ASSET PURCHASE AGREEMENT

THIS ASSET PURCHASE AGREEMENT (this "Agreement") is made this October 1, 2009, by and between Wintriss Controls Group, LLC, a Delaware limited liability company ("Purchaser"), and Honeywell International Inc., a Delaware corporation ("Honeywell" or "Seller").

WHEREAS, upon the terms and subject to the conditions contained in this Agreement, Purchaser desires to acquire from Honeywell the Purchased Assets and assume the Assumed Liabilities, and Honeywell desires to sell and assign to Purchaser the Purchased Assets and Assumed Liabilities.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

ARTICLE I PURCHASE AND SALE OF ASSETS; ASSUMPTION OF LIABILITIES

1.1 Purchase and Sale of Assets.

(a) Subject to the terms and conditions of this Agreement, at the Closing (as defined below), in exchange for a payment by Purchaser to Honeywell of the Purchase Price and Purchaser's assumption of the Assumed Liabilities, Honeywell shall sell, assign, transfer, convey and deliver, or cause to be sold, assigned, transferred, conveyed and delivered, to Purchaser all of Honeywell's and its Affiliates' right, title and interest in and under all assets of every kind and description exclusively used or held for use by Honeywell and its Affiliates in the Business as of the Closing Date, including the Assigned Intellectual Property set forth on Schedule I and accounts receivable of the Business, but excluding the Retained Assets (collectively, the "Purchased Assets").

(b) Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign any Purchased Asset or any right thereunder if an attempted assignment, without the consent of a third party, would constitute a breach or in any way adversely affect the rights of Purchaser or Seller thereunder. If such consent is not obtained, Seller and Purchaser will cooperate in a mutually agreeable arrangement under which Purchaser would obtain the benefits and assume the obligations thereunder in accordance with this Agreement.

1.2 Retained Assets. The "Retained Assets" shall consist of all of Honeywell's and its Subsidiaries' rights, title and interest in all assets of every kind and

TO:ASHOK BHIDE COMPANY:100 DISCOVERY WAY

(e) all rights in and benefits arising from claims and litigation that relate to Retained Assets or Retained Liabilities;

(f) all rights of Honeywell and its Affiliates under this Agreement and Seller's corporate charter or formation documents, minute and stock record books, and corporate seal and tax returns.

(g) all insurance policies and rights thereunder, including any insurance proceeds covering any portion of any Retained Liabilities;

(h) any rights of Honeywell or its Affiliates to reimbursements, indemnification, hold-harmless or similar rights relating to (i) the acquisition or conduct by Honeywell of the Business or (ii) any Retained Liabilities;

(i) all Intellectual Property other than the Assigned Intellectual Property;

(b) all accounts payable of the Business, except to the extent exceeding \$500,000;

(c) employee vacation Liabilities related to the Employees and all other Liabilities specifically assumed pursuant to Section 5.6; and

(d) all Liabilities of Seller as of the Closing Date for performance after the Closing Date under any Contract included within the Purchased Assets.

1.4 Retained Liabilities. Except for the Assumed Liabilities, all other Liabilities and obligations of Seller and its Affiliates (collectively, the "Retained Liabilities") shall be retained by Seller and its Affiliates and shall not be assumed or discharged by Purchaser. By way of example and not limitation, the Retained Liabilities shall include the following:

1.5 Purchase Price. The purchase price to be paid for the Purchased Assets acquired by Purchaser pursuant to this Agreement shall be \$400,000 dollars in cash (the "Initial Purchase Price"), plus the amounts payable to Honeywell in accordance with the Note (the "Purchase Price"). TO:ASHOK BHIDE COMPANY:100 DISCOVERY WAY

Purchaser to Honeywell, on the date hereof immediately after execution and delivery of this Agreement, in cash immediately available funds by wire transfer to the account previously designated by Honeywell to Purchaser, which amount shall constitute a non-refundable deposit in respect of payment for the Business (the "Deposit"). At the Closing, Purchaser shall (i) deliver the Initial Purchase Price, less the Deposit, to Honeywell by wire transfer of immediately available funds pursuant to the wire transfer instructions provided by Honeywell no later than three (3) days prior to the Closing Date and (ii) assume the Assumed Liabilities.

ARTICLE II CLOSING; CLOSING DELIVERIES

2.1 Closing Date. 2.3 Allocation of Purchase Price. The Purchase Price (which for this purpose shall include those Assumed Liabilities that constitute liabilities for federal income tax purposes) shall be allocated among the Purchased Assets in the manner required by section 1060 of the Code as shown on an allocation schedule to be prepared by Purchaser as soon as practicable after the Closing Date. Purchaser shall provide Seller with such allocation schedule and Purchaser shall make such revisions or changes to such schedule as shall be reasonably requested by Seller and approved by Purchaser, each acting in good faith. In the event Purchaser and Seller are unable to agree on the allocation of the Purchase Price in such manner, then each shall be free to do its own allocation of the Purchase Price. In the event Purchaser and Seller do agree on the allocation of the Purchase Price, then such allocation shall be binding on them for federal, state, local and other tax reporting purposes, including filings on Internal Revenue Service Form 8594, and that neither of them will assert or maintain a position inconsistent with the foregoing.

(c) To the knowledge of Honeywell, except as otherwise disclosed in this Agreement or the Disclosure Schedule, the Assigned Intellectual Property is free of any Encumbrances except for Encumbrances that would not have a Business Material Adverse Effect.

(d) To the Knowledge of Honeywell, the conduct of the Business does not infringe or otherwise misappropriate the valid and enforceable Intellectual Property of any third Person, except where such infringement or misappropriation would not have a Business Material Adverse Effect.

There are no claims, actions, suits, investigations or proceedings pending or, to the Knowledge of Purchaser, threatened against Purchaser or any of its Affiliates or any of their respective properties before any Governmental Authority except as would not have a Purchaser Material Adverse Effect.

4.5 Sufficient Funds. The Purchaser has sufficient funds to enable it to pay the Initial Purchase Price at the Closing as contemplated herein. Immediately following the Closing after giving effect to the transactions contemplated hereby, the Purchaser will be Solvent. As used herein, "Solvent" means with respect to any Person on a particular date, that on such date (a) the fair value of the property of such Person is greater than the total amount of liabilities, including, contingent liabilities, of such Person, (b) the present fair salable value of the assets of such Person is not less than the amount that will be required to pay the probable liability of such Person on its debts as they become absolute and matured, (c) such Person does not intend to, and does not believe that it will, incur debts or liabilities beyond such Person's ability to pay such debts and liabilities as they mature and (d) such Person is not engaged in business or a transaction, and is not about to engage in business or a transaction, for which such Person's property would constitute an unreasonably small capital. The amount of contingent liabilities at any time shall be computed as the amount that, in the light of all the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability.

4.6 No Reliance.

(a) Purchaser is an informed and sophisticated purchaser and has engaged expert advisors who are experienced in the evaluation and purchase of the Purchased Assets, and has had such access to the personnel and properties of Honeywell (but only in so far as it relates to the Business) as it deems necessary and appropriate to make such evaluation and purchase.

(b) Purchaser acknowledges that it has conducted, to its satisfaction, an independent investigation and has agreed to purchase the Purchased Assets based on its own inspection, examination and determination with respect to all matters and without reliance upon any representations, warranties, communications or disclosures of any nature other than those expressly set forth in Article III of this Agreement.

(c) Without limiting the generality of the foregoing, Purchaser, in entering into this Agreement, is relying solely on the representations and warranties set forth in this Agreement and, except as expressly set forth in Article III of this Agreement (as modified by the Disclosure Schedules), Honeywell does not make any representation or warranty, express or implied, with respect to, and Purchaser expressly disclaims any reliance on, (i) any information included in the Confidential Information Memorandum dated February 25, 2009 related to the Business or other matters; (ii) any information, written or oral and in any form provided, made available to it or any of its agents, advisors, employees or representatives in "data rooms" (including on-line data rooms), management presentations, functional "break-out" discussions, oral or written responses to questions submitted on behalf of it or in any other communications between it or any of its agents, advisors, employees or representatives, on the one hand, and Honeywell or any of its agents, advisors, employees or representatives, on the other hand, with respect to the Business or other related matters, whether in expectation of the transactions contemplated by this Agreement or otherwise; (iii) any projections, estimates or budgets delivered to or made available to it or any of its agents, advisors, employees or representatives, or which are made available to it or any of its agents, advisors, employees or representatives after the date hereof, of future revenues, expenses or expenditures, future results of operations (or any component thereof), future cash flows or the future financial condition (or any component thereof) of the Business; or (v) the probable success or profitability of the ownership, use or operation of the Business by Purchaser after the Closing.

4.7 Finder's Fee. Purchaser has not done anything to cause Honeywell or its Subsidiaries, or their respective stockholders, option holders, directors, officers or Affiliates to incur any liability to any party for any brokerage or finder's fee or agent's commission, or the like, in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Purchaser.

4.8 Disclaimer of Other Representations and Warranties. Except as expressly set forth in this Article IV, Purchaser made no representation or warranty, express or implied, at law or in equity, with respect to Purchaser, its Subsidiaries, its businesses or financial

condition or any of its assets, liabilities or operations or any other matter, and any such other representations or warranties are hereby expressly disclaimed.

ARTICLE V COVENANTS

5.1 Confidentiality; Access to Information. Purchaser acknowledges that the information being Made Available to it by Honeywell and its Subsidiaries (or their respective agents or representatives) is subject to the terms of a confidentiality agreement dated February 24, 2009 between Purchaser and Honeywell (the "Confidentiality Agreement"), the terms of which are incorporated herein by reference. Effective upon, and only upon, the Closing, the Confidentiality Agreement will terminate except with respect to the non-solicitation provisions set forth therein relating to employees of Honeywell or its Affiliates other than employees of the Business; *provided* that Purchaser hereby acknowledges its confidentiality obligations in the Confidentiality Agreement will terminate only with respect to information relating to the Business; and that Purchaser acknowledges that any and all other information provided or Made Available to it by Honeywell and its Subsidiaries (or their respective agents or representatives) concerning Honeywell and its Subsidiaries will remain subject to the terms and conditions of the Confidentiality Agreement after the Closing.

5.2 Publicity. Honeywell shall not, and shall not permit its Subsidiaries to, and Purchaser shall not, and shall not permit its Subsidiaries to, issue any press release or public announcement (including any announcement disclosing the identity of the members or interstholders in the Purchaser or their respective Affiliates) concerning this Agreement or the transactions contemplated hereby without obtaining the prior written approval of the other parties hereto, which approval will not be unreasonably withheld or delayed, unless, in the reasonable judgment of Honeywell or Purchaser, disclosure is otherwise required by applicable Law or by the applicable rules of, or listing agreement with, any stock exchange on which Honeywell or Purchaser lists its securities; *provided* that, to the extent required by applicable Law or by the rules of, or listing agreement with, any stock exchange, the party intending to make such release or announcement shall use its reasonable best efforts consistent with such applicable Law to consult with the other party with respect to the text thereof and, *provided further*, that no party shall be required to obtain consent pursuant to this Section 5.2 to the extent any proposed release or announcement includes information that has previously been made public without breach of the obligations under this Section 5.2.

5.3 Books and Records.

(a) Honeywell will use reasonable best efforts to deliver or cause to be delivered to Purchaser at Closing all properties, books, records, Contracts, information and documents in its' or its' Affiliates' possession relating exclusively to the Business and will provide true and correct copies of all other such information and documents which relate in any respect to the Business. As soon as is reasonably practicable after the Closing, Honeywell will deliver or cause to be delivered to Purchaser any remaining properties, books, records, Contracts,

TO:ASHOK BHIDE COMPANY:100 DISCOVERY WAY

information and documents relating exclusively to the Business that are not already in the possession or control of the Purchaser.

(b) Honeywell and Purchaser agree that each of them will preserve and keep the books of accounts, financial and other records held by it relating to the Business (including accountants' work papers) for a period of seven (7) years from the Closing Date in accordance with their respective corporate records retention policies; *provided that* prior to disposing of any such records in accordance with such policies (if such records would be disposed of prior to the tenth anniversary of the Closing Date), the applicable party shall provide written notice to the other party of its intent to dispose of such records and shall provide such other party the opportunity to take ownership and possession of such records (at such other party's sole expense) to the extent they relate to such other party's business or obligations within 30 days after such notice is delivered. If such other party does not confirm its intention in writing to take ownership and possession of such records within such 30-day period, the party who possesses the records may proceed with the disposition of such records. Honeywell and Purchaser shall make such records, other information relating to the Business, employees and auditors available to the other as may be reasonably required by such party (i) in connection with, among other things, any audit or investigation of, insurance claims by, legal proceedings against, dispute involving or governmental investigations of Honeywell or Purchaser or any of their respective Affiliates (including the defense of the claims set forth on Section 3.5 of the Disclosure Schedule), (ii) in order to enable Honeywell or Purchaser to comply with their respective obligations under this Agreement and each other agreement, document or instrument contemplated hereby or thereby or (iii) for any other reasonable business purpose relating to Honeywell, Purchaser or any of their respective Affiliates.

5.4 Further Action.

(a) Honeywell and Purchaser shall use their respective reasonable best efforts to take, or cause to be taken, all actions (within their respective Control) necessary or appropriate to consummate the transactions contemplated by this Agreement; *provided that* nothing in any Transaction Document shall obligate either party to incur any Liability (including any Liability for any transfer, consent or similar fee) in connection with obtaining any consent, approval or authorization required under any Contract, Permit or other instrument of the Business as a result of the transactions contemplated by this Agreement or any Transaction Document or required to maintain any such Contract, Permit or other instrument in full force and effect after Closing. Without limiting the generality of the foregoing, from time to time after the Closing Date, and for no further consideration, each of Honeywell and Purchaser shall, and shall cause their respective Subsidiaries to, execute, acknowledge and deliver such assignments, transfers, consents, assumptions and other documents and instruments and take such other actions as may reasonably be necessary to appropriately consummate the transactions contemplated hereby (including the transfer and assignment of the Assigned Intellectual Property), including (i) transferring back to Honeywell or its designated Subsidiaries any asset or Liability not contemplated by this Agreement to be transferred to Purchaser and which was inadvertently so transferred at the Closing, (ii) transferring to Purchaser any asset or Liability contemplated by this Agreement to be transferred to Purchaser and which was not so transferred

TO:ASHOK BHIDE COMPANY:100 DISCOVERY WAY

at Closing, and (iii) remitting promptly to Honeywell or Purchaser, as the case may be, any cash amounts actually received for accounts receivable of the Business generated prior to the Closing Date, in the case of Honeywell, or on or after the Closing Date, in the case of Purchaser. Honeywell and Purchaser each agree that they shall not take any action, or willfully omit to take any action, between the date hereof and the Closing Date that would render any of the representations and warranties made by such Person in Article III or Article IV inaccurate in any respect. Honeywell further agrees that it shall operate the Business in the ordinary course of its business, consistent with past practice, between the Closing and the Effective Time.

(b) With respect to the Long Term Supply Agreement, dated November 12, 2007 between Honeywell International Inc., acting by and through its Honeywell Process Solutions business unit, and Welco Technology (Suzhou) Limited (the "Welco Contract"), which is a Retained Asset, Honeywell agrees that it shall use reasonable efforts in assisting Purchaser to enter into a supply agreement with Welco Technology (Suzhou) Limited for the products historically supplied to the Business under the Welco Contract (the "Welco Products"). Until the earlier of (i) the date on which Purchaser enters into such a supply agreement and (ii) six months after the Closing Date, Honeywell shall, to the extent permitted under the Welco Contract and in accordance with the terms thereof, source Welco Products on behalf of Purchaser in accordance with the terms of the Transition Services Agreement, it being understood that Honeywell shall have no liability whatsoever for any failure or delay in delivery of Welco Products to Purchaser, any failure of any Welco Products to comply with any product specification provided by Purchaser, the condition of or defect in any Welco Product or any infringement of any Intellectual Property right of any party by, or any other liability arising out of or in connection with, any Welco Product. Honeywell shall have no Liability for any Loss arising from the sourcing of Welco Products on behalf of Purchaser, except with respect to direct damages arising out of Honeywell's willful misconduct or gross negligence in performing its obligations under the Transition Services Agreement with respect to such sourcing.

5.5 Expenses. Except as expressly set forth herein, whether or not the transactions contemplated hereby are consummated, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party hereto incurring such expenses. All transfer, documentary, sales, use, stamp, registration and other similar Taxes and fees (including any penalties and interest) incurred in connection with this Agreement ("Transfer Taxes"), shall be borne by the party legally responsible for them under applicable Law, and such party shall file all necessary Tax Returns and other documentation with respect to all Transfer Taxes.

5.6 Employees and Employee Benefit Plans.

(a) This Section 5.6 contains the covenants and agreements of the parties hereto with respect to the employment status of and provision of employee benefits to the employees of Honeywell providing certain services to the Business on the Closing Date and listed on Section 5.6 of the Disclosure Schedule (collectively, the "Employees"). Nothing

TO:ASHOK BHIDE COMPANY:100 DISCOVERY WAY

herein expressed or implied confers upon any Employee any rights or remedies of any nature or kind whatsoever under or by reason of this Section 5.6.

(b) Effective as of the Closing Date, Purchaser shall offer employment to all Employees listed on Schedule 5.6. For those Employees receiving long-term disability benefits, and identified as such on Schedule 5.6, Purchaser shall offer employment to each such Employee to the extent he recovers from his disability and presents himself to Purchaser for active employment within six months of the Closing Date. Terms of employment continuation for each Employee shall (a) be at the same work location (or not more than 10 miles from the current work location) for a period of at least 12 months following the Closing Date and (b) as of the Closing Date, provide medical, dental, life insurance, disability, flexible spending account and retirement benefits (with the exception that a defined benefit plan will not be required to be offered) that are not materially less favorable in the aggregate than (x) those provided to such Employees by Honeywell immediately prior to the Closing Date or (y) in the case of benefits provided pursuant to the Transition Services Agreement, those provided to such Employees by Honeywell on January 1, 2010. Purchaser shall credit, or shall cause a Subsidiary to credit, each Employee's service with Honeywell and Honeywell's Affiliates for all purposes, including eligibility, participation and vesting. Nothing in this Agreement shall, or shall be construed to, limit the ability of the Purchaser to terminate the employment of any Employee at any time after the Closing Date.

(c) With respect to any Employee whose employment is involuntarily terminated by Purchaser during the six (6)-month period beginning on the Closing Date (including, but not limited to, the termination of an Employee because he refuses to accept a work relocation that is greater than fifty (50) miles from his work location as of the Closing Date), Purchaser shall provide a severance benefit (consisting of notice pay and salary continuation) that shall be no less than the severance benefit that such Employee would have received under the terms of Honeywell's severance plan, as applicable, in effect on the Closing Date, calculated as though the Employee worked continuously (by combining such Employee's service both for Honeywell and the Purchaser) until his termination date with the Purchaser.

(d) Each initial welfare benefit plan sponsored by Purchaser for the benefit of the Employees shall, where applicable, (i) waive any pre-existing condition limitation or exclusion or any actively-at-work requirement; and (ii) credit all payments made by Employees for healthcare expenses under similar welfare benefit plans sponsored by Honeywell during the current plan year for purposes of deductibles, co-payments and maximum out-of-pocket limits, it being understood that nothing herein shall limit Purchaser's ability to change Employee benefits after the end of the first coverage period for benefits that commences after the last date such benefits are provided by Honeywell under the Transition Services Agreement. As of the end of the Transition Services Agreement with respect to benefit services, Purchaser shall establish flexible spending account arrangements that are comparable to those provided by Honeywell and shall recognize any elections Employees have made for the 2010 calendar year. As soon as possible after the end of the Transition Services Agreement with respect to benefit services, Honeywell shall transfer to Purchaser an amount in cash equal to the net balance of the

TO: ASHOK BHIDE COMPANY: 100 DISCOVERY WAY

flexible spending accounts (current year payroll deductions less claims processed) maintained by Honeywell under a Plan on behalf of each participating Employee. Purchaser shall accept claims for reimbursement for qualified expenses incurred on or after the date of any such Employee's participation in such account(s) during the current calendar year, to the extent not reimbursed by Honeywell prior to the end of the Transition Services Agreement with respect to benefit services; *provided* that Honeywell shall provide to Purchaser all records, elections and account information held by Honeywell that Purchaser may require to process such claims. To the extent the net balance of the flexible spending accounts as of the end of the Transition Services Agreement with respect to benefit services is negative (i.e., current year claims processed exceeds payroll deductions taken), Purchaser will transfer funds to Honeywell to cover such excess claims as soon as practicable after the end of the Transition Services Agreement with respect to benefit services.

(e) As of the Closing Date, the Employee shall cease to be eligible to participate in the Honeywell Savings and Ownership Plan and instead become eligible to participate under the Purchaser's 401(k) savings plan. Purchaser shall consider an Employee's service with Honeywell towards any eligibility, vesting, participation, or matching requirements in the Purchaser's 401(k) savings plan.

(f) Purchaser shall assume all Liabilities and obligations of Honeywell relating to accrued wages, accrued vacation, accrued sick leave, and accrued mid-cycle short-term incentive compensation awards which includes bonus and sales incentives as of the Closing Date with respect to Employees.

(g) Purchaser shall indemnify Honeywell and its Affiliates against all Losses arising out of or in connection with (A) the employment of the Employees with Purchaser or its Affiliates or the termination of such employment after the Closing Date; or (B) any claim by an Employee in connection with such Employee's employment with Purchaser or its Affiliates (whether in contract or in tort or under statute for any remedy including for breach of contract, unfair dismissal, redundancy, statutory redundancy, equal pay, sex, race or disability discrimination, unlawful deductions from wages or for breach of statutory duty or of any nature).

(h) Honeywell shall be solely responsible for providing continuing benefits or coverage for any participant or any beneficiary of a participant of any Plan that as of the Closing Date is subject to the requirements of Code Section 4980B or Section 601 (et seq.) of ERISA, or mandated by other applicable law, including state law.

5.7 Non-Solicitation of Employees; Non-Competition.

(a) Honeywell agrees that from the Closing Date through the fifth anniversary of the Closing Date, without the prior written consent of Purchaser, it will not, directly or indirectly, solicit any employee of the Business (other than clerical or non-salaried employees); *provided* the foregoing shall not prohibit Honeywell from (a) engaging in the

TO:ASHOK BHIDE COMPANY:100 DISCOVERY WAY

general solicitation (whether by newspaper, trade publication or other periodical or pursuant to the use of an executive search consultant) of employees so long as such solicitation is not directed specifically at employees of the Business, or (b) soliciting any such employee (other than clerical or non-salaried employees) who has not been employed by Purchaser during the three-month period preceding such solicitation.

(b) For a period of five (5) years from the Closing Date, Honeywell agrees that it will not, and each will cause its Subsidiaries not to, directly or indirectly, whether as principal, agent, partner, officer, director, stockholder, employee, consultant or otherwise, alone or in association with any other Person, own, manage, operate, control, participate in, acquire more than 10% of (or the right to acquire more than 10% of) any class of voting securities of, perform services for, or otherwise carry on or engage in the business of manufacturing or selling press automation controls, safeguarding controls or production reporting solutions that, in each case, would compete against those offered by the Business as of the Closing Date, and which are intended for use in the metal stamping industry in North America (a "Competing Business"); provided that nothing in this Section 5.7(b) shall be deemed to limit in any way (i) the activities of Honeywell or its Subsidiaries with respect to component elements of any of the items included within the definition of a Competing Business, (ii) the manufacture or sale by Honeywell or its Subsidiaries of any parts or products to the extent such parts or products are sourced from a third party and incorporated into products manufactured or sold by businesses operated by Honeywell Affiliates or manufactured for internal use by Honeywell Affiliates or (iii) the Honeywell's business of manufacturing and selling safety light curtains operated out of its Grenoble, France site as conducted as of the Closing Date, and such activities and business shall be excluded from the definition of Competing Business for all purposes related to this Agreement. The restrictions set forth in this Section 5.7(b) shall not be construed to prohibit or restrict (A) Honeywell or any of its controlled Affiliates from acquiring any Person or business that engages in any Competing Business provided that (i) such activities do not constitute the principal activities of the Person or business to be acquired (based on the sales of such business during the preceding four (4) full calendar quarters) and (ii) if the Competing Business constitutes in excess of 10% of the revenues of the Person or business acquired, Honeywell will use its reasonable best efforts to divest that portion of such Person or business that engages in the Competing Business within 12 months after its acquisition of the Competing Business or (B) purchases of the securities of any Person by Honeywell's pension trust or its representatives or agents, or by any similar benefit plan investment vehicle of Honeywell or its affiliates, provided that any such purchases shall be for investment only, in the ordinary course of business.

(c) Notwithstanding anything to the contrary in this Agreement, the prohibitions in Section 5.7(b) shall not apply to (i) any Person to whom any businesses or operations of Honeywell or any of its Subsidiaries are transferred (other than to another Subsidiary of Honeywell) after the Closing Date, or to such businesses or operations or (ii) any Subsidiary of Honeywell the stock of which is transferred directly or indirectly to any Person (other than to another Subsidiary of Honeywell) after the Closing Date, or to such Person.

5.8 Business Confidential Information.

(a) Honeywell acknowledges and agrees that the books, records, data and other documents and confidential information concerning the Business and/or the products, services, customer development information (including customer and prospect lists), sales activities and procedures, promotional and marketing techniques, pricing, plans and strategies, financing, development and expansion plans and credit and financial data concerning customers and suppliers and other information of or relating exclusively to the Business are considered by Purchaser to be confidential, and are valuable assets of the Business, access to and knowledge of which are essential to preserve the goodwill, customer relationships and ongoing business relationships of the Business for the benefit of Purchaser. Honeywell further agrees that all knowledge and information described in the preceding sentence that is not in the public domain (unless such knowledge and information is in the public domain as a result of a breach of this or any other confidentiality agreement by Honeywell or any of its Affiliates) shall be considered confidential information (collectively, the "Business Confidential Information"). For the avoidance of doubt, the term Business Confidential Information shall not include information that (i) does not relate exclusively to the Business, (ii) becomes available to Honeywell or any of its Affiliates on a non-confidential basis from a source other than the Purchaser, *provided that*, to Honeywell's Knowledge or the knowledge of any of its Affiliates, such source is not bound by a confidentiality agreement with or similar obligation to the Purchaser (or any of its Subsidiaries) with respect to such information, (iii) is independently developed by Honeywell or any of its Affiliates under circumstances not involving a breach of this Section 5.8, or (iv) is publicly disclosed pursuant to a lawful requirement or request from a Governmental Authority acting within its jurisdiction, or non-confidential disclosure is otherwise required by Law.

(b) Honeywell hereby agrees that following the Closing Date it shall hold, and shall cause its Affiliates to hold, as applicable, the Business Confidential Information in confidence and not use or disclose or cause or permit to be used or disclosed any of the Business Confidential Information for any reason or purpose whatsoever, except and to the extent any disclosure of Business Confidential Information is required by Law or appropriate court order and sufficient advance written notice thereof, if practicable, is provided to Purchaser to permit Purchaser to seek a protective order or other appropriate remedy. The provisions of this Section 5.8 shall expire on the third anniversary of the Closing.

5.9 Seller's Marks. Except as expressly set forth herein, Purchaser, each of its Affiliates and its and their respective directors, officers, successors, assigns, agents, or representatives shall not register, or attempt to register, and shall not directly or indirectly use, in any fashion, including in signage, corporate letterhead, business cards, internet websites, marketing material and the like, or seek to register, in connection with any products or services anywhere in the world in any medium, any Intellectual Property that includes, is identical to or is confusingly similar to, any of the trademarks, service marks, domain names, trade names or other indicia of origin characterized as a Retained Asset including the HONEYWELL mark and all related and derivative marks (collectively, "Seller's Marks"), nor shall any of them challenge or assist any third party in opposing the rights of Honeywell anywhere in the world in any such

TO:ASHOK BHIDE COMPANY:100 DISCOVERY WAY

Intellectual Property. Subject to the restrictions set forth herein, Honeywell hereby grants to Purchaser effective as of the Closing Date, a personal, nonexclusive, royalty-free license for twelve (12) months after the Closing Date, (i) to use the Seller's Marks on signage, marketing materials and other materials, in each case included in the Purchased Assets as of the Closing Date and (ii) to use the Seller's Marks in tools, dies and molds acquired by Purchaser hereunder which carry one or more of the Seller's Marks to be cast, struck or molded into inventory, and in the inventory resulting from such use. Purchaser shall in any event phase out such use of such tools, dies and molds as soon as is reasonably practicable, and, in particular, shall if practicable remove the cast for such marks from each such tool, die or mold on the first occasion after the Closing Date when such tool, die or mold is refurbished. Such limited license shall terminate twelve (12) months after the Closing Date regardless of whether or not inventory branded with Seller's Marks remains in inventory of Purchaser and regardless of whether any tool, die or mold has been refurbished. All use of Seller's Marks as permitted hereunder shall inure to the benefit of Honeywell. For the avoidance of doubt, Purchaser may not use Seller's Marks on any materials not in existence as of the Closing Date and can only use Seller's Marks in connection with materials that are a part of the Purchased Assets.

5.10 Bulk Sales Laws. Honeywell and Purchaser each hereby waive compliance by Honeywell with the provisions of the "bulk sales", "bulk transfer" or similar Laws of any state.

ARTICLE VI SURVIVAL; INDEMNIFICATION

6.1 Survival of Representations, Warranties and Agreements. The representations and warranties of the parties contained in Articles III and IV shall, subject to the proviso to this sentence, terminate on the date that is 18 months after the Closing Date. All covenants and agreements contained herein which by their terms contemplate actions or impose obligations following the Closing shall survive the Closing and remain in full force and effect in accordance with their terms. The period of time a representation or warranty or covenant or agreement survives the Closing pursuant to this Section 6.1 shall be the "Survival Period" with respect to such representation or warranty or covenant or agreement. In the event notice of any claim for indemnification under this Article VI shall have been given within the applicable Survival Period and such claim has not been finally resolved by the expiration of such Survival Period, the representations or warranties or covenants or agreements that are the subject of such claim shall survive, but only to the extent of and in the amount of the claim as made prior to the expiration of the Survival Period, until such claim is finally resolved.

6.2 Indemnification. Subject to the terms, conditions and limitations set forth in this Article VI, from and after the Closing Date:

(a) Honeywell shall indemnify and hold harmless Purchaser and its Affiliates and each of their respective officers, directors, members, partners, managers and employees (collectively, the "Purchaser Indemnified Parties") from and against any Losses that are imposed on or incurred by the Purchaser Indemnified Parties arising out of (i) any breach

TO:ASHOK BHIDE COMPANY:100 DISCOVERY WAY

of any representation or warranty made by Honeywell in Article III, as modified by the Disclosure Schedule, (ii) any failure to perform any covenant or agreement of Honeywell set forth in this Agreement which by its terms contemplates actions or imposes obligations following the Closing or (iii) the Retained Liabilities.

(b) Purchaser shall indemnify and hold harmless Honeywell and its Affiliates and each of their respective officers, directors, members, partners, managers and employees (collectively, the "Seller Indemnified Parties") from and against any Losses that are imposed on or incurred by Seller Indemnified Parties arising out of (i) any breach of any representation or warranty made by Purchaser in Article IV, (ii) any failure to perform any covenant or agreement of Purchaser set forth in this Agreement which by its terms contemplates actions or impose obligations following the Closing or (iii) the Assumed Liabilities.

6.3 Indemnification Procedures.

(a) In order for a party (the "Indemnified Party") to be entitled to any indemnification provided for under this Article VI in respect of a claim made against the Indemnified Party by any Person who is not a party to this Agreement (a "Third-Party Claim"), such Indemnified Party must notify the indemnifying party hereunder (the "Indemnifying Party") in writing of the Third-Party Claim promptly following receipt by such Indemnified Party of notice of the Third-Party Claim; *provided* that failure to give such notification shall not affect the indemnification provided hereunder except to the extent the Indemnifying Party shall have been actually prejudiced as a result of such failure. Thereafter, the Indemnified Party shall deliver to the Indemnifying Party, promptly following the Indemnified Party's receipt thereof, copies of all notices and documents (including court papers) received by the Indemnified Party relating to the Third-Party Claim, other than those notices and documents separately addressed to the Indemnifying Party.

(b) The Indemnifying Party will have the right to defend against, negotiate, settle or otherwise deal with any Third-Party Claim which relates to any Losses indemnifiable hereunder and to select counsel of its choice. If the Indemnifying Party is not entitled to as a result of the previous sentence, or does not within 30 days of its receipt of notice of a Third-Party Claim pursuant to Section 6.3(a) elect to defend against or negotiate any Third-Party Claim which relates to any Losses indemnifiable hereunder, the applicable Indemnified Party may defend against, negotiate, settle or otherwise deal with such Third-Party Claim. If the Indemnifying Party assumes the defense of any Third-Party Claim, the applicable Indemnified Party may participate, at its own expense, in the defense of such Third-Party Claim; *provided* that such applicable Indemnified Party will be entitled to participate in any such defense with separate counsel at the expense of the Indemnifying Party if (i) so requested by the Indemnifying Party to participate or (ii) in the reasonable opinion of counsel to the applicable Indemnified Party, a conflict or potential conflict exists between the applicable Indemnified Party and the Indemnifying Party that would make such separate representation advisable and, *provided further*, that Indemnifying Party will not be required to pay for more than one (1) such counsel for all Indemnified Parties in connection with any Third-Party Claim.

TO:ASHOK BHIDE COMPANY:100 DISCOVERY WAY

(c) If the Indemnifying Party chooses to defend or prosecute a Third-Party Claim, the Indemnified Party shall (and shall cause the applicable Indemnified Parties to) cooperate in the defense or prosecution thereof. If the Indemnifying Party assumes the defense of a Third-Party Claim, the Indemnified Party shall (and shall cause the applicable Purchaser Indemnified Parties or Seller Indemnified Parties, as the case may be, to) agree to any settlement, compromise or discharge of a Third-Party Claim that the Indemnifying Party may recommend that (i) involves only money damages, (ii) by its terms obligates the Indemnifying Party (or its Affiliates) to pay the full amount of the liability in connection with such Third-Party Claim, (iii) does not require any payment or impose any other obligation or restriction on any Indemnified Party, and (iv) releases all Indemnified Parties in connection with such Third-Party Claim, and in all other cases the Indemnifying Party shall not admit any liability with respect to, or settle, compromise or discharge, such Third-Party Claim without the Indemnified Party's prior written consent (which shall not be unreasonably withheld or delayed). If the Indemnifying Party elects not to assume the defense of a Third-Party Claim, the applicable Indemnified Parties shall not admit any liability with respect to, or settle, compromise or discharge, such Third-Party Claim without the Indemnifying Party's prior written consent (which shall not be unreasonably withheld or delayed).

(d) In the event any Indemnified Party should have a claim against any Indemnifying Party under this Article VI that does not involve a Third-Party Claim, the Indemnified Party shall deliver notice of such claim to the Indemnifying Party promptly following the Indemnified Party becoming aware of the same. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any liability that it may have to such Indemnified Party under this Article VI, except to the extent that the Indemnifying Party has been actually prejudiced by such failure.

(e) The Indemnified Party shall take, and shall cause its respective Affiliates to take, all reasonable steps to mitigate or otherwise minimize any Losses that form the basis of a claim for indemnification under this Article VI.

(f) An Indemnifying Party making any indemnification payment under this Article VI shall be subrogated to all rights of the applicable Indemnified Party in respect of any Losses or Taxes indemnified by such party.

(g) For the avoidance of doubt, the Indemnified Party shall notify the Indemnifying Party with respect to any claim as to which indemnification is sought hereunder even though the amount thereof plus the amount of other claims previously notified by the Indemnified Party in aggregate is less than the Threshold Amount.

6.4 Indemnification Limitations.

(a) In no event shall Honeywell be liable for indemnification pursuant to Section 6.2(a)(i) unless and until the aggregate amount of all Losses with respect to Section 6.2(a)(i) that are imposed on or incurred by the Purchaser Indemnified Parties exceeds \$30,000 (the "Threshold Amount"), in which case the Purchaser Indemnified Parties shall be entitled to indemnification for all Losses in excess of the Threshold Amount; *provided that the*

TO:ASHOK BHIDE COMPANY:100 DISCOVERY WAY

limitation set forth in this sentence shall not apply with respect to any claim for indemnification in respect of any breach of Sections 3.1, 3.2 and 3.11 (each, a "Fundamental Representation and Warranty"). Notwithstanding the foregoing, Honeywell shall not (x) be required to make payments for indemnification pursuant to Section 6.2(a)(i) in an aggregate amount in excess of \$200,000 or (y) be liable for indemnification with respect to any Loss by the Purchaser Indemnified Parties of less than \$10,000 (each, a "De Minimis Loss") and all De Minimis Losses shall be disregarded and shall not be aggregated for purposes of the Threshold Amount; *provided that the limitations set forth in clauses (x) and (y) of this sentence shall not apply with respect to any claim for indemnification in respect of any Fundamental Representation and Warranty.* In no event shall Purchaser be liable for indemnification pursuant to Section 6.2(b)(i) unless and until the aggregate amount of all Losses with respect to Section 6.2(b)(i) that are imposed on or incurred by the Seller Indemnified Parties exceeds the Threshold Amount; *provided that the limitation set forth in this sentence shall not apply with respect to any claim for indemnification in respect of Section 4.1 or 4.2.* Purchaser shall not (x) be required to make payments for indemnification pursuant to Section 6.2(b)(i) in an aggregate amount in excess of \$200,000 or (y) be liable for indemnification with respect to any De Minimis Loss and all De Minimis Losses shall be disregarded and shall not be aggregated for purposes of the Threshold Amount; *provided that the limitations set forth in this sentence shall not apply with respect to any claim for indemnification in respect of Section 4.1, 4.2 or 4.7.* For the avoidance of doubt, none of the limitations in this Section 6.4(a) shall apply to or in any way limit Purchaser's right to recover for Losses indemnifiable pursuant to Section 6.2(a)(ii) or Section 6.2(a)(iii) or Honeywell's right to recover for Losses indemnifiable pursuant to Section 6.2(b)(ii) or Section 6.2(b)(iii).

(b) In calculating amounts payable to an Indemnified Party hereunder, the amount of any indemnified Losses shall be determined without duplication of any other Loss for which an indemnification claim has been made under any other representation, warranty, covenant, or agreement and shall be computed net of (i) amounts recoverable by the Indemnified Party under indemnification agreements or arrangements with third parties or under any insurance policy of Honeywell relating to the period prior to the Closing with respect to such Losses (each, a "Collateral Source"), (ii) any actual prior recovery by the Indemnified Party from any Person with respect to such Losses. In the event of any indemnification claim paid, Honeywell may, in its sole discretion, require any Indemnified Party to grant to Honeywell an assignment of the right of such Indemnified Party to assert a claim against any Collateral Source. If the amount to be netted hereunder from any payment required under Article VI is determined after payment of any amount otherwise required to be paid to an Indemnified Party under this Article VI the Indemnified Party shall repay to the Indemnifying Party, promptly after such determination, any amount that the Indemnifying Party would not have had to pay pursuant to this Article VI had such determination been made at the time of such payment.

(c) Notwithstanding anything else contained in this Agreement to the contrary, after the Closing, indemnification pursuant to the provisions of Section 5.6(g) and this Article VI shall be the sole and exclusive remedy of the parties with respect to any and all claims arising out of or in connection with this Agreement and the transactions contemplated hereby, including in respect of any misrepresentation or breach of any warranty, covenant or other provision contained in this Agreement or in any certificate delivered pursuant hereto, except in

the case of fraud. Without limiting the generality or effect of the foregoing, as a material inducement to the other parties hereto entering into this Agreement, Purchaser hereby waives, from and after the Closing, any claim or cause of action, known and unknown, foreseen and unforeseen, which it or any of its Affiliates may have against the other parties hereto, including under the common law or federal or state securities laws, trade regulation laws or other laws (including any relating to Tax, environmental, real estate or employee matters), by reason of this Agreement, the events giving rise to this Agreement and the transactions provided for herein or contemplated hereby or thereby, except for claims or causes of action brought under and subject to the terms and conditions of the provisions contained in this Article VI. All payments made pursuant to this Article VI shall be deemed to be adjustments to the Purchase Price.

(d) The obligations of the Indemnifying Party to provide indemnification under this Article VI shall be terminated, modified or abated as appropriate to the extent that the underlying Loss, cause of action or other claim: (i) would not have arisen but for a voluntary act or failure to act that is carried out by or at the express written request of, or with the express written approval or concurrence of, or with the knowing assistance of, the Indemnified Party, (ii) is based, in whole or in part, on the fraud, bad faith or willful misconduct of the Indemnified Party or any of its Affiliates, (iii) is a Loss, cause of action or claim with respect to which the Indemnified Party or any of its Affiliates has taken action (or caused action to be taken) to accelerate the time period in which such matter is asserted or payable or (iv) is primarily a possible or potential Loss, cause of action or claim that the Indemnified Party believes may be asserted rather than a Loss, cause of action or claim that has, in fact, been filed of record against such Indemnified Party or paid or incurred by such Indemnified Party.

(e) No Indemnified Party shall have a right to recover Losses hereunder in respect of any claim if such claim would not have arisen but for a change after the Closing in legislation or accounting policies or a change after the Closing in interpretation of applicable Law as determined by a court or pursuant to an administration rule making decision.

(f) AN INDEMNIFYING PARTY SHALL NOT BE LIABLE UNDER THIS ARTICLE VI IN RESPECT OF ANY CLAIM FOR INCIDENTAL, EXEMPLARY, SPECIAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING DAMAGES RESULTING FROM BUSINESS INTERRUPTION, DIMINUTION OF VALUE, INCREASED INSURANCE PREMIUMS OR LOST PROFITS AND LOSSES BASED UPON ANY MULTIPLIER OF THE BUSINESS'S EARNINGS, INCLUDING EARNINGS BEFORE INTEREST, DEPRECIATION OR AMORTIZATION, OR ANY OTHER VALUATION METRIC.
