## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made as of January 4, 2008 (the "Effective Date"), between Breg, Inc., a California corporation ("Assignor"), and KLC Services, Inc., an Ohio corporation with a principal place of business at 6180 Lloret Court, Columbus, Ohio 43228 ("Assignee"), and is being entered into pursuant to the Asset Purchase Agreement, dated as of January 4, 2008 between Assignor and Assignee (the "Purchase Agreement"). Capitalized terms used but not defined herein shall have the meaning set forth in the Purchase Agreement.

WHEREAS, in and pursuant to the Purchase Agreement, Assignor agreed to sell, convey, assign, and transfer to Assignee all of Assignor's right, title and interest in and to the trademark "FLEX-MATE" as registered with the U.S. Patent and Trademark Office in U.S. Registration No. 1,898,777 for the goods set forth therein, and such U.S. Registration No. 1,898,777 (the "Trademark");

NOW, THEREFORE, in consideration of the payment of ten U.S. Dollars (US\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, conveys, and transfers to Assignee, and Assignee hereby purchases, acquires, and receives from Assignor, all of Assignor's rights, title and interest in and to the Trademark, to be held and enjoyed by Assignee, its successors, heirs and assigns on and as of the Effective Date as fully and entirely as Assignor held and enjoyed immediately before this Assignment not been made.

Assignor and Assignee agree that, as of the Effective Date, Assignee shall solely and exclusively own and hold all of Assignor's rights, title and interest in and to the Trademark and any right therein and thereof, and have all responsibility and liability with regard to the Trademark and its maintenance. Assignor shall not retain any right, title or interest in and to, or any responsibility or liability regarding, the Trademark or any right therein or thereof or registration therefor. For the avoidance of doubt, Assignee shall solely and exclusively have the right and be entitled, in its sole discretion, in and/or under the laws of any country and jurisdiction, to (i) initiate any action, litigation, arbitration or other proceeding, and seek, enforce, and benefit from any right, remedy and/or award, in connection with the Trademark, or any infringement thereof before, on or after the Effective Date, and (ii) maintain, cancel, or let expire the registration for the Trademark.

If and to the extent requested by Assignee, Assignor shall cause, and hereby authorizes, the United States Patent and Trademark Office to record Assignee as the sole and exclusive owner of the registration covering the Trademark, and to issue any certificate, document or process for such registration in the name and for the benefit of Assignee.

Assignor sells, assigns, conveys and transfers the Trademark and any and all rights, title and interest sold, assigned, conveyed and transferred under this Assignment without any representation and warranty. Assignor disclaims any and all express or implied warranty and representation regarding the Trademark and any right, title or interest sold, assigned, conveyed and transferred under this Assignment, including, without limitation, any warranty of validity, enforceability, merchantability, fitness for a particular purpose, title and non-infringement.

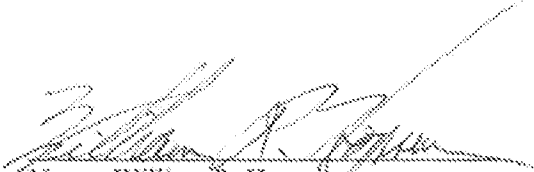

This Assignment shall be binding upon each Assignor and Assignor's successors, heirs and assigns, and shall be binding upon and inure to the benefit of Assignee and its successors, heirs and assigns. This Assignment is governed by applicable U.S. federal law and the law of the State of California, United States of America, without regard to any conflict of laws provisions that may require the application of any other law.

This Assignment shall not be deemed to limit, alter, impair, defeat, enhance or enlarge any right, obligation, claim or remedy created by the Purchase Agreement, including any and all of its schedules and exhibits, and in the event of any conflict between the Purchase Agreement and this Assignment, the Purchase Agreement shall prevail.
