This TRADEMARK ASSIGNMENT (“Assignment”) is by and between CLEANPAK INTERNATIONAL, INC., a corporation formed in accordance with the laws of Delaware (the “Assignor”), and HUNTAIR, INC., a corporation formed in accordance with the laws of Delaware (“Assignee”).

WHEREAS, Assignor is the owner of all right, title and interest in and to the marks, trademarks, service marks and the corresponding registrations and/or applications for registration, together with the goodwill of the business connected with and symbolized by the following Trademark.

| Registration No. | Filing Date | Title | Country |
|------------------|-------------|------------|---------|
| 77/697,218 | 3/23/2009 | CLEANSUITE | USA |

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademark, together with the goodwill of the business connected with and symbolized by the Trademark.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

1. Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to the Trademark in the United States and all jurisdictions outside the United States, together with the goodwill of the business connected with and symbolized by the Trademark (including, without limitation, the right to renew any registrations included in the Trademark, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademark, and any priority right that may arise from the Trademark), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

2. Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the Trademark to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademark.

3. Assigns and conveys to and confirms in Assignee the right to bring legal action and to recover damages for past infringement of the Trademark;

4. Warrants that Assignor has not conveyed to others any right in the Trademark or any license to use the same; and that Assignor has good right to assign the same to Assignee without encumbrance;

5. Binds Assignor's heirs and legal representatives, as well as Assignor, to do, upon Assignee's request and at Assignor's expense, but without additional consideration to Assignor or Assignee, all acts reasonably serving to assure that the Trademark shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by Assignor or Assignor's heirs or representatives if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to Assignor relating to the Trademark or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in Assignor's control or in the control of Assignor's heirs or legal representatives and which may be useful for establishing the facts of use of the Trademark.

6. This Trademark Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original,

but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission, which transmission shall be deemed delivery of an originally executed document.

IN WITNESS WHEREOF, the Assignor hereto has executed this Trademark Assignment as of the date written below.
