## TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment"), effective as of the 1<sup>st</sup> day of February, 2010, is made from Facet Technologies, LLC, a Georgia limited liability company (the "Assignor") to Tri-anim Health Services, Inc., a California corporation, with a principal office at 100 Tri-State International, Suite 200 Lincolnshire, Illinois 60069 (the "Assignee").

WHEREAS, pursuant to a Supply Agreement entered into on February 1, 2010, Assignee acquired all of Assignor's rights in the Marks (as defined below), and Assignee is desirous of further evidencing that Assignor has assigned all right, title and interest in and to the Marks to Assignee; and

WHEREAS, Assignor has assigned to Assignee all right, title and interest in and to the marks listed on Schedule A hereto (hereinafter, the "Marks"), which are registered or pending registration in the U.S. Patent and Trademark Office as detailed in Schedule A, including the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which Assignor acknowledges:

1. Assignor has and hereby does assign to Assignee all of Assignor's right, title and interest in and to the Marks, including any registrations or pending applications therefor and the goodwill of the business symbolized thereby.

2. Assignor further assigns to Assignee all rights to sue, bring actions for and recover and hold damages, profits and other compensation for any and all past and future infringements and unauthorized uses of the Marks and all proceeds of the Marks, including, without limitation, any and all causes of action for infringement or unauthorized use thereof and any and all royalties for any licenses thereof (collectively, the "Assets"), the Assets to be held and enjoyed by Assignee, for its own use, and for the use of its successors, assigns or other legal representatives to the full term or terms for which the rights associated with the Marks may be granted, as fully and entirely as the same would have been enjoyed by the Assignor, had this Assignment not been made.

3. The Assignor hereby covenants and agrees that the Assignor shall, at the request of Assignee or its counsel, execute, acknowledge and/or deliver all such further documents, materials, information, assistance, acts, deeds, assignments, transfers, powers of attorney and assurances as may be required to carry out the intent of this Assignment, and to transfer and vest title to and in the Marks and/or the Assets and to procure, maintain, enforce and protect the right, title and interest in and enjoyment of all of the Marks and/or the Assets assigned, transferred and conveyed to Assignees pursuant to this Assignment; provided, however, this Assignment shall be effective regardless of whether any such additional documents are executed.

4. This Assignment shall be binding upon Assignor, Assignor's successors and assigns, and upon all others acting by, through, with or under Assignor's direction or control, and all those in privity therewith.

5. This Assignment constitutes and shall be deemed a contract made under the laws of the State of Illinois for any and all purposes, and shall be interpreted and enforced in accordance with such laws, without regard to its conflicts of laws jurisprudence. Assignor and Assignees expressly consent to the jurisdiction of the federal courts in Illinois in connection with any action arising from or relating to this Agreement.

IN WITNESS WHEREOF, the Assignor has executed this Assignment and caused the same to be duly delivered on its behalf,

Facet Technologies, LLC
