Exhibit 2.5(a)(xvii)

TRADEMARK ASSIGNMENT

This trademark assignment, dated May 3, 2010, is between FUSEMAIL, LLC ("FuseMail"), Missouri limited liability company, and j2 Global Holdings, Limited., a corporation organized under the laws of the Republic of Ireland ("j2").

WHEREIN, Fusemail is the owner of all rights, title, and interest in the trademark, wordmark and logo listed in Attachment A to this Trademark Assignment ("Trademarks"), including, but not limited to rights granted under any federal and state statutory and common law, and rights granted under the laws of any other jurisdiction outside the United States.

WHEREIN, the USPTO granted Fusemail's application for the registration of the Fusemail Trademarks and was accorded the US registration numbers 2879587 and 2899766. Now, Fusemail wishes to transfer to j2 all rights, title and interest in the Trademarks, including all goodwill associated with the Trademarks, and including any and all rights granted under federal and state statutory and common law, and rights granted under the laws of any other jurisdiction outside the United States, pursuant to an agreement among j2 and, Fusemail, LLC, Bryan Heitman, Gabriel Murphy, DevStake, LLC and Aberration! Ventures, LLC (collectively "Fusemail") dated May 3, 2010 ("Definitive Agreement") for the purchase of certain of Fusemail's assets by j2.

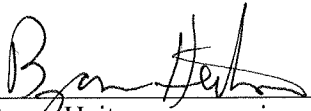

The parties therefore agree as follows:

1. Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Definitive Agreement. The terms and conditions of this Agreement shall be read harmoniously with those of the Definitive Agreement, and in the event of any inconsistency between the terms of this Agreement and the Definitive Agreement, the terms of the Definitive Agreement shall prevail.
2. j2 is paying consideration for the transfer of the Trademarks to Fusemail under the Definitive Agreement.
3. Fusemail irrevocably sells, assigns, transfers and conveys to j2, its successors and assigns, all rights, title and interest in and to the Trademarks in the U.S. and around the world, including
  - i. all registrations and applications for registration of the Trademarks, all of which are fully identified in Attachment A;
  - ii. all common law rights in and associated with the Trademarks;

- iii. all goodwill associated with the Trademarks;
  - iv. all rights to any royalties, profits, compensations, license fees or other payments or remuneration of any kind relating to the Trademarks or goodwill associated with the Trademarks; and
  - v. all claims or causes of action that Fusemail has or may have in connection with the Trademarks.
4. Fusemail represents that it has all of the rights necessary to convey the entire title and interest in the Trademarks to j2, and that it Fusemail has not executed, and will not execute, any agreements inconsistent herewith. Fusemail further agrees that, upon the execution of this Assignment, it and its successors, assigns and Affiliates shall not use, attempt to register, register or own anywhere around the world any trademarks, domain names, and trade names that are confusingly similar to the Trademarks.
5. Fusemail represents that it will, upon j2's reasonable request, execute and deliver all such instruments and other documents or actions as may be necessary or desirable to perfect or to enforce j2's right, title and interest in, to and under the assigned Trademarks.

Fusemail is executing this assignment as of the date first listed in the introductory paragraph.
