4.5.2 (i) upon filing of properly prepared financing statements indicating the Collateral owned by Debtor naming Debtor as "debtor" and the Secured Party as "secured party" in the filing offices set forth on Annex B hereto, or

(ii) upon completion of the filings necessary to record the security interest in the Intellectual Property, the security interests in the Collateral granted to the Secured Party hereunder will constitute perfected security interests therein superior and prior to all Liens other than as permitted under the Finance Documents, if any.

4.6 No Liens; Other Financing Statements

No financing statement or other evidence of any Lien covering or purporting to cover any of the Collateral is on file in any public office other than (i) financing statements filed or to be filed in connection with the security interests granted to the Secured Party hereunder, (ii) financing statements for which proper termination statements have been filed or delivered to the Secured Party for filing, and (iii) Liens (or U.S. Copyright Office registrations relating thereto) in favor of the Secured Party covering the Copyrights identified in Schedule 4.6(iii) and securing (or purporting to secure) the indebtedness under the Existing Facilities (as defined in the Mezzanine Facility Agreement) to the extent such Liens are permitted under the Senior Facility Agreement and the Mezzanine Facility Agreement; *provided*, however, that such Liens described in this clause (iii) shall be fully released and discharged of record on or prior to the date of this Agreement.

- 7.1.1** to do anything which Debtor is obliged to do (but has not done) under this Security Agreement (including to execute charges over, transfers,

conveyances, assignments and assurances of, and other instruments, notices, orders and directions relating to, the Collateral); and

7.1.2 to, at any time after an Enforcement Action (which shall be continuing), exercise any of the rights conferred on the Secured Party in relation to the Finance Documents, Collateral, the UCC or US Bankruptcy Law or any other applicable law.

7.2 **Ratification** Debtor ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do in the exercise or purported exercise of the power of attorney granted by it in Section 7.1 (*Appointment*).

8 Remedies; Rights Upon Default

8.1 **Rights and Remedies Generally** If an Enforcement Action shall occur and be continuing, then and in every such case, the Secured Party shall have all the rights of a secured party under the UCC, shall have all rights now or hereafter existing under all other applicable laws, and, subject to any mandatory requirements of applicable law then in effect, shall have all the rights set forth in the Senior Facility Agreement, the Mezzanine Facility Agreement and the Intercreditor Agreement and this Security Agreement and all the rights set forth with respect to the Collateral in any other security agreement between the parties.

8.2 **Assembly of Collateral** If an Enforcement Action shall occur and be continuing, upon reasonable notice to Debtor, Debtor shall, at its own expense, assemble the Collateral (or from time to time any portion thereof) and make the Collateral available to the Secured Party at any place or places designated by the Secured Party which is reasonably convenient to both parties.

8.3 **Disposition of Collateral** The Secured Party will give Debtor reasonable notice of the time and place of any public sale of the Collateral or any part thereof or of the time after which any private sale or any other intended disposition thereof is to be made. Debtor agrees that the requirements of reasonable notice to it shall be met if such notice is mailed, postage prepaid to its address specified in Section 9 of this Security Agreement (or such other address that Debtor may provide to the Secured Party in writing) at least ten (10) days before the time of any public sale or after which any private sale may be made.

8.4 **Notification to Account Debtors and Other Persons Obligated on Collateral** If an Enforcement Action shall have occurred and be continuing, Debtor shall, at the request of the Secured Party, notify account debtors and other persons obligated on any of the Collateral of the security interest of the Secured Party in any General Intangible or other Collateral and that payment thereof is to be made directly to the Secured Party or to any financial institution designated by the Secured Party as the Secured Party's agent therefor, and the Secured Party may itself, if an Enforcement Action shall have occurred and be continuing, without notice to or demand upon Debtor, so notify account debtors and other persons obligated on Collateral. After the making of such a request or the giving of any such notification, Debtor shall hold any proceeds of collection of Collateral received by Debtor as trustee for the Secured Party without commingling the same with

other funds of Debtor and shall turn the same over to the Secured Party in the identical form received, together with any necessary endorsements or assignments. The Secured Party shall apply the proceeds of collection of General Intangibles and other Collateral received by the Secured Party to the Liabilities.

Recourse Debtor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to satisfy the Liabilities. Debtor shall also be liable for all reasonable expenses of the Secured Party incurred in connection with collecting such deficiency, including, without limitation, the reasonable fees and disbursements of any outside attorneys employed by the Secured Party to collect such deficiency. The Secured Party shall promptly return to Debtor any proceeds of any sale or other disposition of the Collateral in excess of the Liabilities and any reimbursable expenses incurred in connection with the satisfaction thereof.

8.5 Expenses; Attorneys Fees Debtor shall reimburse the Secured Party for all its reasonable expenses in connection with the exercise of its rights hereunder, including, without limitation, all reasonable outside attorneys' fees and legal expenses incurred by the Secured Party. Expenses of retaking, holding, preparing for sale, selling or the like shall include the reasonable attorneys' fees and legal expenses of the Secured Party. All such expenses shall be secured hereby.

8.6 Limitation on Duties Regarding Preservation of Collateral

- (a) The Secured Party's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession shall be to deal with it in the same manner as the Secured Party deals with similar property for its own account.
- (b) The Secured Party shall have no obligation to take any steps to preserve rights against prior parties to any Collateral.
- (c) Neither the Secured Party nor any of its directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Debtor or otherwise.

9 Limitation on Liabilities by Dutch Guarantors

No obligations shall be included in the definition of Liabilities for the purposes of this Agreement to the extent that the Pledgor would be liable within Sections 2:98c and 2:207c of the Dutch Civil Code (*Burgerlijk Wetboek*).

10 Miscellaneous

10.1 Use of Agents Secured Party may perform any of its duties hereunder by or through agents or employees. Secured Party may consult with legal counsel.

10.2 Indemnity Debtor agrees to indemnify, reimburse and hold the Secured Party and its officers, directors, employees, representatives and agents ("**Indemnitees**") harmless

from any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments or suits for whatsoever kind or nature which may be imposed on, asserted against or incurred by any of the Indemnitees in any way relating to or arising out of this Security Agreement or the transactions contemplated hereby ("**Indemnified Liabilities**"); provided, however, that Debtor shall have no obligation to an Indemnitee hereunder for Indemnified Liabilities arising from the gross negligence, willful misconduct or actual fraud of such Indemnitee. The obligations of Debtor under this Section shall be secured hereby and shall survive payment and performance or discharge of the Liabilities and the termination of this Security Agreement.

10.3 Governing Law THIS SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

10.4 Agent for Service of Process Debtor hereby irrevocably submits to the non-exclusive jurisdiction of any New York State or United States federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to this Security Agreement, and Debtor hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State or United States federal court. Debtor hereby irrevocably waives, to the fullest extent it may legally do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. Debtor agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Debtor hereby irrevocably designates and appoints CT Corporation, 111 Eighth Avenue, New York, NY 10011, Phone (212) 590-9200, Fax (212) 590-9290 as the agent of Debtor to receive on its behalf service of all process brought against it with respect to any such proceeding in any such court in the State of New York, such service being hereby acknowledged by Debtor to be effective and binding on it in every respect. If for any reason such agent shall cease to be available to act as such, then Debtor shall promptly designate a new agent in the Borough of Manhattan in The City of New York.

To the extent permitted by law, Debtor waives trial by jury and waives any objection to venue of any action instituted hereunder.

10.5 Notices Except as otherwise provided herein, any notice required hereunder shall be in writing (including by fax transmission), and shall be deemed to have been validly served, given or delivered upon receipt after transmittal by hand or by courier or in the case of delivery by fax, when sent and receipt has been confirmed, or five business days after deposit in the United States mails, registered first class mail, with proper postage prepaid, and addressed to the party to be notified at the following addresses (or such other address as such party shall designate in a notice delivered to the other party hereunder):

10.6 Successors and Assigns This Security Agreement shall be binding upon and inure to the benefit of Debtor, the Secured Party, all future holders of the Liabilities and their respective successors and permitted assigns, except that Debtor may not assign or transfer any of its rights or obligations under this Security Agreement without the prior written consent of the Secured Party. The Secured Party may only assign or transfer its rights and obligations under this Security Agreement in accordance with the transfer provisions of the Senior Facility Agreement, the Mezzanine Facility Agreement or the Intercreditor Agreement.

10.7 Waivers and Amendments None of the terms or provisions of this Security Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the party against whom enforcement is sought. In the case of any waiver, Debtor and the Secured Party shall be restored to their former position and rights hereunder and under the outstanding Liabilities, and any Default or Enforcement Action waived shall be deemed to be cured and not continuing, but no such waiver shall extend to any subsequent or other Default or Enforcement Action, or impair any right consequent thereon.

- 10.8 No Waiver; Remedies Cumulative** No failure or delay on the part of the Secured Party in exercising any right, power or privilege hereunder and no course of dealing between Debtor and the Secured Party shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Secured Party would otherwise have on any future occasion. The rights and remedies herein expressly provided are cumulative and may be exercised singly or concurrently and as often and in such order as the Secured Party deems expedient and are not exclusive of any rights or remedies which the Secured Party would otherwise have whether by security agreement or now or hereafter existing under applicable law. No notice to or demand on Debtor in any case shall entitle Debtor to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Secured Party to any other or future action in any circumstances without notice or demand.
- 10.9 Termination; Release** When the Liabilities have been paid and performed in full, this Security Agreement shall terminate, and the Secured Party, promptly upon the request and at the sole expense of Debtor, will execute and deliver to Debtor the proper instruments (including UCC termination statements) acknowledging the termination of this Security Agreement, and will duly assign, transfer and deliver to Debtor, without recourse, representation or warranty of any kind whatsoever, such of the Collateral as may be in possession of the Secured Party and has not theretofore been disposed of, applied or released.
- 10.10 Headings Descriptive** The headings of the several Sections and subsections of this Security Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Security Agreement.
- 10.11 Severability** In case any provision in or obligation under this Security Agreement or the Liabilities shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.
- 10.12 Counterparts** This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. An executed counterpart of this instrument delivered by facsimile shall be as effective as a manually executed and delivered counterpart of this instrument.
