Trademarks Assignment Agreement

This Trademarks Assignment Agreement ("Agreement") is made and entered into on this 1st day of January, 2009 ("Effective Date") by and between;

Acer Incorporated, a company incorporated and existing under the laws of the Republic of China, having its principal place of business at 8F, 88, Sec.1, Hsin Tai Wu Rd., Hsichih, Taipei, Hsien 221, Taiwan, Republic of China ("Acer");

and

Packard Bell B.V. a company incorporated and existing under the laws of Netherlands, having its principal place of business at Jonkerbosplein 52, 6534 AB Nijmegen, Po Box 6925, 6503 GK Nijmegen, The Netherlands ("PB").

Acer and PB will hereinafter be referred to individually as a "party" and collectively as "parties" to this Agreement.

RECITALS

A. PB is the owner of certain Trademarks (as used herein, the word "Trademarks" shall refer to trademarks, service marks, trade dress, logos, brands, trade names and internet domain names, of any kind, whether registered or not, whether applied for or not, and all goodwill, common law rights and other intellectual property rights associated therewith; as used herein, "Assigned Trademarks" shall refer to any and all Trademarks to which PB holds some right, title or interest., including, but not limited to, all marks registered in any country in the world and, all Trademarks, all pending Trademark applications and internet domain names listed in **Annex I**); and

B. In consideration for the Purchase Price specified in Article 1.2 below, PB wishes to transfer and assign the Assigned Trademarks to Acer.

Now, therefore, for valuable consideration, receipt of which is hereby acknowledged, the parties agree as follows:

Article 1 Assignment of Trademarks

1. PB hereby irrevocably sells, assigns, transfers and sets over to Acer, and Acer agrees to accept, all of PB's right, title and interest in and to the Assigned Trademarks including, but not limited to, the trademark registrations and/or applications.
2. Within sixty (60) business days of the date that this Agreement has been fully executed by all parties, Acer agrees to pay PB or the specific party designated by PB the sum of _____ ("Purchase Price"), which amount includes any and all applicable taxes.
3. Except as otherwise set forth in this Agreement, Acer shall be responsible for all liabilities arising out of, or in connection with, the ownership and use of the Assigned Trademarks before, on and after the Effective Date.
4. Acer shall be responsible for all costs and expenses associated with the transfer of the Assigned Trademarks from PB to Acer, including, but not limited to, fees to be paid to the registering authority in any country to effectuate a transfer.

Article 2 Registration of Assigned Trademarks and Relevant Procedures

Acer shall be entitled, at its own expense, to apply to any registering authority in any country in the world to change the registered ownership of any Assigned Trademarks from PB to Acer. PB agrees to cooperate and take any reasonable action deemed necessary or appropriate by Acer to properly and fully effectuate and perfect the transfer to Acer of the Assigned Trademarks.

Article 3 Closing Procedures

PB shall deliver, or cause to be delivered, to Acer any and all the documents and materials related to the registration of the Assigned Marks in any country, including the following: (a) each and all original certificates of registration for all countries in which a trademark has been registered by PB; (b) the internal file for each Assigned Trademark, including those which contain a copy of the trademark application and the certificate of registration. The documents and materials will be made available to Acer within three calendar months after the Effective Date.

Article 4 Warranties and Indemnifications

1. PB represents and warrants that, to the best of its knowledge and belief, it has not sold, encumbered, assigned, transferred or conveyed the Assigned Trademarks.

2. Either party shall indemnify and hold harmless the other party and any of its respective directors, officers, employees, or agents from and against any and all damages suffered or incurred by the other party resulting from any failure by the parties to perform duly and timely any obligation of the parties contained in this Agreement.

Article 5. Notice

Any notice under this Agreement shall be in writing and addressed to the parties at the addresses set forth below, and shall be deemed effective upon receipt. A party may change its address by providing notice of such change to the other party.

Article 6. General Provisions

1. If any dispute arises in connection with a matter not set forth in this Agreement or with any of the provisions of this Agreement, the parties involved in such dispute shall consult in good faith and endeavour to reach a resolution in writing.
2. The controlling language of this Agreement shall be English and any translation of this Agreement into any language other than English shall have no validity or effect in construing the terms and conditions hereof or the rights and obligations of the parties hereunder.
4. Should any provision or part of this Agreement be held or declared invalid or unenforceable, the remaining parts and provisions shall remain in full force and effect. The parties agree to negotiate in good faith a substitute provision that comes closest to reflecting the initial intention of the parties.
6. Except as otherwise specifically set forth in this Agreement, the parties shall bear their own respective expenses in connection with the preparation, conclusion and performance of this Agreement and the transactions contemplated herein.
7. This Agreement may be signed in counterparts, which shall together constitute a complete Agreement. A signature transmitted by facsimile shall be considered an original for purposes of this Agreement.

[Remainder of this page intentionally left blank.]

IN WITNESS WHEREOF, the parties have prepared this Agreement in duplicate, and upon having affixed their signatures hereto, each party shall retain one original hereof.
