secured Party may reasonably designate, whether at the premises of Grantor or elsewhere, and will make available to Secured Party, free of cost, all premises, equipment and facilities of Grantor for the purpose of Secured Party's taking possession of the Collateral or storing same or removing or putting the Collateral in salable form or selling or disposing of same.

Upon the occurrence and during the continuance of an Event of Default, Secured Party also shall have the right, without notice or demand, either in person, by agent or by a receiver to be appointed by a court (and Grantor hereby expressly consents upon the occurrence and during the continuance of an Event of Default to the appointment of such a receiver), and without regard to the adequacy of any security for the Secured Obligations, to take possession of the Collateral or any part thereof and to collect and receive the rents, issues, profits, income and proceeds thereof. Taking possession of the Collateral shall not cure or waive any Event of Default or notice thereof or invalidate any act done pursuant to such notice. The rights, remedies and powers of any receiver appointed by a court shall be as ordered by said court.

Any public or private sale or other disposition of the Collateral may be held at any office of Administrative Agent, or at Grantor's places of business, or at any other place permitted by applicable Law, and without the necessity of the Collateral's being within the view of prospective purchasers. Secured Party may direct the order and manner of sale of the Collateral, or portions thereof, as it in its sole and absolute discretion may determine, and Grantor expressly waives any right to direct the order and manner of sale of any Collateral. Secured Party or any Person on Secured Party's behalf may bid and purchase at any such sale or other disposition.

The net cash proceeds resulting from the collection, liquidation, sale, lease or other disposition of the Collateral shall be applied, first, to the expenses (including reasonable attorneys' fees and disbursements) of retaking, holding, storing, processing and preparing for sale or lease, selling, leasing, collecting, liquidating and the like, and then to the satisfaction of the Secured Obligations in such order as shall be determined by Secured Party in its sole and absolute discretion. Grantor and any other Person then obligated therefor shall pay to Secured Party on demand any deficiency with regard thereto which may remain after such sale, disposition, collection or liquidation of the Collateral.

Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Secured Party will send or otherwise make available to Grantor, reasonable notice of the time and place of any public sale thereof or of the time on or after which any private sale thereof is to be made. The requirement of sending reasonable notice conclusively shall be met if such notice is mailed, first class mail, postage prepaid, to Grantor at its address set forth in the Credit Agreement, or delivered or otherwise sent to Grantor, at least ten (10) days before the date of the sale. Grantor expressly waives any right to receive notice of any public or private sale of any Collateral or other security for the Secured Obligations except as expressly provided for in this paragraph.

With respect to any Collateral consisting of securities, partnership interests, joint venture interests, Investments or the like, and whether or not any of such Collateral has been effectively registered under the Securities Act of 1933, as amended, or other applicable Laws, Secured Party may, in its sole and absolute discretion, sell all or any part of such Collateral at private sale in such manner and under such circumstances as Secured Party may deem necessary or advisable in order that the sale may be lawfully conducted. Without limiting the foregoing, Secured Party may (i) approach and negotiate with a limited number of potential purchasers, and (ii) restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing such Collateral for their own account for investment and not with a view to the distribution or resale thereof. In the event that any such Collateral is sold at private sale, Grantor agrees that if such Collateral is sold for a price which Secured Party in good faith believes to be reasonable under the circumstances then existing, then (a) the sale shall be deemed to be commercially reasonable in all respects, (b) Grantor shall not be entitled to a credit against the Secured Obligations in an amount in excess of the purchase price, and (c) Secured Party shall not incur any liability or responsibility to Grantor in connection therewith, notwithstanding the possibility that a substantially higher price might have been realized at a public sale. Grantor recognizes that a ready market may not exist for such Collateral if it is not regularly traded on a recognized securities exchange, and that a sale by Secured Party of any such Collateral for an amount substantially less than a pro rata share of the fair market value of the issuer's assets minus liabilities may be commercially reasonable in view of the difficulties that may be encountered in attempting to sell a large amount of such Collateral or Collateral that is privately traded.

Upon the occurrence and during the continuance of an Event of Default, Secured Party may use any of the Trademarks for the sale of goods, completion of work in process, or rendering of services in connection with enforcing any security interest granted to Secured Party by Grantor. Secured Party may grant such license or licenses relating to the Trademark Collateral for such term or terms, on such conditions and in such manner, as Secured Party shall,

in its sole discretion, deem appropriate. Such license or licenses may be general, special, or otherwise, and may be granted on an exclusive or nonexclusive basis throughout all or part of the United States of America, its territories and possessions, and all foreign countries. In connection with any such license or any sale or other disposition of the Trademark Collateral (or any part thereof), Grantor shall supply to Secured Party, or Secured Party's designee, Grantor's knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and Grantor's customer lists and other records relating to the Trademarks and the distribution thereof.

Upon consummation of any sale of Collateral hereunder, Secured Party shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the Collateral so sold absolutely free from any claim or right upon the part of Grantor or any other Person, and Grantor hereby waives (to the extent permitted by applicable Laws) all rights of redemption, stay and appraisal which it now has or may at any time in the future have under any rule of Law or statute now existing or hereafter enacted. If the sale of all or any part of the Collateral is made on credit or for future delivery, Secured Party shall not be required to apply any portion of the sale price to the Secured Obligations until such amount actually is received by Secured Party, and any Collateral so sold may be retained by Secured Party until the sale price is paid in full by the purchaser or purchasers thereof. Secured Party shall not incur any liability in case any such purchaser or purchasers shall fail to pay for the Collateral so sold, and, in case of any such failure, the Collateral may be sold again.

11. Voting Rights; Dividends; etc. With respect to any Collateral consisting of securities, partnership interests, joint venture interests, Investments or the like (referred to collectively and individually in this Section 11 and in Section 12 as the "Investment Collateral"), so long as no Default or Event of Default occurs and remains continuing:

11.1 Voting Rights. Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Investment Collateral, or any part thereof, for any purpose not inconsistent with the terms of this Agreement, the Credit Agreement, or the other Loan Documents; provided, however, that Grantor shall not exercise, or shall refrain from exercising, any such right if it would result in a Default or an Event of Default.

11.2 Dividend and Distribution Rights. Except as otherwise provided in any Loan Document, Grantor shall be entitled to receive and to retain and use any and all dividends or distributions (other than any distribution representing a return of capital, redemption or liquidation payment, sale or other disposition proceeds or other similar payment) paid in respect of the Investment Collateral; provided, however, that, any and all such dividends or distributions received in the form of capital stock, or other equity interests, certificated securities, warrants, options or rights to acquire capital stock or other equity interests or certificated securities forthwith shall be, and the certificates representing such capital stock or other equity interests or certificated securities, if any, forthwith shall be delivered to Administrative Agent (on behalf of Secured Party) to hold as pledged Collateral and shall, if received by Grantor, be received in trust for the benefit of Secured Party, be segregated from the other Property of Grantor, and forthwith be delivered to Administrative Agent (on behalf of Secured Party) as pledged Collateral in the same form as so received (with any necessary endorsements in suitable form for transfer by

delivery or accompanied by executed and undated instruments of transfer or assignment in blank, all in form and substance satisfactory to Secured Party).

12. Rights During Event of Default. With respect to any Investment Collateral, so long as an Event of Default has occurred and is continuing:

12.1 Voting, Dividend, and Distribution Rights. At the option of Secured Party, all rights of Grantor to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant to Section 11.1 above, and to receive the dividends and distributions which they would otherwise be authorized to receive and retain pursuant to Section 11.2 above, shall cease, and all such rights thereupon shall become vested in Secured Party which thereupon shall have the sole right to exercise such voting and other consensual rights and to receive and to hold as pledged Collateral such dividends and distributions.

12.2 Dividends and Distributions Held in Trust. All dividends and other distributions which are received by Grantor contrary to the provisions of this Agreement shall be received in trust for the benefit of Secured Party, shall be segregated from other funds of Grantor, and forthwith shall be paid over to Administrative Agent (on behalf of Secured Party) as pledged Collateral in the same form as so received (with any necessary endorsements).

12.3 Irrevocable Proxy. Grantor does hereby revoke all previous proxies with regard to the Investment Collateral and appoints Administrative Agent for the benefit of Secured Party as its proxyholder to attend and vote at any and all meetings of the shareholders or other equity holders of the Persons that issued the Investment Collateral and any adjournments thereof, held on or after the date of the giving of this proxy and prior to the termination of this proxy, and to execute any and all written consents of shareholders or other equity holders of such Persons executed on or after the date of the giving of this proxy and prior to the termination of this proxy, with the same effect as if Grantor had personally attended the meetings or had personally voted its shares or other interests or had personally signed the written consents; provided, however, that the proxyholder shall have rights hereunder only upon the occurrence and during the continuance of a Default or Event of Default. Grantor hereby authorizes Administrative Agent to substitute another Person as the proxyholder and, upon the occurrence and during the continuance of any Event of Default, hereby authorizes the proxyholder to file this proxy and any substitution instrument with the secretary or other appropriate official of the appropriate Person. This proxy is coupled with an interest and is irrevocable until such time as all Secured Obligations have been paid and performed in full and no part of the Revolving Commitments remain outstanding.

13. Attorney-in-Fact. Grantor hereby irrevocably nominates and appoints Secured Party as its attorney-in-fact for the following purposes (a) to do all acts and things which Secured Party may deem necessary or advisable to perfect and continue perfected the security interests created by this Agreement and, upon the occurrence and during the continuance of an Event of Default, to preserve, process, develop, maintain and protect the Collateral; (b) upon the occurrence and during the continuance of an Event of Default, to do any and every act which Grantor is obligated to do under this Agreement, at the expense of Grantor and without any obligation to do so; (c) to prepare, sign, file and/or record, for Grantor, in the name of Grantor, any financing statement, application for registration, or like paper, and to take any other action deemed by Secured Party necessary or desirable in order to perfect or maintain perfected the

security interests granted hereby; and (d) upon the occurrence and during the continuance of an Event of Default, to execute any and all papers and instruments and do all other things necessary or desirable to preserve and protect the Collateral and to protect Secured Party's security interests therein; provided, however, that Secured Party shall be under no obligation whatsoever to take any of the foregoing actions, and if Secured Party so acts, it shall have no liability or responsibility for any such action taken with respect thereto. The foregoing power of attorney is coupled with an interest and is irrevocable.

14. Costs and Expenses. Grantor agrees to pay to Secured Party all costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements) incurred by Secured Party in the enforcement or attempted enforcement of this Agreement (including in connection with any workout, restructuring, bankruptcy, insolvency or other similar proceeding), whether or not an action is filed in connection therewith, and in connection with any waiver, supplementation, extension, renewal or amendment of any term or provision hereof. All advances, charges, costs and expenses, including reasonable attorneys' fees and disbursements, incurred or paid by Secured Party in exercising any right, privilege, power or remedy conferred by this Agreement (including, without limitation, the right to perform any Secured Obligation of Grantor under the Loan Documents), or in the enforcement or attempted enforcement thereof (including in connection with any workout, restructuring, bankruptcy, insolvency or other similar proceeding), shall be secured hereby and shall become a part of the Secured Obligations and shall be paid to Secured Party by Grantor, immediately upon demand, together with interest thereon at the rate(s) provided for under the Credit Agreement.

15. Statute of Limitations and Other Laws. Until the Secured Obligations shall have been paid and performed in full, the power of sale and all other rights, privileges, powers and remedies granted to Secured Party hereunder shall continue to exist and may be exercised by Secured Party at any time and from time to time irrespective of the fact that any of the Secured Obligations may have become barred by any statute of limitations. Grantor expressly waives the benefit of any and all statutes of limitation, and any and all Laws providing for exemption of property from execution or for valuation and appraisal upon foreclosure, to the maximum extent permitted by applicable Law.

16. Other Agreements. Nothing herein shall in any way modify or limit the effect of terms or conditions set forth in any other security or other agreement executed by Grantor or in connection with the Secured Obligations, but each and every term and condition hereof shall be in addition thereto. All provisions contained in the Credit Agreement or any other Loan Document that apply to Loan Documents generally are fully applicable to this Agreement and are incorporated herein by this reference as though set forth herein in full.

17. Waivers and Consents. Grantor acknowledges that the Liens created or granted herein will or may secure Obligations of Persons other than Grantor and, in full recognition of that fact, Grantor consents and agrees that Secured Party may, at any time and from time to time, without notice or demand, and without affecting the enforceability or security hereof: (a) supplement, modify, amend, extend, renew, accelerate or otherwise change the time for payment or the terms of the Secured Obligations or any part thereof, including any increase or decrease of the rate(s) of interest thereon; (b) supplement, modify, amend or waive, or enter into or give any agreement, approval or consent with respect to, the Secured Obligations or any

part thereof, or any of the Loan Documents or any additional security or guaranties, or any condition, covenant, default, remedy, right, representation or term thereof or thereunder; (c) accept new or additional instruments, documents or agreements in exchange for or relative to any of the Loan Documents or the Secured Obligations or any part thereof; (d) accept partial payments on the Secured Obligations; (e) receive and hold additional security or guaranties for the Secured Obligations or any part thereof; (f) release, reconvey, terminate, waive, abandon, fail to perfect, subordinate, exchange, substitute, transfer and/or enforce any security or guaranties, and apply any security and direct the order or manner of sale thereof as Secured Party in its sole and absolute discretion may determine; (g) release any Person from any personal liability with respect to the Secured Obligations or any part thereof; (h) settle, release on terms satisfactory to Secured Party or by operation of applicable Laws or otherwise liquidate or enforce any Secured Obligations and any security or guaranty in any manner, consent to the transfer of any security and bid and purchase at any sale; and/or (i) consent to the merger, change or any other restructuring or termination of the corporate or other existence of Grantor or any other Person, and correspondingly restructure the Secured Obligations, and any such merger, change, restructuring or termination shall not affect the liability of Grantor or the continuing existence of any Lien hereunder, under any other Loan Document to which Grantor is a party or the enforceability hereof or thereof with respect to all or any part of the Secured Obligations.

Upon the occurrence and during the continuance of any Event of Default, Secured Party may enforce this Agreement independently of any other remedy or security Secured Party at any time may have or hold in connection with the Secured Obligations, and it shall not be necessary for Secured Party to marshal assets in favor of Grantor or any other Person or to proceed upon or against and/or exhaust any other security or remedy before proceeding to enforce this Agreement. Grantor expressly waives any right to require Secured Party to marshal assets in favor of Grantor or any other Person or to proceed against any other Obligor or any Collateral provided by any other Obligor, and agrees that Secured Party may proceed against the Obligors and/or the Collateral in such order as it shall determine in its sole and absolute discretion. Secured Party may file a separate action or actions against Grantor, whether or not action is brought or prosecuted with respect to any other security or against any other Grantor or any other Person, or whether or not any other Person is joined in any such action or actions. Grantor agrees that Secured Party and any other Obligor and any Affiliate of any other Obligor may deal with each other in connection with the Secured Obligations or otherwise, or alter any contracts or agreements now or hereafter existing between any of them, in any manner whatsoever, all without in any way altering or affecting the validity of, or the lien or security interest granted or created by, this Agreement. Secured Party's rights hereunder shall be reinstated and revived, and the enforceability of this Agreement shall continue, with respect to any amount at any time paid on account of the Secured Obligations which thereafter shall be required to be restored or returned by Secured Party upon the bankruptcy, insolvency or reorganization of any Obligor or otherwise (and whether by litigation, settlement, demand or otherwise), all as though such amount had not been paid. Grantor agrees that the Liens created or granted herein and the enforceability of this Agreement at all times shall remain effective to secure the full amount of all the Secured Obligations even though the Secured Obligations, including any part thereof or any other security or guaranty therefor, may be or hereafter may become invalid or otherwise unenforceable as against any other Obligor and whether or not any other Obligor shall have any personal liability with respect thereto. Grantor expressly waives any and all defenses now or hereafter arising or asserted by reason of (a) any disability or other

defense of any other Obligor with respect to the Secured Obligations, (b) the unenforceability or invalidity of any security or guaranty for the Secured Obligations or the lack of perfection or continuing perfection or failure or subordination of priority of any security for the Secured Obligations, (c) the cessation for any cause whatsoever of the liability of any other Obligor (other than by reason of the full payment and performance of all Secured Obligations), (d) any failure of Secured Party to marshal assets in favor of Grantor or any other Person, (e) except as otherwise provided in this Agreement, any failure of Secured Party to give notice of sale or other disposition of Collateral to Grantor or any other Person or any defect in any notice that may be given in connection with any sale or disposition of Collateral, (f) except as otherwise provided in this Agreement, any failure of Secured Party to comply with applicable Laws in connection with the sale or other disposition of any Collateral or other security for any Secured Obligation, including, without limitation, any failure of Secured Party to conduct a commercially reasonable sale or other disposition of any Collateral or other security for any Secured Obligation, (g) any act or omission of Secured Party or others that directly or indirectly results in or aids the discharge or release of any other Obligor or the Secured Obligations or any other security or guaranty therefor by operation of Law or otherwise, (h) any Law which provides that the obligation of a surety or guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal or which reduces a surety's or guarantor's obligation in proportion to the principal obligation, (i) any failure of Secured Party to file or enforce a claim in any bankruptcy or other proceeding with respect to any Person, (j) the election by Secured Party, in any bankruptcy proceeding of any Person, of the application or non-application of Section 1111(b)(2) of the United States Bankruptcy Code, (k) any extension of credit or the grant of any Lien under Section 364 of the United States Bankruptcy Code, (l) any use of cash collateral under Section 363 of the United States Bankruptcy Code, (m) any agreement or stipulation with respect to the provision of adequate protection in any bankruptcy proceeding of any Person, (n) the avoidance of any Lien in favor of Secured Party for any reason, (o) any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against any Person, including any discharge of, or bar or stay against collecting, all or any of the Secured Obligations (or any interest thereon) in or as a result of any such proceeding, (p) to the extent permitted, the benefits of any form of one-action rule under any applicable Law, or (q) any action taken by Secured Party that is authorized by this Section 17 or any other provision of any Loan Document. Until no part of the Revolving Commitments remain outstanding and all of the Secured Obligations have been paid and performed in full, Grantor shall not have any right of subrogation, contribution, reimbursement or indemnity, and Grantor expressly waives any right to enforce any remedy that Secured Party now has or hereafter may have against any other Person and waives the benefit of, or any right to participate in, any Collateral now or hereafter held by Secured Party. Grantor waives all rights and defenses arising out of an election of remedies by Secured Party, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for the Obligations has destroyed Grantor's rights of subrogation and reimbursement against the principal by the operation of Section 580d of the California Code of Civil Procedure or otherwise. Grantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Secured Obligations, and all notices of acceptance of this Agreement or of the existence, creation or incurring of new or additional Secured Obligations.

18. Condition of Subsidiaries and Other Obligors. Grantor represents and warrants to Secured Party that Grantor has established adequate means of obtaining from its Subsidiaries, and the other Obligors, on a continuing basis, financial and other information pertaining to the businesses, operations and condition (financial and otherwise) of its Subsidiaries, and the other Obligors, and their Properties, and Grantor now is and hereafter will be completely familiar with the businesses, operations and condition (financial and otherwise) of its Subsidiaries, and the other Obligors, and their Properties. Grantor hereby expressly waives and relinquishes any duty on the part of Secured Party (should any such duty exist) to disclose to Grantor any matter, fact or thing related to the businesses, operations or condition (financial or otherwise) of its Subsidiaries, or any other Obligor, or their Properties, whether now known or hereafter known by Secured Party during the life of this Agreement. With respect to any of the Secured Obligations, Secured Party need not inquire into the powers of any of Grantor's Subsidiaries, or any other Obligor, or the officers or employees acting or purporting to act on their behalf, and all Secured Obligations made or created in good faith reliance upon the professed exercise of such powers shall be secured hereby.

19. Liens on Real Property. In the event that all or any part of the Secured Obligations at any time are secured by any one or more deeds of trust or mortgages or other instruments creating or granting Liens on any interests in real Property, Grantor authorizes Secured Party, upon the occurrence of and during the continuance of any Event of Default, at its sole option, without notice or demand and without affecting any Obligations of Grantor, the enforceability of this Agreement, or the validity or enforceability of any Liens of Secured Party on any Collateral, to foreclose any or all of such deeds of trust or mortgages or other instruments by judicial or nonjudicial sale. Grantor expressly waives any defenses to the enforcement of this Agreement or any Liens created or granted hereby or to the recovery by Secured Party against any guarantor, any Obligor or any other Person liable therefor of any deficiency after a judicial or nonjudicial foreclosure or sale, even though such a foreclosure or sale may impair the subrogation rights of Grantor and may preclude Grantor from obtaining reimbursement or contribution from any other Person. Grantor expressly waives any defenses or benefits that may be derived from California Code of Civil Procedure §§ 580a, 580b, 580d or 726, or comparable provisions of the Laws of any other jurisdiction, including, without limitation any and all other suretyship defenses it otherwise might or would have under California Law or other applicable Law. Grantor expressly waives any right to receive notice of any judicial or nonjudicial foreclosure or sale of any real Property or interest therein subject to any such deeds of trust or mortgages or other instruments and Grantor's failure to receive any such notice shall not impair or affect Grantor's Obligations or the enforceability of this Agreement or any Liens created or granted hereby.

20. Waiver of Rights of Subrogation. Notwithstanding anything to the contrary elsewhere contained herein or in any other Loan Document to which Grantor is a Party, Grantor hereby waives with respect to the other Obligors and their successors and assigns (including any surety) and any other Person, any and all rights at Law or in equity to subrogation, to reimbursement, to exoneration, to indemnity, to contribution, to setoff or to any other rights that could accrue to a surety against a principal, to a guarantor against a maker or obligor, to an accommodation party against the party accommodated, or to a holder or transferee against a maker and which Grantor may have or hereafter acquire against any other Obligor or any other Person in connection with or as a result of Grantor's execution, delivery and/or

performance of this Agreement or any other Loan Document to which Grantor is a Party. Grantor agrees that it shall not have or assert any such rights against any other Obligor or its successors and assigns or any other Person (including any surety) which is directly or indirectly a creditor of any other Obligor or any surety for any other Obligor, either directly or as an attempted setoff to any action commenced against Grantor by any other Obligor (as borrower or in any other capacity) or any other Person. Grantor hereby acknowledges and agrees that this waiver is intended to benefit the other Obligors and Secured Party and shall not limit or otherwise affect Grantor's liability hereunder, under any other Loan Document to which Grantor is a Party, or the enforceability hereof or thereof.

21. Waiver of Discharge. Without limiting the generality of the foregoing, Grantor hereby waives discharge by waiving all defenses based on suretyship or impairment of collateral.

22. Understandings with Respect to Waivers and Consents. Grantor warrants and agrees that each of the waivers and consents set forth herein is made after consultation with legal counsel and with full knowledge of its significance and consequences, with the understanding that events giving rise to any defense or right waived may diminish, destroy or otherwise adversely affect rights which Grantor otherwise may have against Secured Party or others, or against Collateral, and that, under the circumstances, the waivers and consents herein given are reasonable and not contrary to public policy or Law. If any of the waivers or consents herein are determined to be contrary to any applicable Law or public policy, such waivers and consents shall be effective to the maximum extent permitted by Law.

23. Continuing Effect. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against Grantor for liquidation or reorganization, should Grantor become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable Law, rescinded or reduced in amount, or must otherwise be restored or returned by Administrative Agent or any Secured Party, whether as a "voidable preference," "fraudulent conveyance," or otherwise (and whether by litigation, settlement, demand or otherwise), all as though such payment or performance had not been made. In the event that any payment or any part thereof is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

24. Release of Grantor. This Agreement and all Obligations of Grantor hereunder shall be released when all Secured Obligations have been paid in full in cash or otherwise performed in full and when no portion of the Revolving Commitments remain outstanding. Upon such satisfaction of Grantor's Obligations hereunder, Secured Party shall return any pledged Collateral to Grantor, or to the Person or Persons legally entitled thereto, and shall endorse, execute, deliver, record and file all instruments and documents, and do all other acts and things, reasonably required for the return of the Collateral to Grantor, or to the Person or Persons legally entitled thereto, and to evidence or document the release of Secured Party's

interests arising under this Agreement, all as reasonably requested by, and at the sole expense of, Grantor.

25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same agreement.

26. Additional Powers and Authorization. Administrative Agent has been appointed as Administrative Agent hereunder pursuant to the Credit Agreement and shall be entitled to the benefits of the Credit Agreement and the other Loan Documents. Notwithstanding anything contained herein to the contrary, Administrative Agent may employ agents, trustees, or attorneys-in-fact and may vest any of them with any Property (including, without limitation, any Collateral pledged hereunder), title, right or power deemed necessary for the purposes of such appointment.

27. GOVERNING LAW. THIS AGREEMENT SHALL GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF CALIFORNIA APPLICABLE TO CONTRACTS MADE AND PERFORMED IN CALIFORNIA.

28. WAIVER OF JURY TRIAL. AS SET FORTH IN THE APPLICABLE ADR AGREEMENT, GRANTOR WAIVES ITS RIGHT TO A TRIAL BY JURY AND AGREES TO HAVE ANY DISPUTE BETWEEN IT, ON THE ONE HAND, AND THE ADMINISTRATIVE AGENT OR ANY SECURED PARTY, ON THE OTHER HAND, RESOLVED PURSUANT TO THE TERMS OF THE APPLICABLE ADR AGREEMENT.
