WITNESSETH:

WHEREAS, pursuant to the Super-Priority Secured Debtor In Possession Multiple Draw Term Loan Agreement, dated as of February 5, 2010 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "*Loan Agreement*"), among Neenah Foundry Company (the "*Borrower*"), the Guarantors party thereto, the Lenders from time to time party thereto and Wilmington Trust FSB, as Administrative Agent, the Lenders have severally agreed to make Loans to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, the Loan Parties are party to the Loan Agreement pursuant to which they have guaranteed the Obligations; and

WHEREAS, the Loan Parties are party to the Loan Agreement pursuant to which the Loan Parties have granted to the Administrative Agent a security interest in all of their Trademarks and Trademark Licenses;

Now, THEREFORE, in consideration of the premises and to induce the Lenders and the Administrative Agent to enter into the Loan Agreement and to induce the Lenders to make the Loans, each Loan Party hereby agrees with the Administrative Agent as follows:

Section 1 Grant of Security Interest in Trademark Collateral

Each Loan Party, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations, hereby mortgages, pledges and hypothecates to the Administrative Agent for the benefit of the Secured Parties, and grants to the Administrative Agent for the benefit of the Secured Parties, a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Loan Party (the "*Trademark Collateral*"):

(a) all of its Trademarks and Trademark Licenses to which it is a party, including, without limitation, those referred to on *Schedule I* hereto;

(b) all goodwill of the business associated with the use of, and symbolized by, each Trademark; and

(c) all Proceeds of the foregoing, including, without limitation, any claim by any Loan Party against third parties for past, present or future (i) infringement or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark or any Trademark License.

Section 2 Event of Default

In addition to all other rights granted to the Administrative Agent under the Loan Agreement and this Agreement, effective only upon an Event of Default each Loan Party hereby sells, assigns, transfers and sets over to the Administrative Agent, for collateral purposes only, such Loan Party's entire right, title and interest in and to all Trademark Collateral and the goodwill of such Loan Party's business connected with and symbolized by the Trademark Collateral as successor to the business to which the Trademark Collateral pertains, together with the right to profits or damages due or accrued, arising out of or in connection with, any and all past, present or future infringements of the Trademark Collateral in the United States and any other country or countries; the same to be held and enjoyed by the Administrative Agent for its own use and behalf, and its legal representatives, successors and assigns as the same would have been held by such Loan Party had such assignment not been made..
