- (b) Upon the reasonable request of Secured Party, the Debtor shall execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as Secured Party may request to evidence Secured Party’s security interest in any Intellectual Property and the goodwill of the Debtor relating thereto or represented thereby (including, without limitation, filings with the United States Patent and Trademark Office or any similar office), and the Debtor hereby constitutes Secured Party as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; *provided, however*, Secured Party’s taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

7. **Debtor’s Rights To Enforce Intellectual Property.** Prior to Secured Party’s giving of notice to the Debtor following the occurrence and during the continuance of an Event of Default the Debtor shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property including the right to seek injunctions and/or money damages, in an effort by the Debtor to protect the Intellectual Property against encroachment by third parties, provided:

8. **Secured Party’s Actions To Protect Intellectual Property.** Upon the occurrence and continuance of any Event of Default, Secured Party, acting in its own name or in that of the Debtor, may (but shall not be required to) act in the Debtor’s place

and stead and/or in Secured Party's own right with respect to the rights and Obligations of the Debtor under Section 3, Section 6 and Section 7 hereof.

9. **Rights Upon Default.** Upon the occurrence and during the continuance of any Event of Default, Secured Party may exercise all rights and remedies as provided for in the Promissory Note.

10. **Secured Party as Attorney In Fact.**

- (a) The Debtor hereby irrevocably constitutes and designates Secured Party as and for the Debtor's attorney in fact, effective following the occurrence and during the continuance of an Event of Default:

  - ii. To exercise any of the rights and powers referenced herein.
- (b) The within grant of a power of attorney, being coupled with an interest, shall be irrevocable until this Agreement is terminated by a duly authorized officer of Secured Party.
- (c) Secured Party shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 8 or Section 10, but if Secured Party elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to any Debtor for any act or omission to act except for any act or omission to act as to which there is a final determination made in a judicial proceeding (in which proceeding Secured Party has had an opportunity to be heard) which determination includes a specific finding that the subject act or omission to act had been negligent or in actual bad faith.

11. **Secured Party's Rights.** Upon an Event of Default and during the continuance thereof, any use by Secured Party of the Intellectual Property, as authorized hereunder in connection with the exercise of Secured Party's rights and remedies under this Agreement and under the Promissory Note shall be coextensive with the Debtor's rights thereunder and with respect thereto and without any liability for royalties or other related charges.

12. **No Limitation; Promissory Note.** This Agreement has been executed and delivered by the Debtor for the purpose of recording the security interest granted to Secured Party with respect to the IP Collateral with the UCC Division of the Idaho Secretary of State's Office, the United States Patent and Trademark Office and the United States Copyright Office. By signing this Agreement, Debtor hereby consents to such recordation of the security interests granted herein to the Secured Party, together with

such other forms as may evidence the existence of this Agreement. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Secured Party under the Promissory Note. The Promissory Note (and all rights and remedies of the Debtor and Secured Party) shall remain in full force and effect in accordance with its terms. In the event of a conflict between this Agreement and the Promissory Note, the terms of this Agreement shall control with respect to the IP Collateral and the Promissory Note with respect to any other Collateral.

13. **Termination; Release of Trademark Collateral.** This Agreement and all obligations of the Debtor and Secured Party hereunder shall terminate on the date upon which the Obligations are performed in full and paid in full in cash in accordance with the Promissory Note and the Promissory Note and other Loan Documents are terminated in accordance with the terms of the Promissory Note. Upon termination of this Agreement, Secured Party shall, at the expense of the Debtor, take such actions required by the Promissory Note to release its security interest in the IP Collateral.

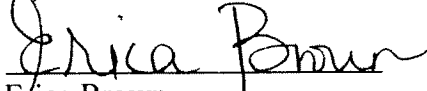

14. **Binding Effect; Benefits.** This Agreement shall be binding upon the Debtor and its respective successors and assigns, and shall inure to the benefit of Secured Party and its respective successors and assigns.
