If any Equity Interests owned by any Grantor shall at any time constitute a Security or, to the knowledge of such Grantor, the issuer of any such Equity Interests shall take any action to have such interests treated as a Security, then such Grantor shall give prompt written notice thereof to the Administrative Agent and (i) cause all certificates or other documents constituting such Security to be delivered to the Administrative Agent and, if within the control of such Grantor, cause such Security to be properly defined as such under Article 8 of the UCC of the applicable jurisdiction, whether as a result of actions by the issuer thereof or otherwise, or (ii) take all commercially reasonable action to cause the issuer of such Security or a Securities Intermediary relating to such Security to enter into a Control Agreement with the Administrative Agent and, if within the control of such Grantor, cause such Security to be properly defined as such under Article 8 of the UCC of the applicable jurisdiction, whether as a result of actions by the issuer thereof or otherwise.

4.5. Uncertificated Pledged Collateral. Such Grantor will permit the Administrative Agent from time to time to cause the appropriate issuers (and, if held with a Securities Intermediary, such Securities Intermediary) of uncertificated securities or other types of Pledged Collateral owned by it not represented by certificates to mark their books and records with the numbers and face amounts of all such uncertificated securities or other types of Pledged Collateral not represented by certificates and all rollovers and replacements therefor to reflect the Lien of the Administrative Agent granted pursuant to this Security Agreement. (c) Registration of Pledged Collateral. Such Grantor will permit any registerable Pledged Collateral owned by it to be registered in the name of the Administrative Agent or its nominee at any time at the option of the Required Secured Parties.

(d) Exercise of Rights in Pledged Collateral.

(i) Without in any way limiting the foregoing and subject to clause (ii) below, such Grantor shall have the right to exercise all voting rights or other rights relating to the Pledged Collateral owned by it for all purposes not inconsistent with this Security Agreement, the Subordinated Loan Agreement or any other Loan Document; *provided however, that* no vote or other right shall be exercised or action taken which would have the effect of impairing the rights of the Administrative Agent in respect of such Pledged Collateral.

(ii) Such Grantor will permit the Administrative Agent or its nominee at any time after the occurrence of a Default, without notice, to exercise all voting rights or other rights relating to the Pledged Collateral owned by it, including, without limitation, exchange, subscription or any other rights, privileges, or options pertaining to any

Equity Interests or Investment Property constituting such Pledged Collateral as if it were the absolute owner thereof.

(iii) Such Grantor shall be entitled to collect and receive for its own use all cash dividends and interest paid in respect of the Pledged Collateral to the extent not in violation of the Subordinated Loan Agreement other than any of the following distributions and payments (collectively referred to as the "Excluded Payments"): (A) dividends and interest paid or payable other than in cash in respect of any Pledged Collateral, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Pledged Collateral; (B) dividends and other distributions paid or payable in cash in respect of any Pledged Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in capital of an issuer; and (C) cash paid, payable or otherwise distributed, in respect of principal of, or in redemption of, or in exchange for, any Pledged Collateral; *provided however, that until actually paid, all rights to such distributions shall remain subject to the Lien created by this Security Agreement; and*

(iv) All Excluded Payments and all other distributions in respect of any of the Pledged Collateral, whenever paid or made, shall be delivered to the Administrative Agent to hold as Pledged Collateral and shall, if received by such Grantor, be received in trust for the benefit of the Administrative Agent, be segregated from the other property or funds of such Grantor, and be forthwith delivered to the Administrative Agent as Pledged Collateral in the same form as so received (with any necessary endorsement).

#### 4.7. Intellectual Property.

(a) Such Grantor will use its commercially reasonable efforts to secure all consents and approvals necessary or appropriate for the assignment to or benefit of the Administrative Agent of any License held by such Grantor and to enforce the security interests granted hereunder.

(b) Unless such Grantor shall reasonably determine in good faith that such Patent, Trademark or Copyright is not material to the conduct of such Grantor's business, such Grantor shall promptly notify the Administrative Agent if it knows or has reason to know that any application or registration relating to any Patent, Trademark or Copyright (now or hereafter existing) may become abandoned or dedicated, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court) regarding such Grantor's ownership of any Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

(c) Within 30 days after the date any Grantor owns any Patent, Trademark or Copyright not listed on Exhibit D, the Grantors shall deliver to the Administrative Agent an updated Exhibit D hereto. Exhibit D shall be deemed automatically revised thereby upon such delivery to the Administrative Agent and the Grantors shall be deemed have made all representations and warranties in Section 3.10 hereof as to such updated Exhibit D as of the date it is delivered to the Agent. Upon request of the Administrative Agent, each Grantor shall execute and deliver any and all security agreements as the Administrative Agent may request to evidence the Administrative Agent's second-priority security interest on such Patent, Trademark or Copyright, and the General Intangibles of such Grantor relating thereto or represented thereby.

(d) Such Grantor shall take all actions necessary or requested by the Administrative Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of

each of its Patents, Trademarks and Copyrights (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of noncontestability and opposition and interference and cancellation proceedings, unless such Grantor shall reasonably determine in good faith that such Patent, Trademark or Copyright is not material to the conduct of such Grantor's business.

(e) Such Grantor shall, unless it shall reasonably determine that such Patent, Trademark or Copyright is not material to the conduct of its business or operations, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and shall take such other actions as the Administrative Agent shall deem appropriate under the circumstances to protect such Patent, Trademark or Copyright. In the event that such Grantor institutes suit because any of its Patents, Trademarks or Copyrights constituting Collateral is infringed upon, or misappropriated or diluted by a third party, such Grantor shall comply with Section 4.8.

4.8. Commercial Tort Claims. Such Grantor shall promptly, and in any event within two Business Days after the same is acquired by it, notify the Administrative Agent of any Commercial Tort Claim acquired by it and, unless the Administrative Agent otherwise consents, such Grantor shall provide the Administrative Agent with a specific description thereof (i.e. parties, description of the dispute, case number, etc.) and enter into an amendment to this Security Agreement, in the form of Exhibit J hereto, granting to Administrative Agent a second priority security interest in such Commercial Tort Claim.

4.9. Letter-of-Credit Rights. If such Grantor is or becomes the beneficiary of a letter of credit, it shall promptly, and in any event within two Business Days after becoming a beneficiary, notify the Administrative Agent thereof and take all commercially reasonable actions to cause the issuer and/or confirmation bank to consent to the assignment of any Letter-of-Credit Rights to the Administrative Agent, all in form and substance reasonably satisfactory to the Administrative Agent.

4.10. Federal, State or Municipal Claims. Such Grantor will promptly notify the Administrative Agent of any Collateral which constitutes a claim against the United States government or any state or local government or any instrumentality or agency thereof, the assignment of which claim is restricted by federal, state or municipal law.

4.11. Deposit Accounts. Each Grantor will (a) give prompt written notice to the Administrative Agent of the opening or existence of any Deposit Account not disclosed on Exhibit B hereto, (b) upon the Administrative Agent's request, take all commercially reasonable actions to cause each bank or other financial institution in which it maintains (i) any Deposit Account (other than accounts used exclusively for payroll ("Payroll Accounts")) to enter into a Control Agreement with the Administrative Agent with respect such Deposit Account, provided that the Control Agreements for the Deposit Accounts with Bank of America, N.A. existing on the date hereof shall not be required until January 15, 2010, or (ii) other deposits (whether general or special, time or demand, provisional or final, but excluding Payroll Accounts) to be notified of the security interest granted to the Administrative Agent hereunder and to acknowledge such notification in writing, (c) upon the Administrative Agent's request after the occurrence and during the continuance of a Default, deliver to each such bank or other financial institution a letter, in form and substance acceptable to the Administrative Agent, transferring ownership of the Deposit Account (other than Payroll Accounts) to the Administrative Agent or transferring dominion and control over each such other deposit to the Administrative Agent until such time as no Default exists, and (d) not, at any time, permit more than \$100,000 in the aggregate to be held in a Deposit Account (other than Payroll Accounts) not maintained with the Administrative Agent or, if requested by the Administrative Agent, subject to a Control Agreement.

4.12. No Interference. Such Grantor agrees that it will not interfere with any right, power and remedy of the Administrative Agent provided for in this Security Agreement or now or hereafter existing at law or in equity or by statute or otherwise, or the exercise or beginning of the exercise by the Administrative Agent of any one or more of such rights, powers or remedies.

4.13 Collateral Access Agreements. Each Grantor shall use commercially reasonable efforts to obtain a Collateral Access Agreement from the lessor of each leased property, bailee or consignee with respect to any warehouse, processor or other location where any material Collateral is stored or located. Each Grantor shall timely and fully pay and perform its material obligations under all leases and other agreements with respect to each leased location or third party warehouse where any Collateral is or may be located.

## ARTICLE V DEFAULTS AND REMEDIES

5.1. Defaults. The occurrence of any one or more of the following events shall constitute a Default hereunder:

- (a) Any of the Subordinated Secured Obligations shall be accelerated or shall not be paid at final maturity; or
- (b) The occurrence of any "Event of Default" under, and as defined in, the Subordinated Loan Agreement.

5.2. Remedies.

(a) Upon the occurrence of a Default, the Administrative Agent may, with the concurrence or at the direction of the Required Secured Parties, exercise any right or remedy available to it under applicable law, including, without limitation, the following rights and remedies:

- (i) those rights and remedies provided in this Security Agreement, the Subordinated Loan Agreement, or any other Loan Document; *provided that*, this Section 5.2(a) shall not be understood to limit any rights or remedies available to the Administrative Agent and the Secured Parties prior to a Default;
- (ii) those rights and remedies available to a secured party under the UCC (whether or not the UCC applies to the affected Collateral) or under any other applicable law (including, without limitation, any law governing the exercise of a bank's right of setoff or bankers' lien) when a debtor is in default under a security agreement;
- (iii) give notice of sole control or any other instruction permitted under any Control Agreement with respect to any Deposit Account or Securities Account or under any other control agreement with respect to any other Collateral and take any action therein with respect to such Collateral;
- (iv) without notice (except as specifically provided in Section 8.1 or elsewhere herein), demand or advertisement of any kind to any Grantor or any other Person, enter the premises of any Grantor where any Collateral is located (through self-help and without judicial process) to collect, receive, assemble, process, appropriate, sell, lease, assign, grant an option or options to purchase or otherwise dispose of, deliver, or realize upon, the Collateral or any part thereof in one or more parcels at public or private sale or sales (which sales may be adjourned or continued from time to time with or without notice and may take place at any Grantor's premises or elsewhere), for cash, on credit or for future delivery without assumption of any credit risk, and upon such other terms as the Administrative Agent may deem commercially reasonable; and

(v) concurrently with written notice to the applicable Grantor, transfer and register in its name or in the name of its nominee the whole or any part of the Pledged Collateral, to exchange certificates or instruments representing or evidencing Pledged Collateral for certificates or instruments of smaller or larger denominations, to exercise the voting and all other rights as a holder with respect thereto, to collect and receive all cash dividends, interest, principal and other distributions made thereon and to otherwise act with respect to the Pledged Collateral as though the Administrative Agent was the outright owner thereof.

(b) The Administrative Agent, on behalf of the Secured Parties, may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(c) The Administrative Agent shall have the right upon any such public sale or sales and, to the extent permitted by law, upon any such private sale or sales, to purchase for the benefit of the Administrative Agent and the Secured Parties, the whole or any part of the Collateral so sold, free of any right of equity redemption, which equity redemption each Grantor hereby expressly releases.

(d) Until the Administrative Agent is able to effect a sale, lease, or other disposition of Collateral, the Administrative Agent shall have the right to hold or use Collateral, or any part thereof, to the extent that it deems appropriate for the purpose of preserving Collateral or its value or for any other purpose deemed appropriate by the Administrative Agent. The Administrative Agent may, if it so elects, seek the appointment of a receiver or keeper to take possession of Collateral and to enforce any of the Administrative Agent's remedies (for the benefit of the Administrative Agent and Secured Parties), with respect to such appointment without prior notice or hearing as to such appointment.

(e) Notwithstanding the foregoing, neither the Administrative Agent nor the Secured Parties shall be required to (i) make any demand upon, or pursue or exhaust any of their rights or remedies against, any Grantor, any other obligor, guarantor, pledgor or any other Person with respect to the payment of the Subordinated Secured Obligations or to pursue or exhaust any of their rights or remedies with respect to any Collateral therefor or any direct or indirect guarantee thereof, (ii) marshal the Collateral or any guarantee of the Subordinated Secured Obligations or to resort to the Collateral or any such guarantee in any particular order, or (iii) effect a public sale of any Collateral.

(f) Each Grantor recognizes that the Administrative Agent may be unable to effect a public sale of any or all of the Pledged Collateral and may be compelled to resort to one or more private sales thereof in accordance with clause (a) above. Each Grantor also acknowledges that any private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall not be deemed to have been made in a commercially unreasonable manner solely by virtue of such sale being private. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Collateral for the period of time necessary to permit any Grantor or the issuer of the Pledged Collateral to register such securities for public sale under the Securities Act of 1933, as amended, or under applicable state securities laws, even if the applicable Grantor and the issuer would agree to do so.

5.3. Grantor's Obligations Upon Default. Upon the request of the Administrative Agent after the occurrence of a Default, each Grantor will:

(a) assemble and make available to the Administrative Agent the Collateral and all books and records relating thereto at any place or places specified by the Administrative Agent, whether at a Grantor's premises or elsewhere;

(b) permit the Administrative Agent, by the Administrative Agent's representatives and agents, to enter any premises where all or any part of the Collateral, or the books and records relating thereto, or both, are located, to take possession of all or any part of the Collateral or the books and records relating thereto, or both, to remove all or any part of the Collateral or the books and records relating thereto, or both, and to conduct sales of the Collateral;

(c) furnish to the Administrative Agent, or cause an issuer of Pledged Collateral to furnish to the Administrative Agent, any information regarding the Pledged Collateral in such detail as the Administrative Agent may specify;

(d) take, or cause (if within its control and, if not within its control, use commercially reasonable efforts to cause) an issuer of Pledged Collateral to take, any and all reasonable actions necessary to register or qualify the Pledged Collateral to enable the Administrative Agent to consummate a public sale or other disposition of the Pledged Collateral; and

(e) at its own expense, cause the independent certified public accountants then engaged by each Grantor to prepare and deliver to the Administrative Agent and each Secured Party, at any time, and from time to time, promptly upon the Administrative Agent's request, the following reports with respect to the applicable Grantor: (i) a reconciliation of all Accounts; (ii) an aging of all Accounts; (iii) trial balances; and (iv) a test verification of such Accounts.

5.4. Grant of Intellectual Property License. For the purpose of enabling the Administrative Agent to exercise the rights and remedies under this Article V at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby (a) grants to the Administrative Agent, to the extent permitted by law and reasonably necessary to permit the exercise of any of Administrative Agent's rights or remedies under this Article V, for the benefit of the Administrative Agent and the Secured Parties, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to any Grantor) to use, license or sublicense any Patent, Trademark, Copyright or other intellectual property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof and (b) irrevocably agrees that the Administrative Agent may sell any of such Grantor's Inventory directly to any person, including without limitation persons who have previously purchased the Grantor's Inventory from such Grantor and in connection with any such sale or other enforcement of the Administrative Agent's rights under this Security Agreement, may sell Inventory which bears any Trademark owned by or licensed to such Grantor and any Inventory that is covered by any Copyright owned by or licensed to such Grantor and the Administrative Agent may finish any work in process and affix any Trademark owned by or licensed to such Grantor and sell such Inventory as provided herein.

## ARTICLE VI ACCOUNT VERIFICATION; ATTORNEY IN FACT; PROXY

6.1. Account Verification. The Administrative Agent may at any time, following and during the continuance of a Default, in the Administrative Agent's own name, in the name of a nominee of the Administrative Agent, or in the name of any Grantor communicate (by mail, telephone, facsimile or otherwise) with the Account Debtors of any such Grantor, parties to contracts with any such Grantor and obligors in respect of Instruments of any such Grantor to verify with such Persons, to the Administrative Agent's satisfaction, the existence, amount, terms of, and any other matter relating to, Accounts, Instruments, Chattel Paper, payment intangibles and/or other Receivables.

6.2. Authorization for Secured Party to Take Certain Action.

(a) Each Grantor irrevocably authorizes the Administrative Agent at any time and from time to time in the sole discretion of the Administrative Agent and appoints the Administrative Agent as its attorney in fact (i) to execute on behalf of such Grantor as debtor and to file financing statements necessary or desirable in the Administrative Agent's sole discretion to perfect and to maintain the perfection and priority of the Administrative Agent's security interest in the Collateral, (ii) after the occurrence and during the continuance of a Default, to endorse and collect any cash proceeds of the Collateral, (iii) to file a carbon, photographic or other reproduction of this Security Agreement or any financing statement with respect to the Collateral as a financing statement and to file any other financing statement or amendment of a financing statement (which does not add new collateral or add a debtor) in such offices as the Administrative Agent in its sole discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the Administrative Agent's security interest in the Collateral, (iv) to contact and enter into one or more agreements with the issuers of uncertificated securities which are Pledged Collateral or with securities intermediaries holding Pledged Collateral as may be necessary or advisable to give the Administrative Agent Control over such Pledged Collateral, (v) to apply the proceeds of any Collateral received by the Administrative Agent to the Subordinated Secured Obligations as provided in Section 7.3, (vi) to discharge past due taxes, assessments, charges, fees or Liens on the Collateral (except for such Liens as are specifically permitted hereunder), (vii) after informing (and consultation with) the Borrower or after the occurrence and during the continuance of a Default, to contact Account Debtors for any reason, (viii) after the occurrence and during the continuance of a Default, to demand payment or enforce payment of the Receivables in the name of the Administrative Agent or such Grantor and to endorse any and all checks, drafts, and other instruments for the payment of money relating to the Receivables, (ix) to sign such Grantor's name on any invoice or bill of lading relating to the Receivables, drafts against any Account Debtor of such Grantor, assignments and verifications of Receivables, (x) after the occurrence and during the continuance of a Default, to exercise all of such Grantor's rights and remedies with respect to the collection of the Receivables and any other Collateral, (xi) after the occurrence and during the continuance of a Default, to settle, adjust, compromise, extend or renew the Receivables, (xii) after the occurrence and during the continuance of a Default, to settle, adjust or compromise any legal proceedings brought to collect Receivables, (xiii) after the occurrence and during the continuance of a Default, to prepare, file and sign such Grantor's name on a proof of claim in bankruptcy or similar document against any Account Debtor of such Grantor, (xiv) after the occurrence and during the continuance of a Default, to prepare, file and sign such Grantor's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with the Receivables, (xv) after the occurrence and during the continuance of a Default, to change the address for delivery of mail addressed to such Grantor to such address as the Administrative Agent may designate and to receive, open and dispose of all mail addressed to such Grantor, and (xvi) to do all other acts and things necessary to carry out this Security Agreement; and such Grantor agrees to reimburse the Administrative Agent on demand for any payment made or any expense incurred by the Administrative Agent in connection with any of the foregoing; *provided that*, this authorization shall not relieve such Grantor of any of its obligations under this Security Agreement or under any other Loan Document.

(b) All acts of said attorney or designee are hereby ratified and approved. The powers conferred on the Administrative Agent, for the benefit of the Administrative Agent and Secured Parties, under this Section 6.2 are solely to protect the Administrative Agent's interests in the Collateral and shall not impose any duty upon the Administrative Agent or any Secured Party to exercise any such powers. The Administrative Agent agrees that, except for the powers granted in Section 6.2(a)(i), (iii) and (vi) and Section 6.2(a)(xvi), it shall not exercise any power or authority granted to it unless a Default has occurred and is continuing.

6.3. Proxy. EACH GRANTOR HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS THE AGENT AS ITS PROXY AND ATTORNEY-IN-FACT (AS SET FORTH IN SECTION 6.2 AND 4.6 ABOVE) WITH RESPECT TO ITS PLEDGED COLLATERAL, INCLUDING THE RIGHT TO VOTE SUCH PLEDGED COLLATERAL, WITH FULL POWER OF SUBSTITUTION TO DO SO. IN ADDITION TO THE RIGHT TO VOTE ANY SUCH PLEDGED COLLATERAL, THE APPOINTMENT OF THE AGENT AS PROXY AND ATTORNEY-IN-FACT SHALL INCLUDE THE RIGHT TO EXERCISE ALL OTHER

#### ARTICLE VII

#### COLLECTION AND APPLICATION OF COLLATERAL PROCEEDS; DEPOSIT ACCOUNTS

7.1. Lockboxes. Upon request of the Administrative Agent after the occurrence and during the continuance of a Default, each Grantor shall execute and deliver to the Administrative Agent irrevocable lockbox agreements in the form provided by or otherwise acceptable to the Administrative Agent, which agreements shall be accompanied by an acknowledgment by the bank where the lockbox is located of the Lien of the Administrative Agent granted hereunder and of irrevocable instructions to wire all amounts collected therein to a special collateral account at the Administrative Agent.

7.2. Collection of Receivables. The Administrative Agent may at any time after the occurrence and during the continuance of a Default, by giving the Grantors written notice, elect to require that the Receivables be paid directly to the Administrative Agent for the benefit of the Secured Parties. In such event, each Grantor shall, and shall permit the Administrative Agent to, promptly notify the account debtors or obligors under the Receivables of the Secured Parties' interest therein and direct such account debtors or obligors to make payment of all amounts then or thereafter due under the Receivables directly to the Administrative Agent. Upon receipt of any such notice from the Administrative Agent, each Grantor shall thereafter hold in trust for the Administrative Agent, on behalf of the Secured Parties, all amounts and proceeds received by it with respect to the Receivables and other Collateral and immediately and at all times thereafter deliver to the Administrative Agent all such amounts and proceeds in the same form as so received, whether by cash, check, draft or otherwise, with any necessary endorsements. The Administrative Agent shall hold and apply funds so received as provided by the terms of Sections 7.3 and 7.4.

7.3. Special Collateral Account. The Administrative Agent may at any time after the occurrence and during the continuance of a Default require all cash proceeds of the Collateral to be deposited in a special non-interest bearing cash collateral account with the Administrative Agent and held there as security for the Subordinated Secured Obligations. The Borrower shall have no control whatsoever over said cash collateral account. If no Default has occurred and is continuing, the Administrative Agent shall, within one business Day of receipt thereof, deposit the collected balances in said cash collateral account into each Grantor's general operating account with the Administrative Agent. If any Default has occurred and is continuing, the

Administrative Agent may (and shall, at the direction of the Required Secured Parties), from time to time, apply the collected balances in said cash collateral account to the payment of the Subordinated Secured Obligations whether or not the Subordinated Secured Obligations shall then be due.

7.4. Application of Proceeds. The proceeds of the Collateral to be applied to payment of the Subordinated Secured Obligations pursuant to Section 7.3 shall be applied by the Administrative Agent to payment of the Subordinated Secured Obligations in the order required by the Subordinated Loan Agreement.

## **ARTICLE VIII GENERAL PROVISIONS**

8.1. Waivers. Each Grantor hereby waives notice of the time and place of any public sale or the time after which any private sale or other disposition of all or any part of the Collateral may be made. To the extent such notice may not be waived under applicable law, any notice made shall be deemed reasonable if sent to the Grantors, addressed as set forth in Article IX, at least ten days prior to (i) the date of any such public sale or (ii) the time after which any such private sale or other disposition may be made. To the maximum extent permitted by applicable law, each Grantor waives all claims, damages, and demands against the Administrative Agent or any Secured Party arising out of the repossession, retention or sale of the Collateral, except such as arise solely out of the gross negligence or willful misconduct of the Administrative Agent or such Secured Party as finally determined by a court of competent jurisdiction. To the extent it may lawfully do so, each Grantor absolutely and irrevocably waives and relinquishes the benefit and advantage of, and covenants not to assert against the Administrative Agent or any Secured Party, any valuation, stay, appraisal, extension, moratorium, redemption or similar laws and any and all rights or defenses it may have as a surety now or hereafter existing which, but for this provision, might be applicable to the sale of any Collateral made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Security Agreement, or otherwise. Except as otherwise specifically provided herein, each Grantor hereby waives presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Security Agreement or any Collateral.

8.2. Limitation on Administrative Agent's and Secured Parties' Duty with Respect to the Collateral. The Administrative Agent shall have no obligation to clean-up or otherwise prepare the Collateral for sale. The Administrative Agent and each Secured Party shall use reasonable care with respect to the Collateral in its possession or under its control. Neither the Administrative Agent nor any Secured Party shall have any other duty as to any Collateral in its possession or control or in the possession or control of any agent or nominee of the Administrative Agent or such Secured Party, or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto. To the extent that applicable law imposes duties on the Administrative Agent to exercise remedies in a commercially reasonable manner, each Grantor acknowledges and agrees that it is commercially reasonable for the Administrative Agent (i) to fail to incur expenses reasonably deemed significant by the Administrative Agent to prepare Collateral for disposition or otherwise to transform raw material or work in process into finished goods or other finished products for disposition, (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (iii) to fail to exercise collection remedies against Account Debtors or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral, (iv) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (v) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (vi) to contact other Persons, whether or not in the same business as such Grantor, for expressions of interest in acquiring all or any portion of such Collateral, (vii) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature, (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have

the reasonable capacity of doing so, or that match buyers and sellers of assets, (ix) to dispose of assets in wholesale rather than retail markets, (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements to insure the Administrative Agent against risks of loss, collection or disposition of Collateral or to provide to the Administrative Agent a guaranteed return from the collection or disposition of Collateral, or (xii) to the extent reasonably deemed appropriate by the Administrative Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Administrative Agent in the collection or disposition of any of the Collateral. Each Grantor acknowledges that the purpose of this Section 8.2 is to provide non-exhaustive indications of what actions or omissions by the Administrative Agent would be commercially reasonable in the Administrative Agent's exercise of remedies against the Collateral and that other actions or omissions by the Administrative Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 8.2. Without limitation upon the foregoing, nothing contained in this Section 8.2 shall be construed to grant any rights to any Grantor or to impose any duties on the Administrative Agent that would not have been granted or imposed by this Security Agreement or by applicable law in the absence of this Section 8.2.

8.3. Compromises and Collection of Collateral. The Grantors and the Administrative Agent recognize that setoffs, counterclaims, defenses and other claims may be asserted by obligors with respect to certain of the Receivables, that certain of the Receivables may be or become uncollectible in whole or in part and that the expense and probability of success in litigating a disputed Receivable may exceed the amount that reasonably may be expected to be recovered with respect to a Receivable. In view of the foregoing, each Grantor agrees that the Administrative Agent may at any time and from time to time, if a Default has occurred and is continuing, compromise with the obligor on any Receivable, accept in full payment of any Receivable such amount as the Administrative Agent in its sole discretion shall reasonably determine or abandon any Receivable, and any such action by the Administrative Agent shall be commercially reasonable so long as the Administrative Agent acts in good faith based on information known to it at the time it takes any such action.

8.4. Secured Party Performance of Debtor Obligations. Without having any obligation to do so, the Administrative Agent may perform or pay any obligation which any Grantor has agreed to perform or pay in this Security Agreement and the Grantors shall reimburse the Administrative Agent for any amounts paid by the Administrative Agent pursuant to this Section 8.4. The Grantors' obligation to reimburse the Administrative Agent pursuant to the preceding sentence shall be a Secured Obligation payable on demand.

8.5. Specific Performance of Certain Covenants. Each Grantor acknowledges and agrees that a breach of any of the covenants contained in Sections 4.1(d), 4.1(e), 4.4, 4.5, 4.6, 4.7, 4.8, 4.9, 4.10, 4.11, 4.12, 5.3, or 8.7 or in Article VII will cause irreparable injury to the Administrative Agent and the Secured Parties, that the Administrative Agent and Secured Parties have no adequate remedy at law in respect of such breaches and therefore agrees, without limiting the right of the Administrative Agent or the Secured Parties to seek and obtain specific performance of other obligations of the Grantors contained in this Security Agreement, that the covenants of the Grantors contained in the Sections referred to in this Section 8.5 shall be specifically enforceable against the Grantors.

8.6. Use and Possession of Certain Premises. Upon the occurrence and during the continuance of a Default, the Administrative Agent shall be entitled to occupy and use any premises owned or leased by any Grantor where any of the Collateral or any records relating to the Collateral are located until the Subordinated Secured Obligations are paid or the Collateral is removed therefrom, whichever first occurs, without any obligation to pay any Grantor for such use and occupancy.

8.7. Dispositions Not Authorized. No Grantor is authorized to sell or otherwise dispose of the Collateral except as set forth in Section 4.1(d) and notwithstanding any course of dealing between any Grantor and the Administrative Agent or other conduct of the Administrative Agent, no authorization to sell or otherwise dispose of the Collateral (except as set forth in Section 4.1(d)) shall be binding upon the Administrative Agent

or the Secured Parties unless such authorization is in writing signed by the Administrative Agent with the consent or at the direction of the Required Secured Parties.

8.8. No Waiver; Amendments; Cumulative Remedies. No delay or omission of the Administrative Agent or any Secured Party to exercise any right or remedy granted under this Security Agreement shall impair such right or remedy or be construed to be a waiver of any Default or an acquiescence therein, and any single or partial exercise of any such right or remedy shall not preclude any other or further exercise thereof or the exercise of any other right or remedy. No waiver, amendment or other variation of the terms, conditions or provisions of this Security Agreement whatsoever shall be valid unless in writing signed by the Administrative Agent with the concurrence or at the direction of the Required Secured Parties and then only to the extent in such writing specifically set forth. All rights and remedies contained in this Security Agreement or by law afforded shall be cumulative and all shall be available to the Administrative Agent and the Secured Parties until the Subordinated Secured Obligations have been paid in full.

8.9. Limitation by Law; Severability of Provisions. All rights, remedies and powers provided in this Security Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Security Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they shall not render this Security Agreement invalid, unenforceable or not entitled to be recorded or registered, in whole or in part. Any provision in this Security Agreement that is held to be inoperative, unenforceable, or invalid in any jurisdiction shall, as to that jurisdiction, be inoperative, unenforceable, or invalid without affecting the remaining provisions in that jurisdiction or the operation, enforceability, or validity of that provision in any other jurisdiction, and to this end the provisions of this Security Agreement are declared to be severable.

8.10. Reinstatement. This Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Subordinated Secured Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Subordinated Secured Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Subordinated Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

8.11. Benefit of Agreement. The terms and provisions of this Security Agreement shall be binding upon and inure to the benefit of the Grantors, the Administrative Agent and the Secured Parties and their respective successors and assigns (including all persons who become bound as a debtor to this Security Agreement), except that no Grantor shall have the right to assign its rights or delegate its obligations under this Security Agreement or any interest herein, without the prior written consent of the Administrative Agent. No sales of participations, assignments, transfers, or other dispositions of any agreement governing the Subordinated Secured Obligations or any portion thereof or interest therein shall in any manner impair the Lien granted to the Administrative Agent, for the benefit of the Administrative Agent and the Secured Parties, hereunder.

8.12. Survival of Representations. All representations and warranties of the Grantors contained in this Security Agreement shall survive the execution and delivery of this Security Agreement.

8.13. Taxes and Expenses. Any taxes (including income taxes) payable or ruled payable by Federal or State authority in respect of this Security Agreement shall be paid by the Grantors, together with interest and penalties, if any. The Grantors shall reimburse the Administrative Agent for any and all out-of-pocket expenses

and internal charges (including reasonable attorneys', auditors' and accountants' fees and reasonable time charges of attorneys, paralegals, auditors and accountants who may be employees of the Administrative Agent) paid or incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, collection and enforcement of this Security Agreement and in the audit, analysis, administration, collection, preservation or sale of the Collateral (including the expenses and charges associated with any periodic or special audit of the Collateral). Any and all costs and expenses incurred by the Grantors in the performance of actions required pursuant to the terms hereof shall be borne solely by the Grantors.

8.14. Headings. The title of and section headings in this Security Agreement are for convenience of reference only, and shall not govern the interpretation of any of the terms and provisions of this Security Agreement.

8.15. Termination. This Security Agreement shall continue in effect (notwithstanding the fact that from time to time there may be no Subordinated Secured Obligations outstanding) until (i) the Subordinated Loan Agreement has terminated pursuant to its express terms and (ii) all of the Subordinated Secured Obligations have been indefeasibly paid and performed in full (or with respect to any outstanding letters of credit that are part of the Subordinated Secured Obligations, a cash deposit or supporting letter of credit acceptable to the Secured Party that issued such letter of credit has been delivered to the Administrative Agent) and no commitments of the Administrative Agent or the Secured Parties which would give rise to any Subordinated Secured Obligations are outstanding. Upon the satisfaction in full of the conditions for termination of this Security Agreement set forth above (i) this Security Agreement and the security interest and Lien created hereby shall terminate and all rights to the Collateral shall revert to the Grantors and (ii) the Administrative Agent will, upon the Grantors' request and at the Grantors' expense, (A) return to the Grantors such of the Collateral as shall not have been sold or otherwise disposed of or applied pursuant to the terms hereof and (B) execute and deliver to the Grantors, without recourse, representation or warranty, such documents as the Grantors shall reasonably request to evidence such termination.

8.16. Entire Agreement. This Security Agreement embodies the entire agreement and understanding between the Grantors and the Administrative Agent relating to the Collateral and supersedes all prior agreements and understandings between the Grantors and the Administrative Agent relating to the Collateral.

**8.20. Indemnity. Each Grantor hereby agrees to indemnify the Administrative Agent and the Secured Parties, and their respective successors, assigns, agents and employees, from and against any and all liabilities, damages, penalties, suits, costs, and expenses of any kind and nature (including, without limitation, all expenses of litigation or preparation therefor whether or not the Administrative Agent or any Secured Party is a party thereto) imposed on, incurred by or asserted against the Administrative Agent or the Secured Parties, or their respective successors, assigns, agents and employees, in any way relating to or arising out of this Security Agreement, or the manufacture, purchase, acceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of any Collateral (including, without limitation, latent and other defects, whether or not discoverable by the Administrative Agent or the Secured Parties or any Grantor, and any claim for Patent, Trademark or Copyright infringement) except, claims, losses, damages, liabilities or expenses of any kind and nature whatsoever resulting solely and directly from the gross negligence or willful misconduct the Administrative Agent or one or more of the Secured Parties or a combination thereof as determined by a final judgment of a court of competent jurisdiction.**
