CONFIRMATORY TRADEMARK ASSIGNMENT

This CONFIRMATORY TRADEMARK ASSIGNMENT (this "Assignment") is effective as of May 14, 2009 ("Effective Date") and is by and between ISCO International, Inc., a Delaware corporation ("Assignor"), and ISCO International, LLC, a Delaware limited liability company ("Assignee").

Pursuant to a UCC sale of assets in connection with agreements between Assignor and its lenders Alexander Finance, LP and Manchester Securities Corporation, Assignor and Assignee wish to memorialize the assignment of the assets identified below to Assignee.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably sells, assigns, transfers and sets over to Assignee and its successors, assigns and legal representatives, Assignor's entire right, title and interest, both legal and equitable, throughout the world, in and to the trademarks listed on the attached Schedule A ("Trademarks") together with the goodwill of the business symbolized thereby, for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made. This Assignment includes the right to prosecute applications and maintain registrations for the Trademarks and all rights of Assignor to sue for and retain past, present, and future damages and seek other remedies for past or future infringement of the Trademarks that Assignor may have been able to assert against other parties regarding the foregoing before or after the Effective Date.

The Assignor shall execute such further documents, and take such other actions, as may be reasonably necessary to transfer and convey the Trademarks to Assignee on the terms contained herein and to otherwise comply with the terms and conditions of the agreement relating hereto and to consummate the transactions therein provided.

The parties execute this Assignment in one or more counterparts, each of which shall be deemed an original but all of which taken together constitute one and the same instrument.
