THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Security Agreement") is made effective as of November 23, 2009 by and among **DYNAMIC TEAM SPORTS, INC., and DYNAMIC TEAM SPORTS CANADA CO.** (jointly, severally and collectively, "Borrowers") and **WILMINGTON TRUST, FSB** ("Lender").

BACKGROUND

A. Pursuant to that certain Loan and Security Agreement dated of even date herewith by and between Lender and Borrowers (such Loan and Security Agreement, as heretofore or hereafter amended, modified or restated, being referred to herein as the "Loan Agreement"), Lender agreed to extend Borrowers a line of credit in the maximum principal amount of Six Hundred Thousand Dollars (\$600,000.00).

2. **Security Interest.** To secure the complete and timely payment and satisfaction of all Bank Indebtedness, each Borrower hereby assigns, mortgages and pledges to Lender and grants to Lender a security interest in, as and by way of a first mortgage and security interest having priority over all other security interests, with power of sale, to the extent permitted by law, all of each Borrower's right, title and interest in and to all of the following, whether now owned or existing and filed or hereafter acquired or arising and filed (collectively, the "Intellectual Property Collateral"):

2.1 all of each Borrower's patents and patent applications, including, without limitation, the inventions and improvements described and claimed therein, and those patents listed on Exhibit "A", attached hereto and made a part hereof, and (a) the reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (c) the right to sue for past, present and future infringements thereof, and (d) all rights corresponding thereto throughout the world (all of the foregoing patents and applications, together with the items described in clauses (a)-(d), are sometimes hereinafter individually and/or collectively referred to as the "Patents");

2.2 all of each Borrower's copyrights, copyright registrations, copyright applications and all computer programs, operating systems, application systems, hardware or software of any nature whatsoever owned by any Borrower, whether operational, under development or inactive, including all object codes, source codes, modules, technical manuals, user manuals, operating instructions and procedures, in-put and out-put formats, program listings, narrative descriptions, program flow charts, file layouts, report layouts, screen layouts and other documentation therefore (including internal notes, memoranda, status evaluations, marketing information and write-ups), and all improvements, modifications, enhancements, new releases and revisions thereof, whether in machine-readable form, programming language or any other language or symbols, and whether stored, encoded, recorded or written on disk, tape, film, memory device, paper or other media of any nature; together with all tangible media upon which any of the foregoing are recorded or encoded, including, without limitation, all chips, disks, tapes, film and paper; including, without limitation, the copyrights, copyrights registrations and copyrights applications listed on **Exhibit "B"** attached hereto and made a part hereof, and (a) all renewals thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, and (c) the right to sue for past, present and future infringements thereof (all of the foregoing items are sometimes referred to herein collectively as the "**Copyrights**"); and

3. **Restrictions on Future Agreements.** Each Borrower agrees that until all Bank Indebtedness shall have been satisfied in full and the Loan Agreement shall have been terminated, no Borrower will, without Lender's prior written consent, enter into any agreement (including, without limitation, any license or royalty agreement) which is inconsistent with Borrowers' obligations under this Security Agreement or the Loan Agreement and each Borrower further agrees that it will not take any action, or permit any action to be taken by others, subject to its control, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights of Lender under this Security Agreement.

4. **New Patents, Trademarks, and Licenses.** Each Borrower represents and warrants that the Patents, Copyrights, Licenses and Trademarks listed on **Exhibits "A", "B", "C" and "D"**, respectively, constitute all of the patents, copyrights, applications and licenses and trademarks, now owned by any Borrower. If, before all Bank Indebtedness shall have been satisfied in full and the Loan Agreement shall have been terminated, any Borrower shall (i) obtain rights to any new patentable inventions, trademarks, trademark registrations, tradenames, copyrights or licenses, or (ii) become entitled to the benefit of any patent, trademark or copyright application, trademark, trademark registration or license renewal, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of **Section 2** above shall automatically apply thereto and such Borrower shall give to Lender prompt written notice thereof. Borrower hereby authorizes Lender to modify this Security Agreement by amending **Exhibit "A", "B", "C" and/or "D"**, as applicable, to include any future patents, patent applications, trademarks, trademark registrations, trademark applications, tradenames, copyrights and licenses which are Patents, Copyrights, Licenses or Trademarks, as applicable, under **Section 2** above or under this **Section 4**. Each Borrower hereby agrees to provide to Lender such assignment or other documentation as Lender may request to record Lender's Lien on such future Patents, Trademarks, Copyrights or Licenses.

5. **Royalties; Term.** Each Borrower hereby agrees that the use by Lender of all Patents, Trademarks, Copyrights and Licenses as described herein shall be worldwide and without any liability for royalties or other related charges from Lender to any Borrower. The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Trademarks, Copyrights and Licenses assigned hereunder, or (ii) the date on which all Bank Indebtedness has been paid in full and the Loan Agreement is terminated.

6. **Lender's Right to Inspect.** Lender shall have the right, at any time and from time to time, upon reasonable notice to Borrowers (unless an Event of Default has occurred and is continuing then such reasonable notice shall not be required) to inspect any Borrower's premises and to examine any Borrower's Books, records and operations, including, without limitation, any Borrower's quality control processes. Each Borrower agrees that Lender, or a conservator appointed by Lender, shall have the right to establish such additional reasonable product quality controls as Lender, or said conservator, in its sole judgment, may deem necessary to assure maintenance of the quality of products sold by any Borrower under the Trademarks. Each Borrower agrees (i) not to sell or assign its interest in, or grant any license under, the Patents, Trademarks, Copyrights or Licenses, without the prior written consent of Lender; (ii) to maintain the quality of any and all products in connection with which the Trademarks and/or Copyrights are used, consistent with quality of said products as of the date hereof; (iii) not to adversely change the quality of said products without Lender's express written consent; and (iv) to provide Lender, upon request, with a certificate of an officer of such Borrower certifying such Borrower's compliance with the foregoing.

7. **Termination.** This Security Agreement is made for collateral purposes only. Upon payment in full of all Bank Indebtedness and termination of the Loan Agreement, Lender shall execute and deliver to Borrowers a termination of Lender's security interest granted herein and all deeds, assignments and other instruments as may be necessary or proper to re-vest in

Borrowers' full title to the Patents, Trademarks, Copyrights and Licenses, subject to any disposition thereof which may have been made by Lender pursuant hereto.

8. **Duties of Borrowers.** Each Borrower shall have the duty (i) to prosecute diligently any patent, trademark and copyright application pending as of the date hereof or thereafter until all Bank Indebtedness shall have been paid in full and the Loan Agreement is terminated, (ii) to make application on unpatented but patentable inventions and on trademarks and copyrights, as appropriate, and (iii) to preserve and maintain all rights in patent applications and patents of the Patents, in trademark applications, trademarks and trademark registrations of the Trademarks and in copyright applications and copyrights of the Copyrights. Any expenses incurred in connection with such applications shall be borne by Borrowers. Each Borrower shall not abandon any right to file a patent, trademark or copyright application, or any pending patent, trademark or copyright application or any Patent, Trademark, License or Copyright without the consent of Lender, which consent shall not be unreasonably withheld.

9. **Event of Default.** Upon the occurrence and during the continuance of an Event of Default, Lender may, without further notice to or consent of Borrowers, immediately record all assignments previously executed and delivered to Lender by Borrowers and/or execute and record with all applicable offices (including, without limitation, the Patent and Trademark Office) an absolute assignment to Lender by each Borrower of all rights, title and interest of such Borrower in and to the Patents, Trademarks, Copyrights, Licenses and other Intellectual Property Collateral. Each Borrower hereby authorizes and agrees that Lender may, through the power of attorney granted in **Section 14** hereof, irrevocably execute and deliver in such Borrower's name any and all such assignments and agreements and to take any and all other actions in such Borrower's name as Lender shall deem reasonable or appropriate to transfer and convey all right, title and interest of such Borrower in and to the Intellectual Property Collateral to Lender or any other person or entity selected by Lender.

10. **Lender's Right to Sue.** Lender shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Licenses, Patents, Copyrights and/or Trademarks, and any licenses thereunder, and, if Lender shall commence any such suit, Borrowers shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents required by Lender in aid of such enforcement and Borrowers shall promptly, upon demand, reimburse and indemnify Lender for all costs and expenses incurred by Lender in the exercise of its rights under this **Section 10.**

11. **Waivers.** No course of dealing between Borrowers and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder or under the Loan Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. **Severability.** The provisions of this Security Agreement are severable, and if any clause or provision shall be invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

13. **Modification.** This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in **Section 4** hereof or by a writing signed by the parties hereto.

14. **Cumulative Remedies; Power of Attorney; Effect on Loan Agreement.** All of Lender's rights and remedies with respect to the Patents, Trademarks, Copyrights and Licenses, whether established hereby or by the Loan Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Borrower hereby authorizes Lender to make, constitute and appoint any officer or agent of Lender as Lender may select, in its sole discretion, as such Borrower's true and lawful attorney-in-fact, with power to (i) endorse such Borrower's name on all applications, documents, papers and instruments necessary or reasonably desirable for Lender to protect, evidence, perfect or enforce its security interest in the Patents, Trademarks, Copyrights and Licenses, (ii) take any other actions with respect to the Patents, Trademarks, Copyrights and/or Licenses as Lender reasonably deems in the best interest of Lender, (iii) following an Event of Default which is not cured within thirty (30) days after Borrowers' receive notice from Lender, grant or issue any exclusive or non-exclusive license under the Patent or Trademark to anyone, including Lender, and/or (iv) following an Event of Default which is not cured within thirty (30) days after Borrowers' receive notice from Lender, assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Trademarks, Copyrights or Licenses to anyone, including Lender. Lender may act under such power of attorney to take the actions referenced in **Section 4**. Lender hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until all Bank Indebtedness shall have been paid in full and the Loan Agreement shall have been terminated. Each Borrower acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Loan Agreement but rather is intended to facilitate the exercise of such rights and remedies given it by the terms of this Security Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks, Copyrights or Licenses may be located.

15. **Binding Effect; Benefits.** This Security Agreement shall be binding upon each Borrower and its successors and assigns, and shall inure to the benefit of Lender, its nominees, successors and assigns.

16. **Governing Law; Jurisdiction.** This Security Agreement has been delivered to and accepted by Lender and will be deemed to be made in the Commonwealth of Pennsylvania.
