## TRADEMARK ASSIGNMENT

This Assignment is made on this 5th day of October, 2007 (the "Trademark Assignment") between NATIONAL TRADE PRODUCTIONS, INC., a Virginia corporation with a principal place of business located at 313 South Patrick Street, Alexandria, VA 22314 ("Assignor"), and 101COMMUNICATIONS LLC, a Delaware limited liability company with a principal place of business at 9121 Oakdale Avenue, Chatsworth, CA 91311 ("Assignee"). Capitalized terms used and not otherwise defined shall have the meanings ascribed to them in the Asset Purchase Agreement (as defined below).

WHEREAS, by an Asset Purchase Agreement, dated as of the date hereof by and between Assignor and Assignee (the "Asset Purchase Agreement"), Assignor has sold all of its right, title and interest in and to the Purchased Assets to Assignee, and in connection therewith, Assignor has agreed to assign and Assignee has agreed to acquire, all of Assignor's right, title and interest in and to the Marks, including but not limited to the Marks set forth on Exhibit A hereto, and all applications and registrations thereto and all common law rights associated therewith, together with all goodwill arising from the use of and symbolized by said Marks (the "Trademarks"); and

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby assign, sell, transfer and convey to Assignee, its successors and assigns, all of Assignor's right, title, and interest in and to the Trademarks throughout the worlds, including all applications therefore and all goodwill pertaining thereto, and all rights to sue and to collect all damages and payments for claims of past or future infringements or misappropriations thereof.

This Trademark Assignment does not extend upon or limit the rights, obligations, representations, warranties and indemnifications provided in the Asset Purchase Agreement. Notwithstanding anything to the contrary set forth herein, if there is any conflict between the terms and conditions of this Trademark Assignment and the terms and conditions of the Asset Purchase Agreement, the terms and conditions of the Asset Purchase Agreement shall control.

Assignor hereby agrees to execute upon the request of Assignee, at Assignee's expense, such additional documents as are necessary to register and otherwise give full effect to and to perfect the rights of Assignee under this Trademark Assignment in and to the Trademarks, including, without limitation, all documents necessary to record the assignment of the Trademarks with the United States Patent & Trademark Office and, with respect to any equivalent foreign rights, with any other appropriate foreign or international office or registrar, and reasonably assist, at Assignee's expense, in any proceedings relating to Assignee's right, title, interest and benefit in and to the Trademarks.

This Trademark Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

This Trademark Assignment shall be governed by, construed and enforced in accordance with the laws of the State of Delaware (without application of principles of conflicts of law).

This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
