Re: Payoff

Ladies and Gentlemen:

The undersigned, LV Administrative Services, Inc., as administrative and collateral agent for the benefit of the undersigned Investors (the "Agent"), has been advised by Numerex Corp. (the "Parent") and the Parent's subsidiaries and affiliates (collectively, together with the Parent, the "Company") that the Company intends to repay all outstanding obligations (collectively, the "Obligations") of the Company to the Investors under that certain Securities Purchase Agreement dated as of May 30, 2006 by and between the Company and Laurus Master Fund, Ltd. (In Liquidation) (as amended, restated, modified and/or supplemented from time to time and together with the Related Agreements referred to therein and any other agreements or documents related thereto, the "Transaction Documents"). The Payoff Amount (as defined below) plus any applicable per diem interest amount should be wire transferred to Agent pursuant to the following wire instructions:

Bank: [REDACTED]
ABA #: [REDACTED]
Account #: [REDACTED]
Account Name: [REDACTED]
Re: [REDACTED]

Based on Agent's and each Investor's books and records, the total amount of the Obligations if paid prior to 5:00 p.m. (New York time) on January 8, 2010 (the "Payoff Date") is [REDACTED] (the "Payoff Amount"), which amount includes all principal, interest, fees, costs, redemption costs, expenses and liquidated damages as of such date; provided, however, that if the Payoff Amount is not received by 5:00 p.m. on the Payoff Date, per diem interest at [REDACTED] per day shall be due until payment is so received.

Agent and each Investor hereby acknowledge and agree that, effective immediately upon Agent's receipt of payment of the Payoff Amount and any applicable per diem interest, without further action on the part of the parties hereto that, (i) all of the Obligations (except for obligations pursuant to (x) indemnification and other provisions of the Transaction Documents and related documentation which by their terms survive the payment of the Obligations and (y)

Payoff Letter

warrants received by any Investor from the Company) shall be paid and discharged in full, and, (ii) all security interests and liens which the Company may have granted to Agent and/or any Investor in respect of the Obligations shall be terminated in all respects.

Agent and each Investor hereby agree that all of their respective agreements with the Company, that do not otherwise automatically terminate upon the repayment in full of the Obligations shall terminate upon receipt of the Payoff Amount and be of no further force and effect, other than in respect of (x) indemnification and expense reimbursement provisions of such agreements and such other provisions thereof as expressly survive the payment in full of the Obligations or (y) any warrants received by any Investor from the Company. In conjunction therewith, Agent agrees to execute and deliver such releases, termination statements or directions to terminate, as the Company may reasonably require in order to effectuate the intent of this letter, all to be prepared by the Company and filed at the Company's sole cost and expense. Agent hereby authorizes the Company or its counsel to prepare and file such necessary UCC financing statement amendments and termination statements without Agent's signature to terminate Agent's security interests in the Collateral (as defined in the Transaction Documents) of the Company, and any other intellectual property releases or other releases as the Company may reasonably require in order to effectuate the intent of this letter; provided that such financing statement amendments, termination statements, intellectual property releases and other releases are in a form and substance reasonable acceptable to Agent.

Agent further agrees, from time to time after receipt of the Payoff Amount, at the Company's sole expense, to execute and deliver to the Company such further instruments and documents that are provided to Agent and to take such further actions as may be reasonably necessary to fully affect the foregoing releases, discharges and terminations contemplated herein. The Agent shall promptly mark each Note issued pursuant to the Transaction Documents as "cancelled" and return the original Notes to the Company.

For the avoidance of doubt, upon receipt of the Payoff Amount, that certain Securities Purchase Agreement dated as of December 29, 2006 by and between the Company and Laurus Master Fund, Ltd. (In Liquidation) (as amended, restated, modified and/or supplemented from time to time and together with the Related Agreements referred to therein and any other agreements or documents related thereto, the "December Transaction Documents") shall be deemed terminated in all respects (except for obligations pursuant to (x) indemnification and other provisions of the December Transaction Documents and related documentation which by their terms survive the payment of the Obligations and (y) warrants received by any Investor from the Company)

This letter agreement shall be governed by and construed in accordance with the laws of the State of New York.

[THE REMAINDER OF THIS PAGE LEFT INTENTIONALLY BLANK]

This letter agreement may be executed in one or more counterparts each of which taken together shall constitute one and the same agreement. Any signature delivered by a party by facsimile transmission shall be deemed an original signature hereto.

Very truly yours,
