## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "*Assignment*") is made and entered into as of November 20, 2007 by and between Renewable Chemicals Corporation, a Delaware corporation ("*Assignee*") and Cargill, Incorporated, a Delaware corporation ("*Assignor*").

WHEREAS, Assignor and Assignee are parties to that certain NatureWax Asset Purchase Agreement dated as of November 20, 2007 (the "*Purchase Agreement*"), pursuant to which Assignee has agreed to purchase from Assignor, and Assignor has agreed to sell, assign and convey to Assignee, all of Assignor's right, title and interest in and to all of the trademarks and service marks, intent-to-use applications or other registrations or applications related to trademarks or service marks included among the Purchased Assets (as that term is defined in the Purchase Agreement), together with the goodwill associated with and symbolized by them as provided in the Purchase Agreement, including, without limitation, those trademarks, service marks, and trade names and registrations thereof listed in **Schedule I** hereto (all such trademarks, service marks, and trade names and registrations thereof being collectively referred to herein as the "*Assigned Trademarks*");

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee each hereby agree as follows:

1. **Assignment.** Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee and Assignee's successors and assigns, and Assignee hereby purchases, acquires and accepts from Assignor, all of Assignor's right, title and interest in, to and under the Assigned Trademarks, including, without limitation, all common law trademarks for which no applications or registrations exist, all applications to register any of the Assigned Trademarks, and all registrations that have been or may be granted for any of the Assigned Trademarks, together with all common law rights associated with the applications and registrations, and all goodwill associated with the Assigned Trademarks and symbolized thereby, together with the right to sue and recover damages for future, present and past infringements of the Assigned Trademarks and to fully and entirely stand in the place of Assignor in all matters related to the Assigned Trademarks.

2. **Further Assurances.** Assignor agrees to execute and deliver such other documents and to take all such other actions which Assignee, its successors and/or assigns may reasonably request to effect the terms of this Assignment, and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required to effect the terms of this Assignment and its recordation in any and all relevant state and national trademark offices.

3. **Miscellaneous.** This Assignment shall be governed by, and construed in accordance with, the laws of the State of New York without reference to such state's principles of conflicts of law. This Assignment may not be supplemented, altered or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions. This Assignment shall bind and inure to the benefit of the respective parties and their assigns, transferees and successors. This Assignment and any amendments hereto may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Trademark Assignment effective as of the day and year first above written. This Trademark Assignment may be executed in counterpart signature pages as provided above.
