AGREEMENT

To secure its obligations under the Financing Agreement, Grantor grants and pledges to Lender a security interest in all of Grantor's right, title and interest in, to and under its intellectual property (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof (the "Intellectual Property Collateral"). Notwithstanding the foregoing, the term "Intellectual Property Collateral" shall not include any rights of Grantor as a licensee of any General Intangibles, Copyrights, Patents or Trademarks to the extent the granting of a security interest therein is prohibited by or would constitute a default under any agreement or document governing such property (but only to the extent such

prohibition is enforceable under applicable Laws); provided that upon the termination or lapsing of any such prohibition, such property shall automatically be part of the Intellectual Property Collateral; and provided further that the provisions of this paragraph shall in no case exclude from the definition of "Intellectual Property Collateral" any Accounts, proceeds of the disposition of any property, or General Intangibles consisting of rights to payment, all of which shall at all times constitute "Intellectual Property Collateral."

This security interest is granted in conjunction with the security interest granted to Lender under the Financing Agreement. The rights and remedies of the Lender with respect to the security interest granted hereby are in addition to those set forth in the Financing Agreement and the other Financing Documents, and those which are now or hereafter available to Lender as a matter of law or equity.
