4.6. *Vehicles.* Upon the written request of Secured Party, Debtor shall cause the Lien in favor of Secured Party to be noted on all certificates of title included in or issued with respect to Collateral.

4.7. *Rolling Stock, Aircraft.* Debtor has no interest in any rolling stock or other railroad equipment or aircraft or aircraft parts (including engines and avionics).

4.8. *Real Property and Leases.* With respect to any real or personal property (including leased real and personal property) in which Debtor has an interest (other than office building located at 136 Fox Run Drive, Defiance, Ohio), if required by Secured Party, Debtor shall use commercially reasonable efforts to cause each lessor and mortgagee and other lienholder of any such property to execute and deliver subordination and non-disturbance agreements in form and substance satisfactory to Secured Party.

4.9. *Patents, Trademarks, and Copyrights.*

(a) Debtor shall ensure that an acknowledgment (approved in form and substance by Secured Party) containing a description of all Collateral consisting of Intellectual Property material to the conduct of Debtor's business and operations shall have been received and recorded by the United States Patent and Trademark Office within one month after the execution of this Agreement with respect to United States Patents and Trademarks and by the United States Copyright Office within one month after the execution of this Agreement with respect to United States registered Copyrights pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205, and otherwise as may be required pursuant to the Laws of any other necessary jurisdiction, to

protect the validity of and to establish a legal, valid, and perfected security interest in favor of Secured Party in respect of all such Collateral consisting of Patents, Trademarks, and Copyrights in which a security interest may be perfected by filing, recording, or registration in the United States and its territories and possessions, or in such other jurisdictions as may be required by Secured Party, and no further or subsequent filing, refile, recording, rerecording, registration, or reregistration is necessary (other than such actions as are necessary to perfect the security interest with respect to any Collateral consisting of Patents, Trademarks, and Copyrights (or registration or application for registration thereof) acquired or developed after the date hereof).

(b) Except as permitted pursuant to the Loan Documents and where an act or failure to act could not reasonably be expected to result in a Material Adverse Effect, Debtor (either itself or through licensees or sublicensees) will not do any act, or omit to do any act, whereby any Patent may become invalidated or dedicated to the public, and shall continue to mark any products covered by a Patent with the relevant patent number as necessary and sufficient to establish and preserve its maximum rights under Applicable Laws.

(c) Except where the failure to do so could not reasonably be expected to have a Material Adverse Effect, Debtor (either itself or through licensees or sublicensees) will, for each Trademark, (i) maintain such Trademark in full force free from any claim of abandonment or invalidity for non-use, except as permitted pursuant to the Loan Documents; (ii) maintain the quality of products and services offered under such Trademark, except products and services offered under Trademarks Disposed of as permitted pursuant to the Loan Documents, (iii) display such Trademark with notice of United States federal or foreign registration to the extent necessary and sufficient to establish and preserve its maximum rights under Applicable Law, except as to Trademarks Disposed of as permitted pursuant to the Loan Documents, and (iv) not use or permit the use of such Trademark in violation of any third party rights.

(d) Except where the failure to do so could not reasonably be expected to have a Material Adverse Effect, Debtor (either itself or through licensees or sublicensees) will, for each work covered by a Copyright, continue to publish, reproduce, display, adopt, and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve its maximum rights under Applicable Laws.

(e) Debtor shall notify Secured Party immediately if it knows or has reason to know that any Intellectual Property material to the conduct of Debtor's business and operations may become abandoned, lost, or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, United States Copyright Office, or any Governmental Authority in any jurisdiction) regarding Debtor's ownership of any Intellectual Property, its right to register the same, or its rights with respect to a License, or to keep and maintain the same, except to the extent that the abandonment, loss, or dedication to the public, or any adverse determination or development regarding Debtor's ownership of any Intellectual Property its right to register the same, or to keep and maintain the same, is permitted pursuant to the Loan Documents and could not reasonably be expected to have a Material Adverse Effect.

(f) In no event shall Debtor, either itself or through any agent, employee, licensee, or designee, file an application for any Patent, Trademark, or Copyright (or for the registration of

any Trademark or Copyright) with the United States Patent and Trademark Office, United States Copyright Office, or any Governmental Authority in any jurisdiction, unless it informs Secured Party within 5 Business Days of such filing, and, upon request of Secured Party, executes and delivers any and all agreements, instruments, documents, and papers as Secured Party may reasonably request to evidence Secured Party's and Secured Creditors' security interest in such Patent, Trademark, or Copyright, and Debtor hereby appoints Secured Party as its attorney-in-fact to execute and file such writings for the foregoing purposes.

(g) Except where the failure to do so could not reasonably be expected to have a Material Adverse Effect, Debtor will take all necessary steps that are consistent with the practice in any proceeding before the United States Patent and Trademark Office, United States Copyright Office, or any Governmental Authority in any other jurisdiction as may be reasonably required by Secured Party, to maintain and pursue each application relating to the Patents, Trademarks, and/or Copyrights (and to obtain the relevant grant or registration), and to maintain each issued Patent and each registration of the Trademarks and Copyrights, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if consistent with good business judgment, to initiate opposition, interference, and cancellation proceedings against third parties.

(h) If Debtor has reason to believe that any Collateral consisting of a Patent, Trademark, or Copyright has been or is about to be infringed, misappropriated, or diluted by a third party, Debtor promptly shall notify Secured Party and shall, if consistent with good business judgment, unless Debtor shall reasonably determine that such Patent, Trademark or Copyright is not material to the conduct of its business or operations, promptly sue for infringement, misappropriation, or dilution and to recover any and all damages for such infringement, misappropriation, or dilution, and take such other actions as are appropriate under the circumstances to protect such Collateral.

(i) If an Event of Default exists, upon the request of Secured Party, Debtor shall use commercially reasonable efforts to obtain all requisite consents or approvals by the licensor of each Copyright License, Patent License, or Trademark License to effect the assignment of all of Debtor's right, title, and interest thereunder to Secured Party or its designee.

(j) In no event shall Debtor acquire or purchase any Patent, Trademark, or Copyright unless it informs Secured Party within 30 Business Days of such purchase or acquisition, and, upon request of Secured Party, executes and delivers any and all agreements, instruments, documents, and papers as Secured Party may request to evidence Secured Party's and Secured Creditors' security interest in such purchased or acquired Patent, Trademark, or Copyright. Debtor hereby appoints Secured Party as its attorney-in-fact to execute and file any application for any Patent, Trademark, or Copyright (or for the registration of any Trademark or Copyright) with the United States Patent and Trademark Office, United States Copyright Office, or any Governmental Authority in any other jurisdiction as may be required by Secured Party, in connection with such purchase or acquisition of any Patent, Trademark, or Copyright.

(k) The parties acknowledge and agree that the Intellectual Property is the sole and exclusive property of Debtor, subject to the terms and conditions stated in this Agreement. Other than in connection with any security interest in the Intellectual Property that Debtor has granted to Secured Party, or any rights and remedies of Secured Party and Secured Creditors under Laws,

Secured Party shall not challenge Debtor's ownership of the Intellectual Property. Debtor expressly retains all rights, at such times when no Event of Default exists, to license third parties to use the Intellectual Property for any purpose whatsoever not in violation of the Loan Documents and which are not exclusive as to prevent Secured Party from using any of the Intellectual Property.

(l) The license granted to Secured Party hereunder shall include the right of Secured Party to grant sublicenses to others to use the Intellectual Property if an Event of Default exists, and to enable such sublicensees to exercise any rights and remedies of Secured Party with respect to the Collateral, as Secured Party reasonably deems necessary or appropriate in the exercise of the rights and remedies of Secured Party. In any country where sublicenses are incapable of registration or where registration of a sublicense will not satisfactorily protect the rights of Debtor and Secured Party, Secured Party shall also have the right to designate other parties as direct licensees of Debtor to use the Intellectual Property if an Event of Default exists and to enable such direct licensees to exercise any rights and remedies of Secured Party as such licensees reasonably deem necessary or appropriate and Debtor agrees to enter into direct written licenses with the parties as designated on the same terms as would be applicable to a sublicense, and any such direct license may, depending on the relevant local requirements, be either (a) *in lieu* of a sublicense or (b) supplemental to a sublicense. In either case, the parties hereto shall cooperate to determine what shall be necessary or appropriate in the circumstances. For each sublicense to a sublicensee and direct license to a licensee, Debtor appoints Secured Party its agent for the purpose of exercising quality control over the sublicensee. Debtor shall execute this Agreement and each other agreement necessary to effect the purposes of this Agreement in any form, content and language suitable for recordation, notice and/or registration in all available and appropriate agencies of foreign countries as Secured Party may reasonably require.

(m) In connection with the assignment or other transfer (in whole or in part) of its obligations to any other Person, Secured Party may assign the license granted herein without Debtor's consent (other than any consent required by the Credit Agreement) and upon such assignment or transfer such other Person shall thereupon become vested with all rights and benefits in respect thereof granted to Secured Party under this Agreement (to the extent of such assignment or transfer).

(n) The parties hereto shall take reasonable action to preserve the confidentiality of the Intellectual Property; *provided*, that Secured Party shall not have any liability to any Person for any disclosure of the Intellectual Property in connection with Secured Party's enforcement of its rights under this Agreement or Laws.

(o) With respect to each franchisee of Debtor who has been granted a license or other right to use any Intellectual Property of Debtor, Debtor shall use commercially reasonable efforts to cause to be maintained, at all times that such franchisee has any right to use such Intellectual Property, an effective license agreement between Debtor and such franchisee.

4.10. *Rights to Dividends and Distributions.* With respect to any certificates, bonds, or other Instruments or Securities constituting a part of the Collateral, Secured Party shall have authority if an Event of Default exists either to have the same registered in Secured Party's name or in the name of a nominee, and, with or without such registration, to demand of the issuer thereof, and to receive and receipt for, any and all dividends and distributions (including any

stock or similar dividend or distribution) payable in respect thereof, whether they be ordinary or extraordinary. Secured Party shall endeavor to provide Debtor with notice of any such action by Secured Party pursuant to the preceding sentence; *provided*, any failure to provide any such notice shall not impair any right or action of Secured Party or any Secured Creditor. If Debtor shall become entitled to receive or shall receive any interest in or certificate (including, without limitation, any interest in or certificate representing a dividend or a distribution in connection with any reclassification, increase, or reduction of capital, or issued in connection with any reorganization), or any option or rights arising from or relating to any of the Collateral, whether as an addition to, in substitution of, as a conversion of, or in exchange for any of the Collateral, or otherwise, Debtor agrees to accept the same as Secured Party's agent and to hold the same in trust on behalf of and for the benefit of Secured Party, and to deliver the same immediately to Secured Party in the exact form received, with appropriate undated stock or similar powers, duly executed in blank, to be held by Secured Party, subject to the terms hereof, as Collateral. Unless an Event of Default exists or will result therefrom and subject to the Credit Agreement, Debtor shall be entitled to receive all cash dividends distributions not representing a return of capital or liquidating dividend paid or distributed with respect to the Pledged Equity Interest, other than dividends or distributions or interests payable in Equity Interests of the issuer of such Pledged Equity Interest which, if evidenced by certificated securities, shall be delivered to Secured Party as set forth in the immediately preceding sentence, whether or not an Event of Default exists). Secured Party shall be entitled to all dividends and distributions, and to any sums paid upon or in respect of any Collateral, upon the liquidation, dissolution, or reorganization of the issuer thereof which shall be paid to Secured Party to be held by it as additional collateral security for and application to the Secured Obligations as provided in the Credit Agreement and other Loan Documents. All dividends, distributions and Proceeds paid or distributed in respect of the Collateral which are received by Debtor in violation of this Agreement shall, until paid or delivered to Secured Party, be held by Debtor in trust as additional Collateral for the Secured Obligations.

4.11. *Right of Secured Party to Notify Issuers.* If an Event of Default exists and at such other times as Secured Party is entitled to receive dividends, distributions and other property in respect of or consisting of any Collateral which is or represents a Security or Equity Interest, Secured Party may notify issuers of such Security or Equity Interest to make payments of all dividends and distributions directly to Secured Party and Secured Party may take control of all Proceeds of any Securities and Equity Interests. Until Secured Party elects to exercise such rights, if an Event of Default exists, Debtor, as agent of Secured Party, shall collect, segregate and hold in trust all dividends and other amounts paid or distributed with respect to Securities and Equity Interests.

4.12. *Insurance.* Debtor shall, at its own expense, maintain insurance in accordance with the terms set forth in the Credit Agreement. All such policies of insurance shall be written for the benefit of Secured Party for itself and Secured Creditors and Debtor, as their interests may appear, and shall provide for at least thirty Business Days' prior written notice of cancellation to Secured Party. Upon reasonable request by Secured Party, Debtor shall promptly furnish to Secured Party evidence of such insurance in form and content reasonably satisfactory to Secured Party. If Debtor fails to perform or observe any applicable covenants as to insurance, Secured Party may at its option obtain insurance on only Secured Party's and Secured Creditors' interest in the Collateral, any premium thereby paid by Secured Party to become part of the Secured Obligations, bear interest prior to the existence of an Event of Default, at the then

applicable Base Rate, and during the existence of an Event of Default, at the Default Rate. If Secured Party maintains such substitute insurance, the premium for such insurance shall be due on demand and payable by Debtor to Secured Party. Debtor grants and appoints Secured Party its attorney-in-fact to endorse any check or draft that may be payable to Debtor in order to collect any payments in respect of insurance, including any refunds of unearned premiums in connection with any cancellation, adjustment, or termination of any policy of insurance. Secured Party shall endeavor to provide Debtor with a copy of each such item endorsed by Secured Party; *provided*, any failure to provide any such copy shall not impair any right or action of Secured Party or any Secured Creditor. Any such sums collected by Secured Party shall be credited, except to the extent applied to the purchase by Secured Party of similar insurance, to any amounts then owing on the Secured Obligations in accordance with the Credit Agreement.

4.13. *Transfers and Other Liens.* Except as permitted by the Credit Agreement, Debtor shall not (a) sell, assign (by operation of Law or otherwise) or otherwise dispose of, or grant any option with respect to, any of the Collateral, except as permitted under the Credit Agreement and the other Loan Documents, or (b) create or permit to exist any Lien, option, or other charge or encumbrance upon or with respect to any of (i) the Pledged Equity Interests, or (ii) the Collateral (other than the Pledged Equity Interests), except for Permitted Liens.

4.14. *Secured Party Appointed Attorney-in-Fact.* Debtor hereby irrevocably appoints Secured Party Debtor's attorney-in-fact (exercisable if an Event of Default exists), with full authority in the place and stead of Debtor and in the name of Debtor or otherwise to take any action and to execute any instrument which Secured Party may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation (*provided*, Secured Party shall not have any duty to take any such action or execute any instrument):

(a) to obtain and adjust insurance required to be paid to Secured Party pursuant to Section 4.12;

(b) to ask, demand, collect, sue for, recover, compromise, receive, and give acquittance and receipts for moneys due and to become due under or in connection with the Collateral;

(c) to receive, indorse, and collect any drafts or other Instruments, Documents, and Chattel Paper, in connection therewith; and

(d) to file any claims or take any action or institute any proceedings which Secured Party may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Collateral or the rights of Secured Party with respect to any of the Collateral.

DEBTOR HEREBY IRREVOCABLY GRANTS TO SECURED PARTY DEBTOR'S PROXY (EXERCISABLE IF AN EVENT OF DEFAULT EXISTS) TO VOTE ANY SECURITIES INCLUDED IN COLLATERAL (INCLUDING ANY PLEDGED EQUITY INTEREST) AND APPOINTS SECURED PARTY DEBTOR'S ATTORNEY-IN-FACT (EXERCISABLE IF AN EVENT OF DEFAULT EXISTS) TO PERFORM ALL OBLIGATIONS OF DEBTOR UNDER THIS AGREEMENT AND TO EXERCISE ALL OF SECURED PARTY'S AND EACH OTHER SECURED CREDITOR'S RIGHTS

HEREUNDER. THE PROXY AND EACH POWER OF ATTORNEY HEREIN GRANTED, AND EACH STOCK POWER AND SIMILAR POWER NOW OR HEREAFTER GRANTED (INCLUDING ANY EVIDENCED BY A SEPARATE WRITING), ARE COUPLED WITH AN INTEREST AND ARE IRREVOCABLE PRIOR TO THE RELEASE DATE.

TEXAS FINANCE CODE SECTION 307.052 COLLATERAL PROTECTION INSURANCE NOTICE (IF DEBTOR IS A "DEBTOR" AS DEFINED IN SUCH SECTION): (A) DEBTOR IS REQUIRED TO: (i) KEEP THE COLLATERAL INSURED AGAINST DAMAGE IN THE AMOUNT SECURED PARTY AND THE LOAN DOCUMENTS SPECIFY; AND (ii) NAME SECURED PARTY AS THE PERSON TO BE PAID UNDER THE POLICY OR POLICIES IN THE EVENT OF A LOSS; (B) DEBTOR MUST, IF REQUIRED BY SECURED PARTY OR THE LOAN DOCUMENTS, DELIVER TO SECURED PARTY A COPY OF EACH POLICY AND PROOF OF THE PAYMENT OF PREMIUMS; AND (C) IF DEBTOR FAILS TO MEET ANY REQUIREMENT LISTED IS CLAUSES (A) OR (B), SECURED PARTY MAY OBTAIN COLLATERAL PROTECTION INSURANCE ON BEHALF OF DEBTOR AT DEBTOR'S EXPENSE.

Secured Party shall endeavor to provide Debtor with notice of any action by Secured Party pursuant to this Section 4.14; *provided*, any failure to provide any such notice shall not impair any right or action of Secured Party or any Secured Creditor.

4.15. *Dilution of Ownership.* As to any Pledged Equity Interests, Debtor will not consent to or approve of the issuance of (a) any additional shares or units of any class of Equity Interests of such issuer (unless promptly upon issuance additional Equity Interests are pledged and delivered to Secured Party pursuant to the terms hereof to the extent necessary to give Secured Party a security interest after such issuance in at least the same percentage of such issuer's outstanding securities or other Equity Interest as Secured Party had before such issuance), (b) any instrument convertible voluntarily by the holder thereof or automatically upon the occurrence or non-occurrence of any event or condition into, or exchangeable for, any such securities or other Equity Interests, or (c) any warrants, options, contracts or other commitments entitling any third party to purchase or otherwise acquire any such securities or other Equity Interests.

4.16. *Waiver.* To the extent not prohibited by Applicable Law, Debtor agrees that any provision of any Organization Document of any issuer of any Collateral, any Applicable Law, any certificate or instrument evidencing Collateral or any other governance document that in any manner restricts, prohibits or provides conditions to (a) the grant of a Lien on any interest in such issuer or any other Collateral, (b) any transfer of any interest in such issuer or any other Collateral, (c) any change in management or control of such issuer or any other Collateral, (d) the admission of any transferee of any Collateral as a shareholder, member, partner or other equity holder of the issuer of such Collateral, or (e) any other exercise by Secured Party or any other Secured Creditor of any rights pursuant to this Agreement, any other Loan Document or Law shall not apply to (i) the grant of any Lien hereunder, (ii) the execution, delivery and performance of this Agreement by Debtor, or (iii) the foreclosure or other realization upon any interest in any Collateral. Furthermore, Debtor will not permit any amendment to or restatement of any Organization Document or any other governance document or enter into or permit to exist any agreement that in any manner adversely affects Secured Party's ability to foreclose on any

Collateral or which conflicts with the provisions of this Section 4.16 without the prior written consent of Secured Party.

4.17. *Restrictions on Securities.* No issuer of any Pledged Equity Interests which is either a partnership or limited liability company shall amend or restate its Organization Documents to provide that any Equity Interest of such issuer is a security governed by Chapter 8 of the UCC or permit any Equity Interest of such issuer to be evidenced by a certificate or other instrument. No certificate or other instrument evidencing or constituting any Pledged Equity Interest shall contain any restriction on transfer or other legend not acceptable to Secured Party. With respect to each certificate that contains any such legend that is not acceptable to Secured Party, Debtor shall cause the issuer of each such certificate to be reissued in a form acceptable to Secured Party.

4.18. *Changes to Representations, Schedules.* Not later than 30 days after the last day of each fiscal quarter of Borrower during which any information disclosed on any Schedule to this Agreement changed and at such other times as required by this Agreement, Debtor shall deliver to Secured Party any updated Schedule (*provided*, the delivery of any updated Schedule shall not be deemed a waiver of any obligation of Debtor under any Loan Document and such updated Schedule shall not be effective until it is accepted by Secured Party). Debtor shall promptly notify Secured Party of any change in any representation herein and any information on any Schedule hereto if such change could reasonably be expected to have a Material Adverse Effect.

ARTICLE V

RIGHTS AND POWERS OF SECURED PARTY.

5.1. *Secured Party May Perform.* If Debtor fails to perform any agreement contained herein, Secured Party may itself perform, or cause performance of, such agreement, and the expenses of Secured Party incurred in connection therewith shall be payable by each Debtor under Section 5.6. Secured Party shall endeavor to provide Debtor with notice of any action by Secured Party pursuant to the preceding sentence; *provided*, any failure to provide any such notice shall not impair any right or action of Secured Party or any Secured Creditor.

5.2. *Secured Party's Duties.* The powers conferred on Secured Party hereunder are solely to protect Secured Party's and Secured Creditors' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by Secured Party and Secured Creditors hereunder, neither Secured Party nor any other Secured Creditor shall have any duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders, or other matters relative to any Collateral, whether or not Secured Party or any other Secured Creditor has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which Secured Party accords its own property. Except as provided in this Section 5.2, neither Secured Party nor any other Secured Creditor shall have any duty or liability to protect or preserve any Collateral or to preserve rights pertaining thereto. Nothing contained in this Agreement shall be construed as requiring or obligating Secured Party or any other Secured Creditor, and neither Secured Party

nor any other Secured Creditor shall be required or obligated, to (a) present or file any claim or notice or take any action, with respect to any Collateral or in connection therewith or (b) notify Debtor of any decline in the value of any Collateral.

5.3. *Events of Default.* The occurrence of any one or more of the following events shall constitute an Event of Default (each, an “*Event of Default*”):

(a) Any representation or warranty made by or on behalf of Debtor in this Agreement shall be false in any material respect as of the date on which made.

(b) The breach by Debtor of any of the terms or provisions of Sections 4.2, 4.4, or 4.15.

(c) The breach by Debtor (other than a breach which constitutes an Event of Default under Section 5.3(a) or (b)) of any of the terms or provisions of this Agreement which is not remedied within 30 days after first to occur of (i) the giving of written notice to Debtor by Secured Party, and (ii) Debtor having knowledge of the existence of such breach.

(d) The existence of an Event of Default (as defined in the Credit Agreement).

5.4. *Remedies.* If an Event of Default exists:

(a) Secured Party may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it or any other Secured Creditor pursuant to any Applicable Law, all the rights and remedies of a secured party on default under the Uniform Commercial Code in effect in the State of Texas at that time (whether or not the Uniform Commercial Code applies to the affected Collateral), and also may require Debtor to, and Debtor will at its expense and upon request of Secured Party forthwith, assemble all or part of the Collateral as directed by Secured Party and make it available to Secured Party at a place to be designated by Secured Party which is reasonably convenient to both parties at public or private sale, at any of Secured Party’s offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as Secured Party may deem commercially reasonable. Debtor agrees that, to the extent notice of sale shall be required by Law, ten days’ notice to Debtor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. Secured Party shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All cash proceeds received by Secured Party upon any sale of, collection of, or other realization upon, all or any part of the Collateral shall be applied as set forth in the Credit Agreement.

(c) All payments received by Debtor under or in connection with any Collateral shall be received in trust for the benefit of Secured Party, shall be segregated from other funds of Debtor, and shall be forthwith paid or delivered over to Secured Party in the same form as so received (with any necessary indorsement).

(d) Because of the Securities Act of 1933, as amended (“*Securities Act*”), and other Laws, including without limitation state “blue sky” Laws, or contractual restrictions or agreements, there may be legal restrictions or limitations affecting Secured Party in any attempts to dispose of the Collateral and the enforcement of rights under this Agreement. For these reasons, Secured Party is authorized by Debtor, but not obligated, if any Event of Default exists, to sell or otherwise dispose of any of the Collateral at private sale, subject to an investment letter, or in any other manner which will not require the Collateral, or any part thereof, to be registered in accordance with the Securities Act, or any other Law. Secured Party is also hereby authorized by Debtor, but not obligated, to take such actions, give such notices, obtain such consents, and do such other things as Secured Party may deem required or appropriate under the Securities Act or other securities Laws or other Laws or contractual restrictions or agreements in the event of a sale or disposition of any Collateral. Debtor understands that Secured Party may in its discretion approach a restricted number of potential purchasers and that a sale under such circumstances may yield a lower price for the Collateral than would otherwise be obtainable if same were registered and/or sold in the open market. No sale so made in good faith by Secured Party shall be deemed to be not “commercially reasonable” because so made. Debtor agrees that if an Event of Default exists, and Secured Party sells the Collateral or any portion thereof at any private sale or sales, Secured Party shall have the right to rely upon the advice and opinion of appraisers and other Persons, which appraisers and other Persons are acceptable to Secured Party, as to the best price reasonably obtainable upon such a private sale thereof. In the absence of actual fraud or gross negligence, such reliance shall be conclusive evidence that Secured Party and the other Secured Creditors handled such matter in a commercially reasonable manner under Applicable Law. To the extent required by applicable Law, Secured Party shall provide notice to Debtor of an action taken by Secured Party pursuant to this Section 5.4(d).

(e) After notice to Debtor, Secured Party and such Persons as Secured Party may reasonably designate shall have the right, at Debtor’s own cost and expense, to verify under reasonable procedures, the validity, amount, quality, quantity, value, condition, and status of, or any other matter relating to, the Collateral, including, in the case of Accounts or Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Collateral for the purpose of making such a verification. Secured Party shall have the absolute right to share any information it gains from such inspection or verification with any Secured Creditor.

(f) For purposes of enabling Secured Party to exercise rights and remedies under this Agreement, Debtor grants (to the extent not otherwise prohibited by a license with respect thereto) to Secured Party an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to Debtor or any other Person; *provided*, that if the license granted to Secured Party is a sublicense, Debtor shall be solely responsible for, and indemnify Secured Party against, any royalty or other compensation payable to Debtor’s licensor or other Person) to use all of Debtor’s Software, and including in such license reasonable access to all media in which any of the licensed items may be recorded and all related manuals. The use of such license by Secured Party shall be exercised, at the option of Secured Party, if an Event of Default exists; *provided*, that any license, sub-license, or other transaction entered into by Secured Party in accordance herewith during the existence of an Event of Default shall be binding upon Debtor notwithstanding any subsequent cure or waiver of an Event of Default. Secured Party shall endeavor to provide Debtor with notice of exercise of any rights with respect to such license;

provided, any failure to provide any such notice shall not impair any right or action of Secured Party or any Secured Creditor.

(g) *Intentionally omitted.*

5.5. *Appointment of Receiver or Trustee.* In connection with the exercise of Secured Party's rights under this Agreement or any other Loan Document, Secured Party may, if an Event of Default exists, obtain the appointment of a receiver or trustee to assume, upon receipt of any necessary judicial or other Governmental Authority consents or approvals, control of or ownership of any Collateral. Such receiver or trustee shall have all rights and powers provided to it by Law or by court order or provided to Secured Party under this Agreement or any other Loan Document. Upon the appointment of such trustee or receiver, Debtor shall cooperate, to the extent necessary or appropriate, in the expeditious preparation, execution, and filing of an application to any Governmental Authority or for consent to the transfer of control or assignment of such Collateral to the receiver or trustee. To the extent required by applicable Law, Secured Party shall provide to Debtor notice of the request for or appointment of such receiver or trustee.

5.6. *Further Approvals Required.*

(a) In connection with the exercise by Secured Party of rights under this Agreement that affects the disposition of or use of any Collateral (including rights relating to the disposition of or operation under any Permit), it may be necessary to obtain the prior consent or approval of Governmental Authorities and other Persons to a transfer or assignment of Collateral. Debtor shall execute, deliver, and file, and hereby appoints (to the extent not prohibited by Applicable Law) Secured Party as its attorney (exercisable if an Event of Default exists), to execute, deliver, and file on Debtor's behalf and in Debtor's name, all applications, certificates, filings, instruments, and other documents (including without limitation any application for an assignment or transfer of control or ownership) that may be necessary or appropriate, in Secured Party's reasonable opinion, to obtain such consents or approvals. Secured Party shall endeavor to provide Debtor with a copy of each such document executed, delivered or filed by Secured Party; *provided*, any failure to provide any such copy shall not impair any right or action of Secured Party or any Secured Creditor. Debtor shall use commercially reasonable efforts to obtain the foregoing consents, waivers, and approvals, including receipt of consents, waivers, and approvals under applicable agreements regardless of whether a Default or Event of Default exists.

(b) Debtor acknowledges that there is no adequate remedy at Law for failure by it to comply with the provisions of this Section 5.6 and that such failure would not be adequately compensable in damages, and therefore agrees that this Section 5.6 may be specifically enforced.

5.7. *INDEMNITY AND EXPENSES.*

(a) **DEBTOR WILL UPON DEMAND PAY TO SECURED PARTY AND EACH SECURED CREDITOR THE AMOUNT OF ANY AND ALL EXPENSES, INCLUDING THE FEES AND EXPENSES OF ITS COUNSEL AND OF ANY EXPERTS AND AGENTS, WHICH SECURED PARTY OR SUCH SECURED CREDITOR MAY INCUR IN CONNECTION WITH (I) THE CUSTODY, PRESERVATION, USE OR OPERATION OF, OR THE SALE OF, COLLECTION FROM, OR OTHER**

REALIZATION UPON, ANY OF THE COLLATERAL, (II) THE EXERCISE OR ENFORCEMENT OF ANY OF THE RIGHTS OF SECURED PARTY OR ANY SECURED CREDITOR HEREUNDER, OR (III) THE FAILURE BY DEBTOR TO PERFORM OR OBSERVE ANY OF THE PROVISIONS HEREOF.

(b) DEBTOR WILL UPON DEMAND PAY TO SECURED PARTY AND EACH SECURED CREDITOR THE AMOUNT OF ANY AND ALL REASONABLE EXPENSES, INCLUDING THE REASONABLE FEES AND EXPENSES OF ITS COUNSEL AND OF ANY EXPERTS AND AGENTS, WHICH SECURED PARTY OR SUCH SECURED CREDITOR MAY INCUR IN CONNECTION WITH THE ENFORCEMENT OF THIS AGREEMENT.

6.3. *Amendments; Waivers.* No amendment or waiver of any provision of this Agreement, and no consent to any departure by the Debtor, shall be effective unless in writing signed by the Secured Party and Debtor, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

6.10. *Obligations Not Affected.* To the fullest extent not prohibited by Applicable Law, the obligations of Debtor under this Agreement shall remain in full force and effect without regard to, and shall not be impaired or affected by:
