TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT ("Agreement"), dated November 20, 2009, is made by Small Bone Innovations, Inc., a Delaware corporation located at 505 Park Avenue, 14th Floor, New York, NY 10022 ("Assignor") in favor of Fortress Credit Corp., a Delaware corporation, located at 1345 Avenue of the Americas, 46th floor, New York, NY 10105, as Administrative Agent for certain lenders (in such capacity, together with any permitted successors and assigns, "Assignee"). Capitalized terms used in this Agreement and not defined herein have the meanings set forth for such terms in the Security Agreement (as hereinafter defined).

WHEREAS, Assignor is the applicant or registrant for the trademarks and service marks listed on the annexed Schedule 1A hereto, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the "Trademarks");

WHEREAS, the Assignor has entered into a Security Agreement, dated as of November 20, 2009, among Assignor and the other grantors signatory thereto, and Assignee (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, as collateral security for all of the Obligations, Assignor has hypothecated and granted to Assignor, for the benefit of the Administrative Agent and the Lenders (as such terms are defined in the Security Agreement) a continuing security interest in the Trademarks, together with, among other things, the goodwill of the business symbolized by and associated with the Trademarks and the applications and registrations thereof, and all proceeds thereof (the "Collateral");

NOW, THEREFORE, in consideration of the premises and agreements made herein and in the Security Agreement, the Parties agree as follows:

As collateral security for all of the Obligations, Assignor hereby grants to the Assignee, for the benefit of the Administrative Agent and the Lenders, a continuing security interest in the Collateral, and Assignee hereby accepts such assignment from Assignor.

Assignor does hereby further acknowledge and affirm that the rights and remedies of the Assignee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

In the event of an irreconcilable conflict between this Agreement and the Security Agreement, the Security Agreement shall govern.

This Agreement shall be governed by, and construed in accordance with, the law of the state of New York applicable to contracts made and to be performed in the state of New York, except as required by mandatory provisions of law and except to the extent that the perfection and the effect of perfection or non-perfection of the security interest created hereby, or remedies hereunder, in respect of any particular Collateral are governed by the law of a jurisdiction other than the State of New York.
