## NUNC PRO TUNC ASSIGNMENT

WHEREAS, Philadelphia Gear Corporation, hereinafter referred to as the ASSIGNOR, a Corporation of Pennsylvania, having its principal place of business at 901 East 8th Ave., Suite 100, Cedar Run Corporate Center, King of Prussia, Pennsylvania 19406, was the owner of certain inventions or improvements for which applications for patent have been made or for which patents have been issued, which are listed on Attachment A hereto (hereafter "Patent Property");

WHEREAS, ASSIGNOR adopted, owned and used, in commerce, the trademarks as set forth in the attached Attachment B (hereinafter "the Marks");

WHEREAS, Philadelphia Mixing Solutions, Ltd., hereinafter referred to as the ASSIGNEE, a Corporation of Pennsylvania having its principal place of business at 1221 E Main Street, Palmyra, Pennsylvania 17078, has acquired the entire right, title and interest in and to the Patent Property and the Marks, including any and all registrations associated with the same, in any and all countries by means of a General Assignment, Assumption and Bill of Sale effective on December 31, 2009;

WHEREAS, ASSIGNOR and ASSIGNEE desire to memorialize the transfer of all ownership rights in the Patent Property and the Marks for the purpose of recordation, and to the extent, if any, of any uncertainty as to the scope or terms of the General Assignment, Assumption and Bill of Sale, the Parties have agreed or agree as follows, nunc pro tunc as of December 31, 2009:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and intending to be legally bound hereby, ASSIGNOR has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over to said ASSIGNEE, the entire right, title and interest in and to:

- (1) the Patent Property and any and all continuations, divisions and renewals of and substitutes for said Patent Property and to and under any and all additional Letters Patent which may be granted on or as a result thereof in the United States and any and all other countries, and any reissue or reissues or extension or extensions of said Letters Patent, and the full right to sue for and recover damages recoverable for past infringement of the same, and for violations of provisional rights having arisen from any published application(s) for said Patent Property; and
- (2) the Marks, together with the goodwill of the business symbolized by the Marks, and the registration and/or applications associated therewith, including common law rights

ASSIGNOR further assigns to and authorizes said ASSIGNEE to file corresponding applications for Letters Patent in all countries, to be held and enjoyed by said ASSIGNEE, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended,

as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, sale and transfer not been made.

ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to said ASSIGNEE, as assignee of the entire right, title and interest, any and all Letters Patent for said Patent Property, including any and all Letters Patent of the United States which may be issued and granted on or as a result of any applications included in said Patent Property, in accordance with the terms of this assignment.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement in five (5) copies having the same contents and value, before the witnesses indicated hereinbelow.

Date: April 12, 2010

Date: April 12, 2010
