---

this Court having entered orders dated November 2, 2009 [docket no. 133], November 13, 2009 [docket no. 215], and November 19, 2009 [docket no. 267] (collectively the "Bidding Procedures Orders"): (i) approving the Bid Procedures as set forth in the Bidding Procedures Order (the "Bid Procedures") and the break-up fee and expense reimbursement provisions set

**NOW, THEREFORE**, based upon all of the evidence, including affidavits, proffered or adduced at the Sale Hearing, memoranda, objections and arguments of counsel in connection

with the Sale Hearing, and upon the entire record of the Sale Hearing and this Bankruptcy Case; and after due deliberation thereon; and good cause appearing therefor;

**THE COURT HEREBY FINDS AND DETERMINES THAT:<sup>2</sup>**

A. This Court has jurisdiction to hear and determine the Sale Motion pursuant to 28 U.S.C. §§ 157 and 1334(a), and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (N) and (O). Venue of this Bankruptcy Case and the Sale Motion in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief requested herein include Sections 105(a) and 363(b), (f) and (m) of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 9008 and 9014, and Local Rules 2002-1, 2002-2, 2002-4, 2002-5, 6004-1 and 9013-3.

**Notice of Sale, Orders, and Procedures**

C. As evidenced by the affidavits of service and publication previously filed with this Court, and based upon representatives of counsel at the Sale Hearing, proper, timely, adequate and sufficient notice of the Stock Purchase Agreement, the Sale, the Sale Motion, the Bidding Procedures Order, the Bid Procedures and the Sale Hearing has been provided by the Debtor in accordance with Sections 102(1) and 363 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 9014 and 9019, Local Rules 2002-1, 2002-2, 2002-4, 2002-5, 6004-1 and 9013-3, and as required by the Bidding Procedures Order, and no other or further notice of the Bidding Procedures Order, the Sale, the Sale Motion or the Sale Hearing is or shall be required.

---

<sup>2</sup> The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. All findings of fact and conclusions of law announced by the Court at the Sale Hearing in relation to the Sale Motion are hereby incorporated herein to the extent not inconsistent herewith. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

D. A reasonable opportunity to object or be heard regarding the Sale Motion and the relief requested in the Sale Motion has been afforded to all interested Persons, including (a) all creditors, present employees, and equity security holders of the Debtor, (b) all Persons, if any, known to have asserted a property interest or security interest in or lien upon any Dynamic Assets, (c) all Persons who have filed notices of appearance in this Bankruptcy Case or are listed on the Master Service List, (e) the United States Trustee for the District of Massachusetts, (f) counsel for the committee of unsecured creditors (the "Committee"), (g) all federal, state and local taxing, environmental and other governmental authorities that have a reasonably known interest in the relief requested by the Sale Motion, (h) the Internal Revenue Service, (i) the United States Attorney's Office, (j) the attorneys general of each State in which the Debtor conducts business; (k) the Securities and Exchange Commission, (l) all Persons that have expressed an interest in purchasing any of the Dynamic Assets during the past six months and (m) all other Persons identified by the Debtor or its advisors as potential bidders for the Dynamic Assets.

E. Additionally, the Debtor published notice of the Sale, the Sale Motion, the Bid Procedures, and the Sale Hearing in the national edition of the Wall Street Journal. With regard to parties that have Liens, Claims or other interests on, against or in the Debtor and/or the Dynamic Assets, but whose identities are not known by the Debtor, the Court finds that such Publication Notice is sufficient and reasonably calculated under the circumstances to reach such parties.

F. The disclosures made by the Debtor concerning the Stock Purchase Agreement, the Sale, the Sale Motion, the Bidding Procedures Order, the Bid Procedures and the Sale Hearing were complete and adequate.

**Highest and Best Offer**

G. The Bid Procedures afforded a full, fair and reasonable opportunity for any Person to make a higher or better offer to purchase the Dynamic Assets, and no offer that is higher or better than the Sale to the Buyer pursuant to the Stock Purchase Agreement has been made. The Debtor conducted the sale process, including the solicitation of alternative offers, the evaluation of competing bids and the conduct of the auction, in all respects in compliance with and in accordance with the Bidding Procedures Order. The auction process was duly noticed and conducted in a non-collusive, fair and good manner. The Buyer participated in the auction process and complied with the Bidding Procedures Order.

H. As demonstrated by the testimony and other evidence proffered or adduced at the Sale Hearing, (i) the Debtor has diligently and in good faith marketed the Dynamic Assets, (ii) the purchase price contained in the Stock Purchase Agreement constitutes the highest and best offer obtainable for the Dynamic Assets and provides fair and reasonable consideration for such Dynamic Assets, (iii) the Sale will provide a greater recovery for the Debtor's creditors than would be provided by any other practical available alternative, (iv) no other party has offered to purchase the Dynamic Assets on better terms for the Debtor and (v) the purchase price constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, all states, territories and possessions thereof and the District of Columbia.

**Best Interests of Debtor, Its Estate and Its Creditors**

I. The Debtor has demonstrated and proven to the satisfaction of this Court that approval of the Stock Purchase Agreement and consummation of the Sale at this time are in the best interests of the Debtor, its creditors, the estate and all other parties in interest in this

Bankruptcy Case, and that the Sale represents a prudent and good faith exercise of the Debtor's business judgment. The Debtor has articulated good, sufficient and sound business justification and compelling circumstances for a sale of the Dynamic Assets pursuant to Section 363(b) of the Bankruptcy Code prior to, and outside of, a plan of reorganization in that, among other things:

- (1) The Sale will generate proceeds that, together with the other terms and conditions for the Sale as set forth in the Stock Purchase Agreement, constitute the highest and best offer that the Debtor has received to date for the Dynamic Assets, after a diligent and good faith effort to market the Dynamic Assets and solicit alternative offers in accordance with the Bidding Procedures Order, and thus maximizes the value realized for the benefit of the Debtor's estate;
- (2) Prompt approval and consummation of the Sale will preserve the viability of Dynamic, the operating business of ExchangeCo, the shares of which are being transferred to the Buyer to enable Dynamic to continue to operate as a going concern;
- (3) Claims against the Debtor's estate will be minimized as a result of the prompt consummation of the Sale to the Buyer;
- (4) Employees of Dynamic will continue to retain their jobs without dislocation or diminution of value that would be caused if the Sale were delayed or the Debtor liquidated; and
- (5) The Stock Purchase Agreement provides for termination by the Buyer at any time after December 31, 2009 if the Sale has not been consummated by such date, and there exists no other viable purchaser with a higher and better offer.

#### **Section 363(f) Is Satisfied**

J. As a condition to the Sale, the Buyer requires that the Dynamic Assets must be sold free and clear of all Liens and Claims<sup>3</sup> and all other interests, and that the Buyer must have

---

<sup>3</sup> For purposes of this Sale Order, "Liens and Claims" (including references to "Liens or Claims", "Liens, Claims" and "Liens on, Claims against") shall be deemed to refer to, without limitation, any and all claims (as defined in the Bankruptcy Code), mortgages, attachments, liens, leases, pledges, assessments, security interests or other security agreements, indentures, loans, credit agreements, other agreements, instruments, contracts, judgments, adverse claims, levies, charges, options, rights of first refusal, rights of first offer, rescission rights, voting trusts or agreements, set-off rights, recoupment rights, successor, product, environmental, claims relating to taxes, and other liabilities, obligations and other encumbrances or rights of any kind; as to each of the foregoing, whether secured or unsecured, contingent or absolute, liquidated or unliquidated, now existing or hereinafter arising, perfected or unperfected, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, or recorded or unrecorded.

no liability for any liabilities or obligations of the Debtor (or its predecessors). The Buyer would not enter into the Stock Purchase Agreement or consummate the Sale, thus adversely affecting the Debtor's estate and interfering with the Debtor's reorganization efforts, if the Sale of the Dynamic Assets were not to be free and clear of all Liens and Claims and other interests.

K. The Debtor may sell the Dynamic Assets free and clear of all Liens and Claims and other interests, because, in each case, one or more of the requirements set forth in Sections 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Those holders of liens and security interests who withdrew their objections to the Sale or the Sale Motion are deemed to have consented pursuant to Sections 363(f)(2) of the Bankruptcy Code. Those holders of liens and security interests who did object fall within one or more of the other subsections of Sections 363(f) of the Bankruptcy Code and are adequately protected because their liens and security interests, if any, attach to the cash proceeds of the Sale attributable to the Dynamic Assets against which or in which they claim a lien or security interest.

L. Were the Sale of the Dynamic Assets not free and clear of all Liens and Claims and other interests or if the Buyer would, or in the future, could potentially be liable for any such Liens, Claims or other interests, the Buyer would not have entered into the Stock Purchase Agreement and would not consummate the transactions contemplated thereby, which would adversely affect the Debtor, its estate and its creditors.

**Good Faith**

M. The Buyer is a good faith purchaser under Section 363(m) of the Bankruptcy Code and, as such, is entitled to the protections afforded thereby in that: (i) while the Buyer is an insider, the purchase price being paid by the Buyer is fair and reasonable because, among other things, the Bidding Procedures Order required the Debtor to, and the Debtor did, actively seek

alternative offers and conduct a thorough and complete auction process for the Dynamic Assets, thereby permitting the Debtor to obtain the highest and best offer for the Dynamic Assets, and none of the Buyer Parties interfered with any such efforts; (ii) the Buyer, the Debtor and their respective counsel and financial advisors engaged in good faith, arm's length negotiations to determine the terms and conditions of the Stock Purchase Agreement; and (iii) the Debtor and the Buyer have entered into the Stock Purchase Agreement in good faith and without collusion or fraud.

N. No party has alleged any conduct that would constitute improper agreements or conduct under Section 363(n) of the Bankruptcy Code. No party has engaged in any conduct that would permit the avoidance of the Sale, the recovery of excess value and other costs, fees or expenses or the imposition of punitive damages pursuant to Section 363(n) of the Bankruptcy Code.

#### **Validity of The Transfers**

O. Upon the entry of this Sale Order, (a) the Debtor has full corporate power and authority to execute, deliver and perform the Stock Purchase Agreement and all other agreements, instruments and other documents contemplated thereby (the "Transaction Documents") and to consummate the Sale in accordance with the terms and conditions thereof; (b) the execution, delivery and performance by the Debtor of the Stock Purchase Agreement and the other Transaction Documents and the consummation of the Sale have been duly and validly authorized by all necessary corporate action on the part of the Debtor; (c) no consents or approvals, other than those expressly provided for in the Stock Purchase Agreement, are required for the Debtor to consummate the Sale; and (d) any consents and approvals required for

assignment of any Included Assets have been obtained or are not required under Section 363 of the Bankruptcy Code.

P. Consistent with its fiduciary duties, the Debtor's Board of Directors has adequately informed itself of the terms of the Sale and, based on such due diligence and in the exercise of its sound business judgment, has authorized the Sale.

Q. The Debtor holds or will hold good title to the Dynamic Assets as of the Closing and, accordingly, the transfer of the Dynamic Assets to the Buyer (a) will be legal, valid and effective transfers of property of the Debtor's estate to the Buyer; and (b) will vest the Buyer with all right, title and interest of the Debtor in and to the Dynamic Assets, free and clear of all Liens and Claims and other interests pursuant to Sections 363(f) and 105 of the Bankruptcy Code.

**NOW, THEREFORE, IT IS HEREBY ORDERED THAT:**

1. The relief requested in the Sale Motion is hereby granted and approved in its entirety, and the Sale is hereby approved.
2. All objections to the Sale Motion or the relief requested therein that have not been withdrawn, waived or settled, and all reservations of rights included in or related to such objections (whether written or oral), are hereby denied and overruled on the merits, with prejudice.

**Authorization and Approval of the  
Sale and the Stock Purchase Agreement**

3. The Stock Purchase Agreement and all other Transaction Documents, all transactions contemplated in the foregoing and all of the terms and conditions contained in the foregoing, are hereby approved in all respects, and the Sale pursuant to the Stock Purchase Agreement is hereby authorized under, *inter alia*, Sections 363(b) and (f) of the Bankruptcy

Code. The omission from this Sale Order of specific reference to any provision of the Stock Purchase Agreement or any other Transaction Document shall not impair or diminish the efficacy, propriety or approval of any such provision, it being the intent of this Court that the Stock Purchase Agreement and the other Transaction Documents are hereby authorized and approved in their entireties.

4. By the issuance of this Sale Order, the Debtor (including its officers, employees and agents) is hereby authorized and empowered to execute and deliver, consummate and implement, and empowered to take any and all actions necessary or appropriate immediately to (i) consummate and implement the Sale in accordance with the terms and conditions of the Stock Purchase Agreement, the other Transaction Documents, and this Sale Order, (ii) fully perform its obligations under and comply with the terms of the Stock Purchase Agreement and the other Transaction Documents, in each case in accordance with the terms and conditions thereof, (iii) take all further actions as may reasonably be requested by the Buyer for the purpose of assigning, transferring, granting, conveying and conferring to the Buyer, or reducing to possession, any or all of the Dynamic Assets, or as may otherwise be necessary or appropriate for the performance of the Debtor's obligations under the Stock Purchase Agreement and the other Transaction Documents and the consummation of the Sale, in the case of the foregoing clauses (i), (ii) and (iii), without further order of this Court.

#### **Transfer of the Dynamic Assets**

5. Pursuant to Sections 105(a) and 363(f) of the Bankruptcy Code, upon satisfaction (or waiver to the extent permitted by the Stock Purchase Agreement) of the conditions to the Closing, the Dynamic Assets shall be transferred to the Buyer at the Closing, and such transfer shall constitute a legal, valid, binding and effective transfer of such Dynamic Assets and shall be

free and clear of all Liens and Claims and other interests of any kind or nature whatsoever, with all such Liens and Claims and other interests released, terminated and discharged as the Buyer Parties and the Dynamic Assets to attach to the proceeds of the Sale in the order of their priority, with the same validity, force and effect, if any, which they would then have against the Dynamic Assets, subject to any defenses, counterclaims, rights of avoidance and rights under Sections 506(c) or 552(b)(1) of the Bankruptcy Code that the Debtor may have with respect thereto.

6. The transfer of the Dynamic Assets to the Buyer pursuant to the Stock Purchase Agreement shall constitute a legal, valid and effective transfer, assignment and conveyance of the Dynamic Assets, and shall vest the Buyer with all right, title (which shall be good, clear and marketable) and interest of the Debtor in and to the Dynamic Assets free and clear of all Liens and Claims and other interests.

7. All Persons including, but not limited to, all debt security holders, equity security holders, federal, state, or local governmental, tax, environmental and regulatory authorities or agencies, lenders, trade and other creditors, holding any Lien, Claim or interest of any kind or nature whatsoever (including Liens or Claims based on any successor or transferee liability) against or in any Debtor or the Dynamic Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, now existing or hereafter arising, senior or subordinated, accrued, determined, determinable or otherwise); arising under or out of, in connection with, or in any way relating to, the Debtor, the Dynamic Assets, the operation of the Debtor's business prior to the Closing, or the transfer of the Dynamic Assets to the Buyer, are hereby forever barred, estopped and permanently enjoined from asserting, prosecuting or otherwise pursuing any Lien or Claim or any other interest, in each case of any kind or nature whatsoever that any such Person had, has or may have against any Debtor (or their

respective predecessors), the Dynamic Assets, or any other assets or operations of the Debtor or any of the Debtor's predecessors or affiliates against any of the Buyer Parties, the Dynamic Assets, or any other assets or operations of any of the Buyer Parties. No such Person shall assert against any of the Buyer Parties or any of their successors in interest any Lien or Claim or other interest relating to or arising from the Dynamic Assets (including the ownership thereof) or any liabilities calculable by reference to the Debtor or any of its predecessors or any of their respective assets or operations.

8. All Persons are prohibited and enjoined from taking any action to adversely affect or interfere with the ability of the Debtor to transfer the Dynamic Assets to the Buyer in accordance with the Stock Purchase Agreement and this Sale Order. All Persons asserting possessory liens or in possession of some or all of the Dynamic Assets are directed to surrender possession of such Dynamic Assets to the Buyer at the time of the Closing, and any such liens, to the extent valid, shall attach to the proceeds of the Sale.

9. Any amounts payable by the Debtor pursuant to the Stock Purchase Agreement, the Bidding Procedures Order and/or this Sale Order, including all amounts payable by the Debtor pursuant to the Post-Closing Purchase Price Adjustment pursuant to Section 2.3 of the Stock Purchase Agreement constitute administrative expense claims pursuant to section 503(b) and 507(b) of the Bankruptcy Code. The Debtor is hereby authorized and directed to pay all such amounts if and when the Debtor's obligations arise thereunder, without further order of the Court (including, without limitation, out of (i) the Escrow Deposit pursuant to Section 2.3 of the Stock Purchase Agreement, (ii) any deposit paid by a Competing Bidder pursuant to the Bidding Procedures Order or (iii) cash, including, without limitation, cash that is cash collateral of the Debtor's pre-petition lenders (which use of cash collateral such lenders shall be deemed to have

consented to), and no such amount shall be discharged, modified or otherwise affected by any plan of reorganization or liquidation of the Debtor or any dismissal of these Bankruptcy Cases or conversion to a chapter 7 liquidation. Neither the Escrow Deposit nor the account in which the Escrow Deposit is held shall constitute property of the Debtor's estate under section 541 of the Bankruptcy Code.

**Release of Liens and Claims**

10. This Sale Order shall operate to release all Liens on, Claims against and interests in the Dynamic Assets upon the occurrence of the Closing. At or prior to the Closing, each Person is authorized and directed to execute such documents and take all other actions as may be necessary or appropriate to evidence the release of its Liens on, Claims against or interests in the Dynamic Assets, as such Liens, Claims or interests may have been recorded or may otherwise exist. If any Person that has filed any mortgages, deeds of trust, financing statements or other documents or agreements evidencing any Liens on, Claims against or interests in any of the Dynamic Assets shall not have delivered to the Debtor prior to the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases and/or other documents required to release all Liens and Claims and other interests that the Person has with respect to any of the Dynamic Assets, each of the Debtor and the Buyer is hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the Person with respect to such Dynamic Assets. Without limiting the effect of the foregoing, the Debtor and the Buyer are hereby authorized to file, register or otherwise record a certified copy of this Sale Order, which, once filed, registered or otherwise recorded, shall constitute conclusive evidence of the release of all Liens on, Claims against and interests in the Dynamic Assets. The foregoing notwithstanding, the provisions of this Sale Order authorizing

the Sale free and clear of Liens and Claims and other interests shall be self-executing, and notwithstanding the failure of the Debtor, the Buyer or any other party to execute, file or obtain termination statements, instruments of satisfaction, releases, assignments, consents or other documents to effectuate, consummate and/or implement the provisions hereof or of the Stock Purchase Agreement with respect to the Sale and the assignment of the Dynamic Assets, all Liens on, Claims against and interests in the Dynamic Assets shall be deemed unconditionally released, discharged, terminated, divested, void and unenforceable upon the occurrence of the Closing.

11. Nothing in this Order or the Stock Purchase Agreement releases, nullifies, or enjoins the enforcement by a governmental unit of its powers under police and regulatory statutes or regulations that any entity would be subject to as the owner or operator of property after the date of entry of this Order (other than pursuant to any theory of successor, transferee, derivative or vicarious liability, or the *de facto* merger, continuation of enterprise or substantial continuity doctrines, or any similar theories or doctrines; provided, that nothing in this parenthetical shall preclude any enforcement with respect to any contamination existing after the Closing with respect to any property owned or operated by the Buyer after the Closing solely because such contamination may have originated prior to the Closing). Nothing in this Order or the Stock Purchase Agreement authorizes the transfer or assignment to Buyer of any license, permit, registration, authorization, or approval of or with respect to a governmental unit without Buyer's complying with all applicable legal requirements under non-bankruptcy law governing such transfers or assignments.

12. Following the Closing, no holder of any Lien or Claim shall interfere with the Buyer's title to or use and enjoyment of the Dynamic Assets based on or related to any such Lien

or Claim, or based on any actions the Debtor may have taken or may in the future take in its Bankruptcy Case

**Good Faith Purchaser**

13. The Buyer is a purchaser in good faith of the Dynamic Assets and is entitled to all of the protections afforded by Section 363(m) of the Bankruptcy Code.

14. In the absence of a stay pending appeal, the Buyer will be acting in good faith within the meaning of Section 363(m) of the Bankruptcy Code in closing the Sale as contemplated by the Stock Purchase Agreement and the other Transaction Documents, at any time after the entry of this Sale Order and, accordingly, such closing in the face of an appeal will not deprive the Buyer of its status as a good faith purchaser. If the Debtor and the Buyer consummate the Sale while an appeal of this Sale Order is pending, the Buyer shall be entitled to rely upon the protections of Section 363(m) of the Bankruptcy Code, absent any stay pending appeal granted by a court of competent jurisdiction prior to such consummation. Pursuant to Section 363(m) of the Bankruptcy Code, the reversal or modification of this Sale Order or any authorization provided herein shall not affect the validity of the Sale to the Buyer (except to the extent such authorization is duly stayed pending such appeal prior to consummation of the Sale), and if any or all of the provisions of this Sale Order are hereafter reversed, modified or vacated by a subsequent order of this Bankruptcy Court or any other court, such reversal, modification or vacatur shall not affect the validity and enforceability of any sale, transfer or assignment under the Stock Purchase Agreement or obligation or right granted pursuant to the terms of this Sale Order (unless stayed pending appeal), and notwithstanding any reversal, modification or vacatur shall be governed in all respects by the original provisions of this Sale Order or the Stock Purchase Agreement, as the case may be.

15. The Debtor and the Buyer have not engaged in any conduct that would cause or permit the Sale to be avoided, any amounts recovered or damages imposed, or costs, fees or expenses to be recovered, under Section 363(n) of the Bankruptcy Code.

**Additional Provisions**

16. From and after entry of this Sale Order, neither the Debtor nor any other Person shall take or cause to be taken any action that would adversely affect or interfere with the transfer of the Dynamic Assets either to the Debtor prior to the Closing, for subsequent transfer to the Buyer at the Closing, or to the Buyer in accordance with the terms and conditions of the Stock Purchase Agreement and this Sale Order.

17. 20. As of the time of the Closing, all agreements of any kind whatsoever and all orders of this Court entered prior to the date hereof shall be deemed amended or otherwise modified to the extent required to permit the consummation of the Sale.

21. Any of the terms and conditions of the Stock Purchase Agreement and the other Transaction Documents may be waived, modified, amended or supplemented by the parties thereto in accordance with the terms thereof, without further order of the Court.

22. Except for rights granted, or obligations, under, claims pursuant to, and actions taken to enforce any terms of, the Stock Purchase Agreement, any other Transaction Document or any other agreement between Buyer and Seller, or this Sale Order, Buyer and the Debtor, on its own behalf and on the behalf its estate, Subsidiaries and Affiliates (each, a "Releasing Party"), effective as of Closing, hereby release, acquit and forever discharge the other and the

other party's respective estates, Subsidiaries, Affiliates, present directors, officers and employees (each, a **"Released Party"**), from any and all claims, causes of action, demands, costs, debts, damages, obligations and liabilities, whether known or unknown which a Releasing Party has or may come to have against a Released Party, in each case, solely in connection to the ownership or operation of the Business or the Dynamic Assets prior to the Closing, whether directly, indirectly or derivatively, including, but not limited to, negligence or gross negligence (the **"Released Claims"**); provided that the Released Claims shall not include any claims, causes of action, demands, costs, debts, damages, obligations and liabilities, arising from any fraud or intentional misrepresentation. No order shall be entered in this Bankruptcy Case (or in any subsequent Chapter 7 case) that in any way waives, limits or modifies the release of any rights of a Released Party under the release or the Stock Purchase Agreement. The release shall survive any dismissal of these Bankruptcy Cases or conversion of this Bankruptcy Case to a Chapter 7 case.

23. All proceeds of the Sale of the Dynamic Assets authorized hereby shall be retained by the Debtor until distributed in accordance with the Final Cash Collateral Order or further order of this Court.

26. The stay otherwise imposed by Bankruptcy Rules 6004(h) and 6006(d) is hereby waived and this Sale Order shall be effective and enforceable immediately upon entry. Time is
