## TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made as of March 11, 2010 (the "Effective Date"), from PRESTRESS ENGINEERING CORPORATION, a Delaware corporation (the "Assignor"), to PECM LLC, a Delaware limited liability company (the "Assignee").

### RECITALS

A. Pursuant to an Asset Purchase Agreement dated as of the date hereof (the "Asset Purchase Agreement"), by and between the Assignor and Assignee, the Assignee has agreed to purchase certain assets of the Assignor, including the Assigned Trademark (as defined below) listed on the attached Appendix A.

B. The Assignor is the owner of the Assigned Trademark.

C. The Assignor desires by execution of this Assignment to confirm the assignment of all rights, title and interest in and to the Assigned Trademark to the Assignee, and the Assignee desires by execution of this Assignment to confirm the assignment of all of the Assignors' rights, title, and interest in the Assigned Trademark to the Assignee.

### AGREEMENT

For valuable consideration, including that recited in the Asset Purchase Agreement between the Assignor and Assignee, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby assigns the Assigned Trademark as follows:

1. Definition of Assigned Trademark. The term "Assigned Trademark" shall mean the trademark registration listed in Appendix A, as well as: (a) all common law rights therein; (b) all goodwill associated therewith; (c) all renewals thereof; and (d) all rights of action, powers and benefits accrued thereto, including the right to sue for and/or initiate any proceeding to collect damages and payments for past or future infringements thereof.

2. Assignment of the Assigned Trademark. The Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns all of Assignor's right and title to and interest in the Assigned Trademark.

3. Further Assurances. (a) The Assignor further agrees to take all reasonable and necessary steps to implement the provisions of the Assignment; and (b) Assignor shall provide Assignee, its successors, and assigns, or their legal representatives, cooperation and assistance at Assignee's reasonable request (including the execution and delivery of any and all affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documentation) as may be reasonably required in the implementation or perfection of this Assignment.

4. Incorporation of Representations, Covenants and Warranties. Notwithstanding anything in this Assignment to the contrary, the representations, covenants and warranties of the Assignor contained in the Asset Purchase Agreement are incorporated herein by reference. If there is any conflict between the terms of this Assignment and the Asset Purchase Agreement,

the terms of the Asset Purchase Agreement shall prevail. The parties agree to indemnify and hold harmless one another for violations of this Assignment as provided in the Asset Purchase Agreement.

5. Governing Law. This Assignment shall be governed by the laws of the State of Delaware and the Federal laws of the United States without giving effect to any rule or provision thereof which would cause the application of the law of any other state.

6. Facsimile Signature; Counterparts. This Assignment may be executed by facsimile delivery or other electronic means (*i.e.*, PDF) of original signatures and in counterparts, each of which shall be considered one and the same agreement, and shall become effective when such counterparts have been signed by each party and delivered to the other party.

IN WITNESS WHEREOF, this Assignment has been duly executed by the parties as of the date first written above.
