**AFFIDAVIT OF LEONORA HOICKA**

I, Leonora Hoicka, declare under penalty of perjury as follows:

I am Associate General Counsel, Intellectual Property Law, of International Business Machines Corporation. ("IBM"). Pursuant to a Memorandum of Understanding dated July 27, 2008, between International Business Machines Corporation and ILOG, IBM agreed to acquire all of the outstanding ordinary shares and warrants issued by ILOG. As a result of those offers, IBM now currently owns 100% of ILOG shares and therefore has an ownership interest in all intellectual property owned by ILOG, including the following US trademark:

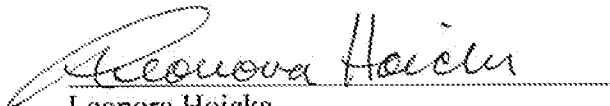

| <u>Mark</u> | <u>Serial No</u> |
|-------------|------------------|
| ILOG ELIXR  | 77629657         |

The name change document filed with the U.S. Patent and Trademark Office on February 10, 2009, was incorrect in that it sought to change the name of ILOG from ILOG SA (societe anonyme) to ILOG SAS (societe par actions simplifiee). In fact the entity type has changed form from SA (societe anonyme) to SAS (societe par actions simplifiee), however, on information and belief based on advice from French legal counsel, "SAS" is not considered part of the company name; the company name is simply ILOG. IBM and ILOG are desirous of correcting the foregoing record of the U.S. Patent and Trademarks Office to reflect a change in entity type from SA to SAS and correctly reflecting the entity name of the trademark owner as ILOG.

I make the statements herein on behalf of IBM and ILOG, and of my personal knowledge, except where stated on information and belief, as to which matters I believe are true, and could completely testify thereto if called as a witness.

The undersigned declares that she is properly authorized to execute this affidavit;  
and all statements made of her own knowledge are true and all statements made on  
information and belief are believed to be true.

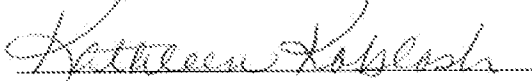

This Affidavit was entered into on this 19<sup>th</sup> day of November, 2009, in  
Armonk, New York.
