UNITED STATES TRADEMARK ASSIGNMENT

This Trademark Assignment is made and entered into as of November 10, 2009, by and between MACGREGOR GOLF COMPANY, a Delaware corporation with an address at 1000 Pecan Grove Drive, Albany Georgia 31701 ("Assignor"), and CKF6 HOLDINGS, LLC, a Delaware limited liability company with an address at c/o Sankaty Advisors, LLC, 111 Huntington Avenue, Boston, Massachusetts 02199 ("Assignee") (each, a "Party" and collectively, the "Parties").

WHEREAS, pursuant to the Intellectual Property and Equity Transfer Agreement between the Parties dated as of September 26, 2009 (the "Agreement"), Assignor has assigned all right, title and interest in the MGC Trademarks (as defined by reference therein), including any and all trademarks and trademark applications listed on the attached Schedule A, and all goodwill of any business associated and connected therewith or symbolized thereby (collectively referred to as the "Trademarks"); and

WHEREAS, pursuant to the Agreement, Assignee has acquired all right, title and interest in and to the Trademarks, and the Parties wish to record such acquisition in the U.S. Patent and Trademark Office; and

NOW, THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Pursuant to the Agreement, which is incorporated by reference as if fully set forth herein, Assignor hereby assigns to Assignee all of Assignor's right, title and interest in and to the Trademarks including all proceeds therefrom and the right to bring an action at law or in equity for any infringement, dilution or violation of any of the Trademarks occurring prior to the date hereof, and to collect all damages, settlements and proceeds relating to the Trademarks.
2. Notwithstanding anything to the contrary contained herein, the Trademarks shall not include any trademark application that would be deemed invalidated, canceled or abandoned due to the contribution, assignment and/or conveyance of the Trademarks hereunder, including without limitation all United States trademark applications that are based on an intent-to-use, unless and until such time that the contribution, assignment and/or conveyance will not cause the invalidation, cancellation or abandonment of such trademark application.
3. This Trademark Assignment may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
4. This Trademark Assignment is subject to all the terms and conditions of the Agreement. The Parties intend that this Trademark Assignment is for recordation purposes only and its terms shall not modify the applicable terms and conditions of the Agreement, which govern the Parties' rights and interests in the Trademarks.
