The partner in the applicable firm accepting such assignment is hereinafter referred to as the "Arbiter." In resolving any disputed item, the Arbiter may not assign a value to any particular item greater than the greatest value for such item claimed by either party or less than the smallest value for such item claimed by either party, in each case, as presented to the Arbiter. Each of Buyer and Caldon covenants and agrees to cooperate fully with the Arbiter and to provide to the Arbiter such information, documents and records as he or she may request. The Arbiter shall be requested to complete his or her determination as soon as possible but in any event within 90 days after the date of his or her engagement. All decisions of the Arbiter shall be final and binding on the parties hereto. Any difference between the amount of Net Working Capital presented in the Final Working Capital Certificate (the "Final Net Working Capital"), whether agreed to by Buyer and

Caldon, or determined by the Arbiter, and the amount of Net Working Capital presented in the Estimated Working Capital Certificate shall be settled as follows:

(i) If the Final Net Working Capital is greater than the Estimated Net Working Capital, then Buyer shall pay Caldton, in cash, the resulting difference; or

(ii) if the Final Net Working Capital is less than the Estimated Net Working Capital, then Caldton shall pay Buyer, in cash, the resulting difference.

Any amounts owed to a party pursuant to the preceding sentence shall be paid by the other party by wire to a United States bank account designated by the owed party, together with interest thereon at the 90 day London Interbank Offered Rate as of the date of payment.

(d) The Arbiter shall have authority to charge either party with the fees and costs of the Arbiter if the Arbiter finds such allocation to be justified. In all other cases Buyer and Caldton shall each bear one-half of the fees and costs of the Arbiter, and each party shall bear its own costs incurred in connection with the submission of such disputes to the Arbiter.

The execution and delivery by each Seller of this Agreement, and each other agreement, certificate and other writing executed and delivered (or to be executed and delivered) by each Seller hereunder, and the taking by each Seller of the actions to be taken by it in connection with the Transaction do not and will not:

(i) Neither Seller owns real property in fee simple. Section 3.2(o)(i) of the Disclosure Schedule sets forth a list of all real property that is leased by the Limited Partner or Caldon Ltd. for use by the Business as of the date hereof (the "Real Property"). (B) To the knowledge of each Seller, the conduct of the Business as currently conducted does not infringe upon any Intellectual Property of any third party. There is no claim, suit, action or proceeding that is either pending or, to the knowledge of either Seller, threatened, that, in either case, involves a claim of infringement by either Seller of any Intellectual Property of any third party, or challenging the ownership, right to use, or the validity of any Intellectual Property listed or required to be listed in Section 3.2(p)(i) of the Disclosure Schedule. Neither Seller has knowledge of any basis for any such claim of infringement or knowledge of any continuing infringement by any other Person of any of the Intellectual Property listed or required to be listed in Section 3.2(p)(i) of the Disclosure Schedule;

Buyer's (or, at Buyer's option, any of its Affiliate's) 401(k) plan (if any) will be amended to accept rollovers of such distributions from Caldon's 401(k) plan for electing Caldon Designated Employees, to the extent such distributions are eligible for rollover treatment under Section 402 of the Code.

(d) Other Benefit Plans. With respect to any other Benefit Plans not specifically addressed in this Agreement, including but not limited to pension plans, deferred compensation plans, post-retirement plans, incentive plans, bonus plans, equity-based compensation plans, severance, retention, change of control and fringe benefit plans and agreements and any benefits of U.K. Employees, Sellers and Caldon Ltd. will retain all liability therefor, and Buyer will have no liability therefor.

4.6 Books and Records.

(a) From and after the Closing Date, Buyer will give Sellers' representatives reasonable access to such documentation and information and reasonable access to, and cause the cooperation of, employees of Buyer which either Seller may reasonably require (i) to prepare and file Returns and to respond to any issues which may arise with respect to Taxes for which either Seller is responsible to the extent relating to the Purchased Assets or Assumed Liabilities, (ii) with respect to any Retained Liabilities, and (iii) to defend any claim which either Seller is required to defend pursuant to this Agreement or in connection with the operation of the Business prior to the Closing Date. Requirements by any Governmental Authority to disclose any such information, the party may do so after providing the other party with notice of the request or requirement so that the other party may attempt, at its own expense, to obtain a protective order. Each party will use reasonable efforts to limit access to such information on a "need to know" basis. Neither party may use information obtained from the other party pursuant to this subsection to compete with the other party.

4.7 Collection of Payments. If it is necessary for a person employed by Buyer to spend more than 80 hours, or for persons employed by Buyer to cumulatively spend more than 160 hours assisting with the Lawsuits in any one calendar year, the parties will negotiate in good faith to determine the appropriate compensation to Buyer for the time spent by such employee(s).

ARTICLE V. Indemnification

5.1 Indemnification by Buyer. Subject to the provisions of Section 5.3 hereof, Buyer shall indemnify Sellers and their Affiliates, managers, officers, partners, members, employees, representatives and agents (individually a "Seller Party" and collectively the "Seller Parties"), and agrees to save and hold Seller Parties (and each of them) harmless, from and against any and all damages, losses, liabilities, claims, deficiencies, judgments, decrees, awards, costs and expenses (including attorneys' fees and other costs and expenses incident to any Legal Proceeding) suffered, sustained, incurred or paid or required to be paid by any Seller Party in connection with or relating or attributable to (a) any failure by Buyer to perform or comply with any covenant, agreement or undertaking to be performed or complied by Buyer pursuant to this Agreement and/or (b) the failure by Buyer to perform the Assumed Liabilities (individually a "Seller Loss" and collectively "Seller Losses").

5.2 Indemnification by Sellers. Subject to the provisions of Section 5.3 hereof, Sellers shall jointly and severally indemnify Buyer and its Affiliates, directors, officers, shareholders, employees, representatives and agents (individually a "Buyer Party" and collectively the "Buyer Parties"), and agrees to save and hold Buyer Parties (and each of them) harmless, from and against any and all damages, losses, liabilities, claims, deficiencies, judgments, decrees, awards, costs and expenses (including attorneys' fees and other costs and expenses incident to any Legal Proceeding) suffered, sustained, incurred or paid or required to be paid by any Buyer Party in

connection with or relating or attributable to (a) the failure of any representation or warranty made by either Seller in Section 3.2 to be true and correct as of the Closing Date, (b) any failure by either Seller to perform or comply with any covenant, agreement or undertaking to be performed or complied with by such Seller pursuant to this Agreement whether before, at or after the Closing, (c) the Retained Liabilities, and/or (d) personal injury, death or property damage arising out of any product manufactured or sold by either Seller prior to the Closing Date (individually a "Buyer Loss" and collectively "Buyer Losses").

5.3 Provisions Relating to Indemnification for Losses. The indemnification obligations set forth in this Article V shall be subject to the following:

(a) Any claim or claims for indemnification under this Article V (individually a "Claim" and collectively "Claims") shall be asserted, and all related notices, communications and actions on behalf of Seller Parties or Buyer Parties, as the case may be (individually an "Indemnified Party" and collectively "Indemnified Parties"), shall be asserted, given or taken by or in the name of Sellers or Buyer, as applicable.

(b) If any Indemnified Party shall receive notice of any assertion, allegation, complaint or other communication by any other Person (including any Third-party Legal Proceeding) which gives rise to, or which the Indemnified Party believes may give rise to, a Claim or Claims, the Indemnified Party shall notify Buyer or Sellers, as applicable (as applicable, the "Indemnifying Party"), of such assertion, allegation, complaint or any other communication, specifying, in reasonable detail, the nature of the related Claim or Claims and the basis on which the right to indemnification is or may be asserted; provided, however, that the failure to give such notice shall not affect the Indemnified Party's rights to indemnification under this Article V, except to the extent that the Indemnifying Party's ability to defend, compromise, settle or verify such assertion, allegation, complaint or other communication is materially prejudiced or materially impaired by the failure to give such notice. With respect to any Third-party Legal Proceeding, the Indemnified Party shall have the right, but not the obligation, to participate, at its own expense, in the defense (or other response or contest), compromise or settlement with counsel of its own choosing, but the Indemnifying Party shall be entitled to control the defense (or other response or contest), compromise or settlement of or to any Third-party Legal Proceeding unless the Indemnified Party has relieved the Indemnifying Party from all liability with respect to the particular matter in which case the Indemnified Party shall be entitled to control such defense, response, contest, compromise or settlement. Regardless of whether the Indemnified Party elects to participate in such defense (or other response or contest), compromise or settlement, the Indemnified Party shall reasonably cooperate with the Indemnifying Party in the defense of such Third-party Legal Proceeding, provided that the Indemnifying Party shall reimburse the Indemnified Party for its reasonable out-of-pocket costs and expenses of providing assistance as requested by the Indemnifying Party, including attorneys' fees and investigative costs and expenses. If the Indemnifying Party shall fail to defend (or otherwise respond or contest) or otherwise protect against such Third-party Legal Proceeding in a timely manner, the Indemnified Party shall have the right, but not the obligation, to do so, and make any compromise or settlement thereof, and to recover all costs and expenses thereof from the Indemnifying Party. Without the consent of the

Indemnified Party, the Indemnifying Party shall not admit any liability on the part of the Indemnified Party, or compromise or settle any Third-party Legal Proceeding unless, with respect to such compromise or settlement, (i) the Indemnified Party is not required to act or to refrain from acting and there will be no payment by, or Lien upon the property or assets of, the Indemnified Party as a result of such compromise or settlement, (ii) there is no finding or admission of any violation of law or of the rights of any Person by the Indemnified Party or of any other liability on the part of the Indemnified Party to any Person as a result of such compromise or settlement, and (iii) the Indemnified Party receives, as a part of such compromise or settlement, a complete release in form and substance reasonably satisfactory to the Indemnified Party. The party controlling the defense of a Third-party Legal Proceeding shall keep, or if both the Indemnifying Party and the Indemnified Party are defending such Third-party Legal Proceeding, each shall keep, the other reasonably informed at all stages of the defense and/or compromise or settlement of such Third-party Legal Proceeding.

(c) Except for breaches of the representations and warranties contained in Section 3.2(v), there shall be no liability for Buyer Losses under Section 5.2(a) until the total amount of Buyer Losses under Section 5.2(a) exceeds \$75,000, and then only to the extent of the excess over that amount.

(d) The maximum liability for Buyer Losses under Section 5.2(a), shall not exceed \$5,000,000, provided, the foregoing limitation shall not apply to the representations and warranties of either Seller with respect to existence and authority, enforceability, Taxes, Governmental Authorization, third party consents, ownership of assets, Benefit Plans, environmental matters and finder's fees (collectively, the "Selected Representations").

(e) Other than with respect to claims regarding the Selected Representations which will survive without limitation, any claim under Section 5.2(a) must be asserted, if at all, before the date which is 18 months after the Closing Date (the "Claim Expiration Date"), and such Claims, if any, shall expire and be null and void on the Claim Expiration Date.

(f) No notice given pursuant to this Article V or Claim asserted shall be deficient because at the time of the giving of such notice or the assertion of such Claim the amount of Seller Loss or Buyer Loss, as the case may be, is not known.

(g) All covenants and agreements of the Parties will survive the Closing without limitation.

(h) Buyer shall have the right to offset all Buyer Losses against any amounts otherwise payable by Buyer to Caldon pursuant to this Agreement. } *

(i) In the event of a claim for indemnification by Buyer from Caldon as result of a breach of the representations or warranties regarding the collection of Accounts Receivable, Buyer shall, upon receipt from Caldon of a payment equal to the amount of such Accounts Receivable, assign or reassign to Caldon such Account(s) Receivable that

is subject to the claim for indemnification, and thereafter, Caldon shall have the right to collect such Account(s) Receivables in such manner as it deems appropriate.

ARTICLE VI. Miscellaneous

6.1 Termination.

(a) This Agreement may be terminated at any time prior to the Closing:

(i) By the mutual written consent of Buyer and Sellers;

(ii) By Buyer, if there has been a material violation or breach by either Seller of any covenant, representation or warranty contained in this Agreement which has prevented the satisfaction of any condition to the obligations of Buyer at the Closing, and such violation or breach has not been waived by Buyer or, in the case of a covenant breach, cured by Sellers within ten days after written notice thereof from Buyer;

(iii) By Sellers, if there has been a material violation or breach by Buyer of any covenant, representation or warranty contained in this Agreement which has prevented the satisfaction of any condition to the obligations of Sellers at the Closing, and such violation or breach has not been waived by a Seller or, in the case of a covenant breach, cured by Buyer within ten days after written notice thereof from Sellers; or

(iv) By Buyer or Sellers if the transactions contemplated hereby have not been consummated by January 15, 2006; provided, however, that (i) neither Buyer nor Sellers will be entitled to terminate this Agreement pursuant to this Section 6.1 if such Person's breach of this Agreement has prevented the consummation of the transactions contemplated hereby.

(b) In the event that this Agreement is terminated pursuant to Section 6.1(a), all further obligations of each party hereto under this Agreement (other than pursuant to Section 4.3(b), which will continue in full force and effect) will terminate without further liability or obligation of any party to the other party hereunder; provided, however, that no party will be released from liability hereunder for any (i) failure of such party to have performed its obligations hereunder prior to such termination or (ii) misrepresentation made by such party prior to such termination of any matter set forth herein.

6.2 No Third-party Beneficiaries. The representations and warranties and covenants and agreements contained in this Agreement are solely for the benefit of the Parties and their respective successors and permitted assigns, and nothing herein, expressed or implied is intended to confer any rights on any other Person or Persons. The Limited Partner also acknowledges and agrees that its only interest in the Purchase Price is only that portion of the Purchase Price that is attributable to it as a limited partner of Caldon.

6.3 Joint Participation. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event of any ambiguity or question of intent or interpretation hereunder, this Agreement shall be construed in accordance with the immediately preceding sentence and no presumption or burden of proof shall favor or disfavor any Party by virtue of the authorship of any provision of this Agreement.

6.4 Further Assurances. Each Party shall execute and deliver such instruments and take such other action as shall be reasonably required, or as shall be reasonably requested by any other Party, in order to carry out the Transaction and otherwise to give effect to this Agreement, at or prior to or at and after the Closing Date.

6.5 Delivery of Financial Statements. During the period from the date of this Agreement until the Closing, not later than thirty (30) days after the last day of each month, Caldor will deliver to Buyer financial statements, including a balance sheet, income statement and statement of cash flows as of the end of the prior month, of the Business. Such financial statements shall be deemed subject to the representations and warranties set forth in Section 3.2.

6.6 Dispute Resolution.

(a) Except as set forth in Section 2.8(c), any and all disputes and/or disagreements between or among the Parties, or any of them, arising under, or related to, this Agreement (each a "Dispute") shall be resolved as follows:

(i) The Parties to a Dispute (the "Disputing Parties") shall use all reasonable efforts to resolve the Dispute through discussions and negotiations for a period of not less than thirty days. During the course of such negotiations and discussions, each of the Disputing Parties shall be represented by a Person having decision-making authority with regard to the Dispute.

(ii) If, at the end of the aforementioned thirty-day period, the Disputing Parties have failed to resolve the Dispute, the Dispute shall be resolved by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association (the "AAA"), as modified herein.

(b) Arbitration shall take place in Pittsburgh, Pennsylvania. All disputes shall be initiated by the service of a written notice by one party to the other party of the intent to arbitrate and filing of such notice with the AAA. Each party shall bear its own costs and expenses of arbitration and shall pay one-half (1/2) of any joint fees, costs and expenses of arbitration including, without limitation, the costs of room rental, transcripts and fees of the arbitrator and of the AAA itself.

(c) The parties shall jointly designate a single, independent arbitrator or otherwise have an arbitrator selected by the AAA in accordance with the Commercial Rules of Arbitration of the AAA for claims for claims aggregating not more than \$250,000. If amounts claimed exceed \$250,000, a panel of three (3) arbitrators selected by the AAA in accordance with the commercial Rules of Arbitration of the AAA shall hear such claim. The arbitration hearing must be conducted within four (4) months of the date of filing of the intent to arbitrate with the AAA. The hearing shall be conducted in

accordance with the Federal Rules of Evidence then in effect. The decision of the arbitrator, including any remedy or relief granted, including specific performance, shall be in writing and shall be rendered no later than fourteen (14) days after the close of the hearing. The decision of the arbitrator shall be final, binding upon the parties hereto and non-appealable and judgment thereon may be entered in any court of competent jurisdiction.

(d) Each party in arbitration shall be entitled to discovery pursuant to the Commercial Arbitration Rules or decisions of the arbitrator. Notwithstanding the foregoing, all discovery shall be completed within sixty (60) days of the date of the appointment of the arbitrator. Furthermore, all discovery must be completed no later than fifteen (15) days prior to the arbitration hearing. The time period for discovery may be extended by the arbitrator for good cause, provided that the arbitrator is able to meet the schedule specified above in Section (b).

(e) Anything in this Agreement to the contrary notwithstanding, other than resulting from a third-party claim, in no event shall either Party be liable to the other for special or consequential or punitive damages and neither Party shall seek or assert any of such damages.

6.7 Governing Law. This Agreement and the legal relations between the Parties shall, in all respects, be governed by, and construed in accordance with, the laws of the Commonwealth of Pennsylvania, without regard to principles of conflicts of laws.

6.8 Notices, Etc. This Agreement supersedes any and all prior oral or written agreements, understandings and negotiations between or among the Parties relating to the subject matter hereof, all of which agreements, understandings and negotiations are merged with and into this Agreement. It is the intent of the Parties that the sole and exclusive remedy of each of the Parties in connection with, or relating to, the Transaction or any other matter contemplated by this Agreement (other than fraud) shall be indemnification in accordance with the provisions of Article V hereof, to be resolved in the manner provided in Section 6.5 hereof. No amendment, modification, supplement, rescission, waiver, or release of any provision of this Agreement shall be effective unless set forth in writing and signed by the Party or Parties to be bound thereby.
