4. Representations, Warranties and Covenants Concerning the Intellectual Property Collateral.

4.1. Each Loan Party, as applicable, is the sole owner in the United States and all other applicable jurisdictions of the entire right, title and interest in and to the Intellectual Property Collateral, in each case free from any mortgage, pledge, lien, security interest, charge, adverse claim or other encumbrance including, without limitation, licenses, shop rights (with regard to the Patents) and covenants not to sue, except for the security interest granted herein or in the other Security Documents and other Permitted Liens, and subject to the Co-ownership Rights. As of the date of this Agreement, no written claim has been made that the use of any of the Patents or Trademarks does or may violate the rights of any third person and, to the best of each Loan Party's knowledge, there is no infringement by any Loan Party of the patent or trademark rights of others. Each Loan Party shall have the duty to promptly notify the Administrative Agent of any such claim or infringement and the details thereof.

4.2. As of the date hereof, each of the Patents and Trademarks listed on Schedules A and B is valid and enforceable and, together, they constitute all registered patents, patent applications, trademarks, trademark applications, trade names and service marks now owned or used by any Loan Party. The Patents and Trademarks listed on Schedules A and B constitute all of the Patent Licenses and Trademark Licenses and all of the registered trademarks, trademark applications, service marks, trade names, patents, patent applications, and patent rights that are reasonably necessary for the operation of the business of each Loan Party. Schedule C lists the material common law trademarks, common law trade names, franchises and other material intellectual property rights that are reasonably necessary for the operation of the business of each Loan Party.

4.3. The Patents and Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part.

4.4. Each Loan Party shall have the duty to (i) prosecute diligently any patent applications of the Patents and trademark registration applications of the Trademarks pending as of the date of this Agreement or thereafter, and (ii) preserve and maintain all rights in the Patents and Trademarks, except, in each case, if any Loan Party determines in its reasonable discretion that such Patent or Trademark is no longer material or useful to its business or operations. Any expenses incurred in connection with such applications and actions shall be borne by the Loan Parties. No Loan Party shall abandon any filed patent application or trademark registration, or abandon any pending patent application or patent or any trademark registration without the consent of the Administrative Agent, which consent shall not be unreasonably withheld, except, in each case, if any Loan Party determines in its reasonable discretion that such patent application or trademark registration (other than for the term "Recology") is no longer material or useful to its business or operations.

4.5. Each Loan Party shall take all reasonably necessary steps to defend the Intellectual Property Collateral against all claims and demands of all persons at any time

claiming the same or any interests in and to the Patents and Trademarks adverse to the Administrative Agent unless such Loan Party determines in its reasonable discretion that such Patent or Trademark is no longer material or useful to its business or operations; provided that after the occurrence and during the continuance of an Event of Default, the Administrative Agent's consent will be required prior to any abandonment of defense against such claims. Until the Secured Obligations shall have been satisfied in full in cash (other than inchoate indemnity obligations), no Loan Party shall pledge, mortgage or create or suffer to exist a security interest in, or enter into any exclusive license, sublicense or other agreement relating to the use of, the Patents and Trademarks, without the Administrative Agent's prior consent, which consent shall not be unreasonably withheld, except for Permitted Liens and asset dispositions expressly permitted by the Credit Agreement.

4.6. Each Loan Party shall, at its sole expense, promptly apply for and obtain all renewals or extensions of the Patents and Trademarks to the full extent permitted by law except to the extent, in such Loan Party's reasonable discretion, exercised in good faith, such renewal or extension is not reasonable, prudent or beneficial to such Loan Party or its operations.

4.7. Each Loan Party shall promptly notify the Administrative Agent of the institution of, and any adverse determination in, any proceeding in the United States Patent and Trademark Office or any other foreign or domestic governmental agency, court or body, regarding such Loan Party's claim of ownership in any of the Intellectual Property Collateral which could reasonably be expected to have a Material Adverse Effect. In the event of any material infringement by a third party of any of the Patents or Trademarks, each Loan Party shall promptly notify the Administrative Agent of such infringement and shall take all reasonably necessary actions to obtain the cessation of such infringement and recover all damages resulting therefrom, including, after and during the continuance of an Event of Default, such action as the Administrative Agent deems reasonably necessary. If any Loan Party shall fail to take such action within two (2) months after such notice is given to the Administrative Agent, the Administrative Agent may upon ten (10) days prior notice to such Loan Party, but shall not be required to, itself take such action in the name of such Loan Party, and such Loan Party hereby appoints the Administrative Agent the true and lawful attorney of such Loan Party, for it and in its name, place and stead, on behalf of such Loan Party, solely to commence judicial proceedings in any court or before any other tribunal to enjoin and recover damages for such infringement, any such damages due to each Loan Party, net of costs and attorneys' fees reasonably incurred, to be applied to the Secured Obligations in accordance with §8.03 of the Credit Agreement.

5. Additional Intellectual Property Collateral. If any Loan Party shall at any time after the date hereof (a) obtain any rights to any additional Intellectual Property Collateral or (b) become entitled to the benefit of any additional Intellectual Property Collateral or any renewal or extension thereof, including any reissue, division, continuation, or continuation-in-part of any Intellectual Property Collateral, or any improvement on any Intellectual Property Collateral, the provisions hereof shall automatically apply thereto and any such item enumerated in the

preceding clause (a) or (b) shall automatically constitute Intellectual Property Collateral as if such would have constituted Intellectual Property Collateral at the time of execution hereof and be subject to the lien and security interest created by this Agreement without further action by any party. Each Loan Party shall provide to the Administrative Agent written notice on a quarterly basis of any of the foregoing and confirm the attachment of the lien and security interest created by this Agreement to any rights described in clauses (a) and (b) above by execution of an instrument in form reasonably acceptable to the Administrative Agent and the filing of any instruments or statements as shall be reasonably necessary to create, preserve, protect or perfect the Administrative Agent's security interest in such Intellectual Property Collateral. In connection with the foregoing, each Loan Party agrees that the Administrative Agent may from time to time attach as Schedule A or Schedule B hereto an updated list to reflect any new patents, any divisions, continuations, renewals, extensions, continuations-in-part on any patent, and any new trademark, service mark or renewal thereof of each Loan Party applied for and obtained hereafter.

6. Other Actions as to Intellectual Property Collateral.

6.1. Each Loan Party shall, at its sole expense, do, make, execute and deliver all such additional and further acts, things, deeds, assurances, and instruments, in each case in form and substance reasonably satisfactory to the Administrative Agent, relating to the creation, validity, or perfection of the security interests and assignments provided for in this Agreement under 35 U.S.C. Section 261, 15 U.S.C. Section 1051 et seq., the UCC or other laws of the United States or the State of New York or of any other countries or states as the Administrative Agent may from time to time reasonably request, and shall take all such other action as the Administrative Agent may reasonably require to more completely vest in and assure to the Administrative Agent, the Lenders and the other Agents their respective rights hereunder or in any of the Intellectual Property Collateral, and each Loan Party hereby irrevocably authorizes the Administrative Agent or its designee, at such Loan Party's expense, to execute such documents, and file such financing statements with respect thereto with or without such Loan Party's signature, as the Administrative Agent may deem appropriate. In the event that any rerecording or refiling (or the filing of any statement of continuation or assignment of any financing statement) or any repledge or reassignment, or any other action, is required at any time to protect and preserve such security interest and assignments, each Loan Party shall, at its sole cost and expense, cause the same to be done or taken at such time and in such manner as may be reasonably necessary and as may be reasonably requested by the Administrative Agent. Each Loan Party hereby authorizes the Administrative Agent to file this Agreement with the United States Patent and Trademark Office.

6.2. The Administrative Agent is hereby irrevocably appointed by each Loan Party as its lawful attorney and agent, with full power of substitution, to execute, deliver, record and file on behalf of and in the name of each Loan Party such financing statements, assignments, pledges and other documents and agreements, and to take such other action as the Administrative Agent may deem necessary for the purpose of perfecting, protecting or effecting the security interests and assignments granted herein and effected hereby, and any liens necessary or desirable to implement or effectuate the

same, under any applicable law, and the Administrative Agent is hereby authorized to file on behalf of and in the name of each Loan Party at such Loan Party's sole expense, such financing statements, assignments, pledges, documents, and agreements in any appropriate governmental office, provided that the Administrative Agent shall deliver to each Loan Party copies of all such financing statements. The Administrative Agent may include reference to each Loan Party, the Patents and the Trademarks (and may utilize any logo or other distinctive symbol associated with each Loan Party) in connection with any advertising, promotion, marketing or sale undertaken by the Administrative Agent.

6.3. In fulfilling its responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Intellectual Property Collateral, each Loan Party shall hold each of the Administrative Agent, the Lenders and the other Agents harmless from any and all costs, damages, liabilities and expenses that may be incurred by any Lender or Agent (other than as a result of gross negligence or willful misconduct of the Administrative Agent, any Lender or any Agent) in connection with the Administrative Agent's interest in the Intellectual Property Collateral or any other action or failure to act in connection with this Agreement or the transactions contemplated hereby.

7. Rights and Remedies.

7.1. If any Event of Default shall have occurred and be continuing, the Administrative Agent may without notice or demand declare this Agreement to be in default and the Administrative Agent shall thereafter have in any jurisdiction in which enforcement hereof is sought, in addition to all other rights and remedies, the rights and remedies of a secured party under the UCC including, without limitation, the right to dispose of the Intellectual Property Collateral at public or private sale, subject to the Co-ownership Rights. The Administrative Agent shall give to each Loan Party at least ten (10) Business Days' prior written notice (which each Loan Party agrees is "reasonable notification" under the UCC) of the time and place of any public sale of the Intellectual Property Collateral or of the time after which any private sale or any other intended disposition is to be made.

7.2. If any Event of Default shall have occurred and be continuing, each Loan Party hereby grants to the Administrative Agent the right and exclusive license to make, have made, use and sell the inventions and marks disclosed and claimed in the Intellectual Property Collateral for the benefit of the Administrative Agent and the other Secured Parties, subject to the Co-Ownership Rights.

7.3. To the extent permitted by applicable law, each Loan Party hereby waives any and all rights that it may have to judicial hearing in advance of the enforcement of any of the Administrative Agent's rights hereunder, including, without limitation, its rights following any Event of Default to take immediate possession of the Intellectual Property Collateral and exercise its rights with respect thereto, subject to the Co-ownership Rights.

8. Marshalling. Neither the Administrative Agent nor any Lender shall be required to marshal any present or future collateral security (including but not limited to the Intellectual Property Collateral) for, or other assurances of payment of, the Secured Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights and remedies hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising. To the extent that they lawfully may, the Loan Parties hereby agree that they will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of the Administrative Agent's rights and remedies under this Agreement or under any other instrument creating or evidencing any of the Secured Obligations or under which any of the Secured Obligations is outstanding or by which any of the Secured Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, each Loan Party hereby irrevocably waives the benefits of all such laws.

9. No Waiver By Administrative Agent. The Administrative Agent shall not be deemed to have waived any of its rights and remedies in respect of the Secured Obligations or the Intellectual Property Collateral unless such waiver shall be in writing and signed by the Administrative Agent. No delay or omission on the part of the Administrative Agent in exercising any right or remedy shall operate as a waiver of such right or remedy or any other right or remedy. A waiver on any one occasion shall not be construed as a bar to or waiver of any right or remedy on any future occasion. All rights and remedies of the Administrative Agent with respect to the Secured Obligations or the Intellectual Property Collateral, whether evidenced hereby or by any other instrument or papers, shall be cumulative and may be exercised singularly, alternatively, successively or concurrently at such time or at such times as the Administrative Agent deems expedient.

10. Waivers. Except for notices specifically provided for herein, each Loan Party hereby expressly waives demand, notice, protest, notice of acceptance of this Agreement, notice of loans made, credit extended, collateral received or delivered or other action taken in reliance hereon and all other demands and notices of any description. With respect both to the Secured Obligations and any collateral therefor, each Loan Party assents to any extension or postponement of the time of payment or any other indulgence, to any substitution of any party or person primarily or secondarily liable, to the acceptance of partial payment thereon and the settlement, compromising or adjusting of any thereof, all in such manner and at such time or times as the Administrative Agent may deem advisable. No Secured Party shall have any duty as to the protection of the Intellectual Property Collateral or any income thereon, nor as to the preservation or rights against prior parties, nor as to the preservation of any rights pertaining thereto. The Administrative Agent may exercise its rights with respect to the Intellectual Property Collateral without resorting or regard to other collateral or sources of reimbursement for liability.

11. Loan Parties' Obligations Not Affected. The obligations of each Loan Party hereunder shall remain in full force and effect without regard to, and shall not be impaired by (a) any exercise or nonexercise, or any waiver, by any Lender or Agent of any right, remedy, power or privilege under or in respect of any of the Secured Obligations or any security therefor (including this Agreement); (b) any amendment to or modification of the Credit Agreement, the

Notes, the other Loan Documents or any of the Secured Obligations; (c) any amendment to or modification of any instrument (other than this Agreement) securing any of the Secured Obligations, including, without limitation, any of the Security Documents (other than this Agreement); or (d) the taking of additional security for, or any other assurances of payment of, any of the Secured Obligations or the release or discharge or termination of any security or other assurances of payment or performance for any of the Secured Obligations; whether or not such Loan Party shall have notice or knowledge of any of the foregoing, such Loan Party hereby generally waiving all suretyship defenses to the extent applicable.

12. Expenses. The Loan Parties shall pay to the Administrative Agent on demand within ten (10) Business Days of such demand therefor any and all reasonable out-of-pocket expenses, including reasonable attorneys' fees and disbursements, reasonably incurred or paid by the Administrative Agent in protecting, preserving or enforcing the Administrative Agent's rights and remedies under or in respect of any of the Secured Obligations or any of the Collateral in accordance with §11.04(a) and (e) of the Credit Agreement.

13. Release of Collateral. Each Loan Party and the Administrative Agent may from time to time agree in writing to the release of certain of the Patents and Trademarks from the security interest created hereby, and, in the case of Patents or Trademarks each Loan Party proposes to abandon, the Administrative Agent agrees that, so long as an Event of Default has not then occurred and is continuing, it will release its security interest in any Patent or Trademark each Loan Party proposes to abandon so long as such Patent or Trademark is no longer useful to such Loan Party and is not material to the operations of such Loan Party, provided that after the occurrence and during the continuance of an Event of Default, the Administrative Agent's consent will be required prior to any such release and abandonment. The Administrative Agent agrees that, in the event that one or more Loan Parties enters into an agreement to consummate any disposition of stock or assets, merger, consolidation, amalgamation, investment, acquisition, dividend or distribution that such Loan Parties are entitled to consummate pursuant to the Credit Agreement, if any, it shall release any Intellectual Property Collateral held by it hereunder at the time of the closing of such permitted transaction, but only to the extent necessary to permit such Loan Parties to consummate such permitted transactions. In furtherance of the foregoing, the Loan Parties agree to provide the Administrative Agent and the Lenders with prior written notice of such transaction (delivered sufficiently prior to the closing of any such transaction so as to permit the Administrative Agent to deliver such release) specifying the purpose for which release is requested, together with such further certificates or other documents as the Administrative Agent reasonably requests to confirm that such Loan Parties are permitted to consummate such permitted transaction, to confirm the Administrative Agent's replacement security interest in and against any appropriate new Intellectual Property Collateral, and to evidence that the proceeds of any such transaction would be applied in the manner required by the Credit Agreement. Any release made by the Administrative Agent pursuant to this §13 shall be at the sole expense of the Loan Parties.

14. Relation to Security Agreement. Any and all rights and interests of the Administrative Agent (for the benefit of the Administrative Agent and the other Secured Parties) in and to the Patents and Trademarks (and any and all obligations of the Loan Parties with respect to the same) provided herein, or arising hereunder or in connection herewith, shall only

supplement and be cumulative and in addition to the rights and interests of the Administrative Agent (and the obligations of the Loan Parties) in, to or with respect to the Collateral provided in or arising under or in connection with the Security Agreement and the Credit Agreement and shall not be in derogation thereof.

15. Overdue Amounts. Until paid, all amounts due and payable by the Loan Parties hereunder shall be a debt secured by the Intellectual Property Collateral and shall bear, whether before or after judgment, interest at the Default Rate as set forth in §2.08 of the Credit Agreement.

16. Termination. Upon final payment and performance in full in cash of the Secured Obligations, this Agreement shall terminate and the Administrative Agent shall (and shall cause any of its agents holding any of such Intellectual Property Collateral to), at the Loan Parties' request and joint and several expense, (a) return such Intellectual Property Collateral in the possession or control of the Administrative Agent (or of its agent) as has not theretofore been disposed of pursuant to the provisions hereof, and (b) endorse, execute, deliver, record and file all instruments and documents, and do all other acts and things reasonably required for the return of the Intellectual Property Collateral to the Loan Parties thereof and to evidence or document the release of the Administrative Agent's and the Lenders' interests arising under this Agreement.

17. Governing Law; Consent to Jurisdiction. THIS AGREEMENT AND THE SECURED OBLIGATIONS ARISING HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING WITHOUT LIMITATION SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPALS THEREOF, EXCEPT TO THE EXTENT THAT THE UCC PROVIDES THAT THE PERFECTION OF THE SECURITY INTEREST HEREUNDER IN RESPECT OF ANY PARTICULAR INTELLECTUAL PROPERTY COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK. EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF CALIFORNIA SITTING IN THE CITY AND COUNTY OF SAN FRANCISCO AND OF THE UNITED STATES DISTRICT COURT OF THE NORTHERN DISTRICT OF CALIFORNIA, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH CALIFORNIA STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN §11.02 OF THE CREDIT

AGREEMENT. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW. Each party hereto hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

18. Miscellaneous. The headings of each section of this Agreement are for convenience only and shall not define or limit the provisions thereof. This Agreement and all rights and obligations hereunder shall be binding upon each Loan Party and its successors and assigns, and shall inure to the benefit of the Administrative Agent and its successors and assigns. If any term of this Agreement shall be held to be invalid, illegal or unenforceable, the validity of all other terms hereof shall in no way be affected thereby, and this Agreement shall be construed and be enforceable as if such invalid, illegal or unenforceable term had not been included herein. Each Loan Party acknowledges receipt of a copy of this Agreement.

19. Waiver of Jury Trial.
