**TRADEMARK ASSIGNMENT**

This trademark assignment, dated January 25, 2010, is between COMODO LIMITED ("Comodo"), a United Kingdom corporation with an address of New Court Regents Place, Regent Road, Manchester, M5 4H, United Kingdom, and j2 Global Communications, Inc., a Delaware company with offices at 6922 Hollywood Blvd, Los Angeles CA 90028 ("j2").

WHEREIN, Comodo is the owner of all rights, title, and interest in the trademarks listed in Attachment A to this Trademark Assignment ("Trademarks"), including, but not limited to rights granted under any federal and state statutory and common law, and rights granted under the laws of any other jurisdiction outside the United States.

WHEREIN, the USPTO granted Comodo's application for the registration of the TrustFAX Trademark on April 25, 2006 and was accorded the US registration number 3085448. Now, Comodo wishes to transfer to j2 all rights, title and interest in the Trademarks, including all goodwill associated with the Trademarks, and including any and all rights granted under federal and state statutory and common law, and rights granted under the laws of any other jurisdiction outside the United States, pursuant to an agreement among j2, Comodo and certain Comodo Affiliates dated January 25, 2010 ("Definitive Agreement") for the purchase of certain of Comodo's Affiliate's assets by j2.

The parties therefore agree as follows:

1. Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Definitive Agreement. The terms and conditions of this Agreement shall be read harmoniously with those of the Definitive Agreement, and in the event of any inconsistency between the terms of this Agreement and the Definitive Agreement, the terms of the Definitive Agreement shall prevail.
2. j2 is paying consideration for the transfer of the Trademarks to Comodo its Affiliate under the Definitive Agreement.
3. Comodo irrevocably sells, assigns, transfers and conveys to j2, its successors and assigns, all rights, title and interest in and to the Trademarks in the U.S. and around the world, including

- i. all registrations and applications for registration of the Trademarks, all of which are fully identified in Attachment A
  - ii. all common law rights in and associated with the Trademarks,
  - iii. all goodwill associated with the Trademarks,
  - iv. all rights to any royalties, profits, compensations, license fees or other payments or remuneration of any kind relating to the Trademarks or goodwill associated with the Trademarks, and
  - v. all claims or causes of action that Comodo has or may have in connection with the Trademarks.
4. Comodo represents that it has all of the rights necessary to convey the entire title and interest in the Trademarks to j2, and that it Comodo has not executed, and will not execute, any agreements inconsistent herewith. Comodo further agrees that, upon the execution of this Assignment, it and its successors, assigns and Affiliates shall not use, attempt to register, register or own anywhere around the world any trademarks, domain names, and trade names that are confusingly similar to the Trademarks.
5. Comodo represents that it will, upon j2's reasonable request, execute and deliver all such instruments and other documents or actions as may be necessary or desirable to perfect or to enforce j2's right, title and interest in, to and under the assigned Trademarks.

Comodo is executing this assignment as of the date first listed in the introductory paragraph.
