Notwithstanding the foregoing, in no event shall the Purchaser be responsible for Claims brought by a third-party with respect to the Intellectual Property which arise prior to the Closing.

2. At the request and expense of the Purchaser, but with no additional compensation to the Seller, the Seller agrees to perform all reasonable and proper additional acts and to execute any additional documents that the Purchaser may require in order to transfer all of the Seller's rights, title and interest in and to the Intellectual Property to the Purchaser, its successors, or assigns.
