About PeaceWater

Make a difference. Choose Peace.

It's as simple as that. You have always wanted the opportunity to stand up for what you know is right and use everyday actions to really make a difference for those who need it most - that's exactly what PeaceWater is about. Every time you purchase a bottle of PeaceWater, you can feel confident that your money is being donated to not-for-profit charities actively participating in local and global efforts to make our world a better place to live.

What started as a dream out of the back of a pickup truck in Montana has turned into a nationwide revolution to spark change and actually make a difference in the lives of others. Each month, we select a different charity, nominated by you, and donate 30% of all PeaceWater profits to help fund their selfless mission.

Making a difference has never been so easy!

About Time4Change

Time4Change was started for one reason and one reason only - do the most good for the greatest number!

Our Mission

Our mission is to provide consumers with world-class products paired with the opportunity to make a positive impact on our world today. We guarantee that 30% of all corporate profits will be donated to not-for-profit organizations actively participating in philanthropic efforts.

Why do we donate 30% of profits instead of a set amount per bottle?

30% has no boundaries, making the possibilities endless. Our goal is to become a full service product development organization and to only donate a predetermined amount of money would be selling our mission short. By guaranteeing 30% of all corporate profits, we are pledging that every product we sell will directly impact the amount of money we donate - whether it's PeaceWater, merchandise or anything else we may sell in the future.
