(the "Company") pursuant to the Indenture, dated as of December 22, 2009 by and among the Company, Primus Telecommunications Canada, Inc., the guarantors party thereto, the Bank of New York Mellon, as trustee (in such capacity and together with any successor, the "Trustee"), the Collateral Trustee and Computershare Trust Company of Canada, as Canadian Collateral Trustee (as defined therein) (as amended, supplemented or otherwise modified from time to time, the "Indenture"), and each of the other Secured Parties.

WITNESSETH

WHEREAS, pursuant to the Indenture, the Company has issued to the Holders the U.S. Notes upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Indenture, the Obligors and certain other subsidiaries of the Company have executed and delivered a Collateral Agreement, dated as of December 22, 2009, in favor of the Collateral Trustee (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Collateral Agreement");

WHEREAS, pursuant to the Collateral Agreement, each Obligor pledged and granted to the Collateral Trustee for the benefit of the Collateral Trustee and the Holders a continuing security interest in all Intellectual Property, including (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the foregoing referred to in Schedule A, and (ii) the right to obtain all renewals thereof.(the "Trademarks"); and

WHEREAS, each Obligor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Holders to purchase the U.S. Notes pursuant to the Indenture, each Obligor agrees, for the benefit of the Collateral Trustee and the Holders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Collateral Agreement.

SECTION 2. Security Interest. Each Obligor confirms that pursuant to the Collateral Agreement and hereby such Obligor has assigned and transferred to the Collateral Trustee, and has granted to the Collateral Trustee, and hereby assigns and transfers to the Collateral Trustee, and grants to the Collateral Trustee, in each case, for the ratable benefit of the Secured Parties, a security interest in the Trademarks (including, without limitation, those items listed on Schedule A hereto) now owned or at any time hereafter acquired by such Obligor or in which such Obligor now has or at any time in the future may acquire any right, title or interest, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of such Obligor's Obligations.

SECTION 3. Purpose. This Agreement has been executed and delivered by each Obligor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Collateral Trustee for the benefit of the Holders in connection with the Collateral Agreement and is expressly subject to the terms and conditions thereof. The Collateral Agreement (and all rights and remedies of the Collateral Trustee for the benefit of the Holders) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Each Obligor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Trustee for the benefit of the Holders with respect to the security interest in the Trademarks granted hereby are more fully set forth in the Indenture and the Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Governing Law. This Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York without regard to conflicts of law principles thereof.

SECTION 6. Collateral Trust Agreement. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Trustee pursuant to this Agreement and the exercise of any right or remedy by such Collateral Trustee hereunder are subject to the provisions of any Collateral Trust Agreement then in effect. In the event of any conflict between the terms of any Collateral Trust Agreement then in effect and this Agreement, the terms of such Collateral Trust Agreement will govern.
