ASSIGNMENT

THIS ASSIGNMENT (the "Assignment") is made effective as of February 1, 2008 by Creative Forming, Inc., a Wisconsin corporation ("Seller") in favor of Spartech Corporation, a Delaware corporation (the "Assignee").

NOW THEREFORE, Seller in consideration of \$1.00 and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, DOES HEREBY irrevocably and unconditionally grant, sell, bargain, assign, transfer, convey and deliver to Assignee good and valid title, and all of its right, title and interest in free and clear of all liens, security interests and other encumbrances, in and to (i) the patents and patent applications listed on Schedule A ("Patents") hereto and all of the inventions and improvements described therein, along with the right to sue for past infringement, and any and all applications for patent and patents therefrom in any and all countries, including all divisions, reissues, continuations and extensions thereof, as fully and entirely as the same would have been held by Seller had such sale, assignment and transfer not have been made, (ii) the trademark applications and registrations listed on Schedule B and the trademarks ("Trademarks") which are the subjects thereof, including the goodwill of the business connected with the use of, and symbolized by, said marks, and all past and present rights and powers, statutory and common law, which have accrued or may accrue to Assignor of any and all kind or nature appertaining to the Trademarks and (iii) all copyright, copyright registrations and applications for copyright registration, wherever the same subsists or shall subsist in future, relating directly to the works listed on Schedule C.

TO HAVE AND TO HOLD the Patents and Trademarks, with all of the rights and appurtenances thereto belonging unto Assignee, for itself, its successors and assigns for their own use and behalf forever.

This Assignment and covenants and agreements herein contained shall inure to the benefit of Assignee, its successors and assigns, and shall be binding upon Seller, his successors and assigns.

Seller covenants that Seller will do, execute and deliver, or will cause to be done, executed and delivered, all such further reasonable acts, transfers, assignments and conveyances, powers of attorney and assurances, for the better assuring, conveying and confirming unto Buyer, the entire right, title and interest in the Patents and Trademarks hereby sold, transferred, assigned, and conveyed as Buyer may reasonably require.

IN WITNESS WHEREOF, intending to be legally bound hereby, Seller has executed and delivered this Assignment as of the day and year first above written.
