RELEASE OF INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS RELEASE OF INTELLECTUAL PROPERTY SECURITY AGREEMENT is made as of December 31, 2009, by ICON LEASING FUND ELEVEN, LLC, as secured party ("Secured Party"), for the benefit of MW UNIVERSAL, INC., a Delaware corporation having a principal place of business at 2008 Cypress Street, Suite 120, Paris, KY 40361 ("MW Universal") and W FORGE HOLDINGS INC., a Delaware corporation having a principal place of business at 2008 Cypress Street, Suite 100, Paris, KY 40361 and a direct wholly-owned subsidiary of MW Universal ("W Forge Holdings" and, together with MW Universal, the "Debtors").

BACKGROUND

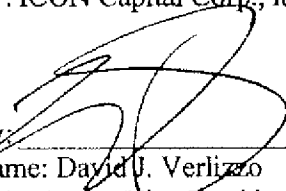

Debtor represents and warrants to Secured Party that it is the applicant and/or registrant of the patents and/or patent applications (the "Patents") and is the applicant or registrant of the trademarks and trademark applications (the "Trademarks"), all as more specifically described on Exhibit A, which Patents and Trademarks are encumbered pursuant to a security interest granted by Debtor to Secured Party evidenced by a Intellectual Property Security Agreement, dated September 2007 (the "Intellectual Property Security Agreement") and recorded with the United States Patent and Trademark Office.

As of the date hereof, the entire indebtedness of Debtor to Secured Party, to the extent secured by the Intellectual Property Security Agreement, has been paid by or on behalf of Debtor to Secured Party. Therefore, Debtor has requested that Secured Party: (a) release Debtor from the obligations set forth in the Intellectual Property Security Agreement, and (b) release the Patents from the lien of the Intellectual Property Security Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Secured Party does hereby: (a) fully release Debtor, its successors and assigns, from any and all obligations set forth in the Intellectual Property Security Agreement, and (b) fully release and discharge the Patents from the effect and operation of the Intellectual Property Security Agreement. The terms of that Intellectual Property Security Agreement are now cancelled and of no further force or effect.

IN WITNESS WHEREOF, the undersigned has caused this Release of Intellectual Property Security Agreement to be executed and made effective as of the date first above written.
