- (B) Solvay has agreed to assign or as the case may be to procure the assignment of the Trademarks and Domain Names to Sinclair.

The parties agree that:

1. **Interpretation**

In this Deed:

- 1.1 unless otherwise defined or unless the context requires otherwise, terms used shall bear the same meaning as ascribed to them in the Product Transfer Agreement entered into between Solvay and Sinclair on or about the date hereof; and
- 1.2 the following expressions shall have the following meanings:

"Domain Names" means the www.flammazine.com and www.flammacerium.com ;

- (c) all rights to any extensions, renewals or amendments of the Trademarks

to hold the same to Sinclair, its successors and assigns absolutely. Sinclair hereby agrees to and accepts such assignment.

Solvay will (and shall procure that its Affiliates will) cooperate in such registration and execute all documents which Sinclair may reasonably require for this purpose (including, without limitation such documents and deeds as are necessary to register the assignment in any jurisdiction in the world). Such documents shall not be deemed to change, modify or amend this Deed even if executed after the date hereof. Sinclair shall pay any fees and taxes (other than taxes on Solvay's income and excluding Solvay's and its Affiliates internal costs) required in connection with such registration or publication.

4. **Trademark Files**
