NOW, THEREFORE, in consideration of the recitals and the mutual covenants and agreements herein set forth, the parties agree as follows:

ARTICLE I SALE AND PURCHASE OF ASSETS

1.1 Assets to be Transferred. Subject to the terms and conditions set forth in this Agreement, Seller hereby sells, assigns and transfers to Purchaser, and Purchaser hereby purchases and acquires from Seller, free and clear of all security interests, liens, mortgages, charges, claims and other encumbrances of any kind (collectively, "Encumbrances"), all of Seller's right, title and interest in and to the following assets of the Business as the same exist on the date hereof (the "Purchased Assets"):

(a) All of Seller's machinery, equipment, tooling, tools, metrology devices, trade fixtures (regardless of how such trade fixtures may be affixed to the Facility or any real property), computer hardware, spare parts and all other tangible personal property used in the Business, including those items identified on Schedule 1.1(a) hereto (collectively, the "Fixed Assets");

(c) All of Seller's rights under express or implied warranties from third-party suppliers or manufacturers covering the Purchased Assets, including the warranties listed on Schedule 1.1(c);

No event has occurred with respect to the Business which, with the passage of time or the giving of notice, or both, would constitute a violation of any applicable Environmental Laws or non-compliance with any environmental permit Seller has provided Purchaser with true, accurate and complete information pertaining to Seller's knowledge of the environmental history of the operation of the Business and of the Facility.

3.9 Compliance with Laws. Seller is in compliance, with all statutes, laws, rules, regulations, judgments, orders and decrees and all licenses, permits and other governmental authorizations or approvals applicable to the Purchased Assets or the operation of the Business (collectively, as the "Laws"), except for Laws the noncompliance with which, whether in the singular or in the aggregate, will not have a material adverse effect on the Purchased Assets or the Business.
