To the knowledge of the Borrower, the Borrower has made all necessary filings and recordations to protect and maintain its interest in the Patents, Patent applications, Trademark and service mark registrations, Trademark and service mark applications, Copyright registrations and Copyright applications set forth in **Schedules I, II and III**.

(d) To the knowledge of the Borrower as of the date of this Agreement, each Patent, Trademark or service mark registration and Copyright registration of such Borrower set forth in **Schedule I, Schedule II and Schedule III** is subsisting and has not been adjudged invalid, unregistrable or unenforceable, in whole or in part, has not been abandoned and is valid, registrable and enforceable. Borrower is not aware of any uses of any item of Intellectual Property Collateral which could be expected to lead to such item becoming invalid or unenforceable, including unauthorized uses by third parties and uses which were not supported by the goodwill of the business connected with such Intellectual Property Collateral.

(e) With the exception of any pending application for a patent, trademark, copyright or other Intellectual Property Collateral, no action or proceeding is pending against the Borrower or, to the Borrower's knowledge, against any other Person, (i) seeking to limit, cancel or question the validity of any Intellectual Property Collateral, or (ii) which, if adversely determined, would have a material adverse effect on the value of any Intellectual Property Collateral.

(f) It has notified Agent in writing of all uses of any Intellectual Property Collateral prior to the Borrower's use, of which the Borrower is aware, which would lead to such item becoming invalid or unenforceable, including prior unauthorized uses by third parties and uses that were not supported by the goodwill of the business connected with such item.

(g) It has not granted any release, covenant not to sue, or non-assertion assurance to any third person, nor allowed any shop right to arise with respect to any third Person, with respect to any part of the Intellectual Property Collateral.

(h) It has taken reasonable steps to protect its Intellectual Property Collateral with markings or as otherwise required by statute.

(i) Except as set forth on Schedule I, the Borrower has no knowledge of the existence of any right under any Patent, Trademark, license agreement, trade name, trade secret, know-how, confidential research, development and commercial information, or other proprietary information held by any other Person that would preclude the Borrower from, or materially interfere with, the ability of the Borrower to carry on its business as currently carried on, and the Borrower has no knowledge of any possible claim to the contrary.

(j) To the best of the Borrower's knowledge, the Borrower has used consistent standards of quality in the provision of each service provided under any Intellectual Property Collateral, and has taken all steps necessary to ensure that all licensed users of any Intellectual Property Collateral use such consistent standards of quality.

(k) No claim has been made (and, as to Intellectual Property Collateral with respect to which the Borrower is a licensor, no claim has been made against the third party licensee), and the Borrower has no knowledge of any claim that is likely to be made, that the use by the Borrower of any Intellectual Property Collateral may be likely to violate the rights of any Person.

6. **Covenants.** The Borrower covenants and agrees with Agent that, from and after the date of this Agreement until the Obligations are paid in full and the Loan Agreement has expired or been terminated and no commitments to extend credit by the Lenders to the Borrower exist:

(a) The Borrower (either itself or through licensees) will, except with respect to any Trademark that the Borrower shall reasonably determine is of no material economic value and no longer useful or necessary to its business, (i) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force and effect and free from any claim of abandonment for non-use, (ii) maintain as in the past at least the same quality of products and services offered under such Trademark, (iii) with respect to registered Trademarks, employ such Trademark only with the appropriate notice of registration, (iv) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless Agent shall obtain a perfected, first priority security interest in such mark pursuant to this Agreement, and (v) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

(b) The Borrower will not, except with respect to any Patent that the Borrower shall reasonably determine is of no material economic value and no longer useful or necessary to its business, do any act, or omit to do any act, whereby any Patent may become abandoned or dedicated.

(c) The Borrower (either itself or through licensees) will, for each work covered by a Copyright, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve the Borrower's rights under all applicable copyright laws.

(d) The Borrower will notify Agent immediately if it knows, or has reason to know, that any Intellectual Property Collateral or any application or registration relating to any thereof may become abandoned, lost or dedicated, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court or tribunal or similar office in any country) regarding the Borrower's ownership of any Intellectual Property Collateral or its right to register the same or to keep and maintain the same, provided that such Intellectual Property Collateral either (i) has a material economic value or (ii) is useful or necessary to the Borrower's business.

(e) Whenever the Borrower, either by itself or through any agent, employee, attorney, licensee or designee, shall file an application for the registration of any Patent or Trademark with the United States Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, or shall file an application for registration of any Copyright with the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, the Borrower shall report such filing to Agent within thirty (30) Business Days of submission of any such filing.

(f) The Borrower agrees that, should it have or obtain an ownership interest in any United States or foreign trademarks, tradenames, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, trademark or service mark applications, trademark or service mark registrations, patents, design patents, utilizing models, patent applications, Copyrights, work of authorship, Copyright registration, Copyright application or license, which is not now a part of the Intellectual Property Collateral: (i) the provisions of this Agreement shall automatically apply to such item, and such item shall automatically become part of the Intellectual Property Collateral; and (ii) the Borrower shall, within three months after acquiring or becoming aware of such ownership interest, (A) give written notice thereof to Agent and, (B) prepare, execute and file in the Patent and Trademark Office, the Copyright Office or, upon Agent's reasonable request, in the equivalent agencies in any foreign jurisdiction, within the requisite time period, all documents that are known by the Borrower to be reasonably necessary or that Agent reasonably requests in order to perfect the Security Interests therein. The Borrower hereby irrevocably authorizes Agent to execute and file such document or documents in the name of the Borrower if the Borrower fails to do so.

(g) The Borrower agrees that from time to time, at its own expense, it will

promptly execute and deliver all further instruments and documents and take all further action that may be reasonably necessary or desirable in Agent's reasonable determination, or that Agent may reasonably request, in order to (i) continue, perfect and protect any Security Interests granted or purported to be granted hereby, (ii) upon Agent's request, perfect Agent's Security Interests in and assign to Agent, as security for the repayment and satisfaction of the Obligations, all Intellectual Property Collateral located in any foreign jurisdiction, and (iii) enable Agent to exercise and enforce its rights and remedies hereunder with respect to any part of the Intellectual Property Collateral. Without limiting the generality of the foregoing, Borrower will execute and file (with the appropriate governmental offices, authorities, agencies and regulatory bodies in the United States and, upon Agent's request, any applicable foreign jurisdiction) such supplements to this Agreement and such financing or continuation statements, or amendments thereto, and such other instruments or notices, including executed IP Assignments, with the Patent and Trademark Office and the Copyright Office, as may be reasonably necessary or desirable, or as Agent may request, in order to perfect and preserve the Security Interests granted hereby.

(h) Except as to any Intellectual Property Collateral which the Borrower reasonably determines is of no material economic value and no longer useful or necessary to its business, the Borrower agrees: (i) to take all reasonably necessary steps in any proceeding before the Patent and Trademark Office, the Copyright Office or any similar office or agency in any other country or any political subdivision thereof or in any court, to maintain each Trademark, Trademark License, Patent, Patent License, Copyright or Copyright License, now or hereafter included in the Intellectual Property Collateral, including the filing of divisional, continuation, continuation-in-part and substitute applications, the filing of applications for reissue, renewal or extensions, the payment of maintenance fees, and the participation in interference, reexamination, opposition and infringement proceedings; (ii) to bear any reasonable expenses incurred in connection with such activities; and (iii) not to abandon any material pending application with respect to any of the Intellectual Property Collateral.

(i) In the event that any item of Intellectual Property Collateral is infringed, misappropriated or diluted by a third party, the Borrower shall promptly notify Agent after it learns thereof and, at the Borrower's sole expense, shall, unless the Borrower shall reasonably determine that such Intellectual Property Collateral is of no material economic value and no longer useful or necessary to its business, promptly sue for infringement, misappropriation or dilution, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution, or take such other actions as the Borrower shall reasonably deem appropriate under the circumstances to protect such Patent, Patent License, Trademark, Trademark License, Copyright or Copyright License.

(j) Upon and during the continuance of an Event of Default and at the reasonable request of Agent, the Borrower shall use its reasonable efforts to obtain all requisite consents or approvals by the licensor of each Copyright License, Patent License or Trademark License to effect the assignment of all of the Borrower's rights, title and interest thereunder to Agent or its designee.

7. Further Assurances.

(a) The Borrower hereby authorizes Agent upon the occurrence and during the

continuation of an Event of Default, to file, where permitted by law, one or more financing or continuation statements, and amendments thereto, relative to all or any part of the Intellectual Property Collateral without the signature of the Borrower. A carbon, photographic or other reproduction of this Agreement or any financing statement covering the Intellectual Property Collateral or any part thereof shall be sufficient as a financing statement where permitted by law.

(b) The Borrower will furnish to Agent, from time to time statements and schedules further identifying and describing the Intellectual Property Collateral and such other reports in connection with the Intellectual Property Collateral as Agent may reasonably request, all in reasonable detail.

(c) The Borrower agrees that should any of its Subsidiaries (whether now or hereafter existing) obtain any ownership interest in any United States or foreign intellectual property of a nature that would be Intellectual Property Collateral hereunder if owned by such Borrower, such Borrower shall cause such Subsidiary to transfer and assign all such entities' ownership interests therein to the Borrower, whereupon such intellectual property shall become Intellectual Property Collateral under this Agreement and the provisions of subsection (a) of this Section 7 and Section 19 shall be applicable thereto.

(d) The Borrower shall not do any act or omit to do any act whereby any of the Intellectual Property Collateral may become dedicated or abandoned, except where such dedication or abandonment (i) will not have a material adverse effect on the business, properties, operations, condition (financial or otherwise) or prospects of the Borrower and its Subsidiaries, either individually or taken as a whole, and (ii) is in the ordinary course of the Borrower's business. The Borrower agrees to notify Agent, (i) within 30 days, in writing, if it learns that any of the Intellectual Property Collateral may become abandoned or dedicated or of any adverse determination or any development (including without limitation the institution of any proceeding in any court or arbitration tribunal or in the Patent and Trademark Office, the Copyright Office or in the equivalent agencies of any foreign jurisdiction, or any court) regarding any part of the Intellectual Property Collateral and (ii) immediately, in writing, if the Borrower makes any determination, in accordance with Section 6(a), Section 6(b), Section 6(h) or Section 6(i) hereof, that any Intellectual Property Collateral is of no material economic value or is no longer useful or necessary to the Borrower's business.

(e) The Borrower agrees to maintain the quality of any and all products in connection with which the Intellectual Property Collateral is used, consistent with the quality standards established by the Borrower for said products as of the date of this Agreement.

(f) The Borrower shall take reasonable steps to protect its products with markings or such other measures as are required by statute.

8. **Grant of License to Use Patent, Trademark and Copyright Collateral.** For the purpose of enabling Agent to exercise rights and remedies hereof at such time as Agent shall be lawfully entitled to exercise such rights and remedies, the Borrower hereby grants to Agent, for the benefit of the Lender Group, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Borrower) to use, license or sublicense any of the Intellectual Property Collateral, now owned or hereafter acquired by the Borrower, and wherever the same

may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored. The use of such license by Agent shall be exercised, at the option of Agent, for any lawful purpose appropriate in connection with the exercise of remedies hereunder, only upon the occurrence and during the continuance of an Event of Default, provided that any license, sublicense or other transaction entered into by Agent in accordance herewith shall be binding upon the Borrower notwithstanding any subsequent cure or waiver of an Event of Default.

9. **Transfers and Other Liens.** The Borrower agrees that, except as permitted by the Loan Agreement or unless the Agent otherwise consents in advance, in writing, it shall not:

(a) sell, assign (by operation of law or otherwise) or otherwise dispose of any of, or grant any option with respect to, the Intellectual Property Collateral, except that the Borrower may license the Intellectual Property Collateral (i) in the ordinary course of the Borrower's business, provided that such license is necessary or desirable in the conduct of the Borrower's business, or (ii) in connection with a sale of assets in compliance with the Loan Agreement, provided that such license shall be on terms which will maximize the gain to the Borrower resulting from the granting of such license. Agent shall execute any documents that the Borrower may reasonably request in order to permit the Borrower to exercise its right hereunder to license the Intellectual Property Collateral, provided that Agent shall not be required to do anything that may, in its sole judgment adversely affect the validity of the Security Interests or the assignment of the Intellectual Property Collateral located in any foreign jurisdiction;

(b) create or suffer to exist any Lien, security interest or other charge or encumbrance upon or with respect to any of the Intellectual Property Collateral except for (i) the Security Interests created by this Agreement and (ii) the as of yet unreleased Security Interests in favor of the Existing Lenders, as set forth on Schedule V hereto; or

(c) take any other action in connection with any of the Intellectual Property Collateral that would impair the value of the interest or rights of the Borrower in any of the Intellectual Property Collateral or that would impair the interest or rights of Agent.

10. **Agent Appointed Attorney-in-Fact.** Without limiting any other provision of this Agreement, upon the occurrence and during the continuance of an Event of Default, the Borrower hereby irrevocably appoints Agent as the Borrower's attorney-in-fact, with full authority in the place and stead of the Borrower and in the name of the Borrower or otherwise, from time to time in Agent's discretion, and with full power of substitution, to take any action and to execute any instrument that it may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including without limitation:

(a) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Intellectual Property Collateral;

(b) to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (a) above;

(c) to file any claims or take any action or institute any proceedings that the Agent may deem necessary or desirable for the collection of any of the Intellectual Property Collateral or otherwise to enforce the rights of Agent, with respect to any of the Intellectual Property Collateral; and

(d) to execute, in connection with the sale provided in Section 13 hereof, any endorsement, assignments, or other instruments of conveyance or transfer with respect to the Intellectual Property Collateral.

The Borrower hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and is irrevocable.

11. **Agent May Perform.**

(a) If the Borrower fails to perform or comply with any of its agreements contained in this Agreement, Agent may itself perform, or cause performance of, such agreement, and the reasonable expenses of Agent incurred in connection therewith shall be payable by the Borrower under Section 14 hereof to the fullest extent permitted by applicable law. The reasonable expenses of Agent incurred in connection with such performance or compliance shall constitute Obligations secured hereby, and if not paid when due shall bear interest until paid in full at a rate per annum equal to the Default Rate as specified in Section 2.6(c) of the Loan and Security Agreement. Such interest shall be payable by the Borrower to Agent on demand and shall constitute Obligations secured hereby.

(b) Agent or its designated representatives shall have the right, at reasonable times upon reasonable prior notice, from time to time to inspect the Borrower's premises and to examine the Borrowers' books, records and operations relating to the Intellectual Property Collateral.

12. **Agent's Duties.** The powers conferred on Agent hereunder are solely to protect the Lender Group's interests in the Intellectual Property Collateral and shall not impose any duty upon Agent to exercise any such powers. Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither they nor any of their respective officers, directors, employees, attorneys or agents shall be responsible to the Borrower for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

13. **Remedies.** If an Event of Default shall occur and be continuing, Agent, for the benefit of the Lender Group, may exercise, in addition to all other rights and remedies granted to it in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Code and all other rights and remedies under all other applicable laws. Without limiting the generality of the foregoing, Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon the Borrower or any other Person (all and each of which demands, advertisements and notices are hereby waived), may in such circumstances forthwith complete and file any IP Assignment; collect, receive, appropriate and realize upon the Intellectual Property Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Intellectual

Property Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of Agent or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Agent shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Intellectual Property Collateral so sold, free of any right or equity of redemption in the Borrower, which right or equity is hereby waived or released. The Borrower further agrees, at Agent's request, to assemble the Intellectual Property Collateral and make it available to Agent at places which Agent shall reasonably select, whether at the Borrower's premises or elsewhere. Agent shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care or safekeeping of any of the Intellectual Property Collateral or in any way relating to the Intellectual Property Collateral or the rights of Agent arising out of the exercise by Agent hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in such order as Agent may elect, and only after such application and after the payment by Agent of any other amount required by any provision of law, including, without limitation, Section 9-504(1)(c) of the Code, need Agent account for the surplus, if any, to the Borrower. If any notice of a proposed sale or other disposition of the Intellectual Property Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least ten days before such sale or other disposition. The Borrower shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Intellectual Property Collateral are insufficient to pay the Obligations and the fees and disbursements of any attorneys employed by Agent to collect such deficiency.

Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Intellectual Property Collateral in its possession, under Section 9-207 of the Code or otherwise, shall be to deal with it in the same manner as Agent deals with similar property for its own account. Except as set forth in the preceding sentence Agent shall have no duty or liability to preserve rights pertaining to the Intellectual Property Collateral and shall be relieved of all responsibility for the Intellectual Property Collateral upon surrendering it to the Borrower or in accordance with the Borrower's instructions. Neither Agent, nor its directors, officers, employees, attorneys or agents shall be liable for failure to demand, collect or realize upon all or any part of the Intellectual Property Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Intellectual Property Collateral upon the request of the Borrower or any other Person or to take any other action whatsoever with regard to the Intellectual Property Collateral or any part thereof, except as finally determined by a court of competent jurisdiction to have arisen solely from the Agent's gross negligence or willful misconduct.

14. **Indemnity and Expenses.** The Borrower shall pay, and hold Agent and its officers, directors, employees, attorneys or agents harmless from, any and all liabilities, costs and expenses (including, without limitation, all reasonable legal fees and expenses) (i) with respect to, or resulting from, any failure by any Person to comply or delay in complying with any law, rule, regulation, order or judgment applicable to any of the Intellectual Property Collateral, (ii) in connection with the administration, negotiation, preparation, execution and delivery of this Agreement, the perfection of the Security Interests granted hereby and any waiver of or amendment or supplement to any of the provisions of this Agreement, and any preservation or

exercise of any of the rights or benefits of this Agreement, (iii) in connection with the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Intellectual Property Collateral, (iv) in connection with the exercise or enforcement of any of the rights of Agent, (v) in connection with any and all liabilities, costs and expenses (including, without limitation, all legal fees and expenses) in connection with any claims made by third parties relating to the Intellectual Property Collateral, including, without limitation, any claims for infringement of Patent, infringement of Trademark or infringement of Copyright, as the case may be, or (vi) in connection with the failure by the Borrower to perform or observe any of the provisions hereof otherwise in connection with any of the transactions contemplated by this Agreement.

15. **Absolute Rights and Obligations.** All rights of Agent, for the benefit of the Lender Group, in the Security Interests granted hereunder, and each of the Obligations, shall be absolute, irrevocable and unconditional irrespective of:

(a) any lack of validity or enforceability of the Loan and Security Agreement, any Loan Document or any other agreement or instrument relating to any of the foregoing;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to departure from, the Loan and Security Agreement, or any other Loan Document, including, but not limited to, (i) an increase or decrease in the Obligations and (ii) an amendment of any Loan Document to permit the Lender Group (or any member thereof) to extend further or additional credit to the Borrower in any form including credit by way of loan, purchase of assets, guarantee or otherwise, which credit shall thereupon be and become subject to the Loan and Security Agreement, and the other Loan Documents as a Secured Obligation;

(c) any taking and holding of collateral or guarantees (including without limitation any collateral pledged as security for the Obligations under the other Loan Documents) for all or any of the Obligations; or any amendment, alteration, exchange, substitution, transfer, enforcement, waiver, subordination, termination or release of any such collateral or guarantees, or any non-perfection of any such collateral, or any consent to departure from any such guarantee;

(d) any manner of application of collateral, or proceeds thereof, securing payment or enforcement of all or any of the Obligations, or the manner of sale of any such collateral;

(e) any consent by the Lender Group (or any member thereof) to the change, restructure or termination of the corporate structure or existence of the Borrower and any corresponding restructure of the Obligations, or any other restructure or refinancing of the Obligations or any portion thereof;

(f) any modification, compromise, settlement or release by the Lender Group (or any member thereof), by operation of law or otherwise, collection or other liquidation of the Obligations or the liability of the Borrower therefor, or any collateral for the Obligations (including without limitation any collateral pledged as security for the Obligations under the other Loan Documents); or

(g) any other circumstance (including without limitation any statute of limitations) that might otherwise constitute a defense available to, or a discharge of, the Borrower.

The granting of the Security Interests in the Intellectual Property Collateral shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations is rescinded or must otherwise be returned by the Lender Group (or any member thereof), upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, all as though such payment had not been made.

16. **Waiver.** The Borrower hereby waives promptness, diligence, notice of acceptance and any other notice with respect to any of the Obligations and this Agreement and any requirement that Agent protect, secure, perfect or insure any Security Interest or any Intellectual Property Collateral subject thereto or exhaust any right or take any action against the Borrower or any other Person or any collateral securing payment of the Obligations (including without limitation any collateral pledged as security for the Obligations under the other Loan Documents).

17. **Amendments, Etc.** No amendment or waiver of any provision of this Agreement nor consent to any departure by the Borrower therefrom shall in any event be effective *unless* the same shall be in writing and signed by the Borrower and Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

18. **Continuing Security Interests; Assignments Under the Loan Agreement; Release of Intellectual Property Collateral.**

(a) This Agreement shall create continuing Security Interests in the Intellectual Property Collateral and shall (i) remain in full force and effect until terminated in accordance with the provisions of Section 24 hereof, (ii) be binding upon the Borrower, its successors and assigns, provided, however, that the Borrower shall not make any assignment hereof without the prior consent of Agent, and (iii) inure, together with the rights and remedies of Agent and its successors, transferees and assigns. Without limiting the generality of the foregoing clause (iii), Agent or any Lender may assign to one or more Persons, or grant to one or more Persons participations in or to, all or any part of its rights and obligations under the Loan and Security Agreement, subject to Section 14.1 of the Loan and Security Agreement, and such assignee or participant will thereupon become vested with all the benefits in respect thereof granted to Agent herein or otherwise.

19. **Additional Intellectual Property Collateral.** If the Borrower shall acquire or hold any additional Trademarks, Trademark Licenses, Copyrights, Copyright Licenses, Patents or Patent Licenses not listed on **Schedules I, II, III or IV** hereto (any such Trademarks, Trademark Licenses, Copyrights, Copyright Licenses, Patents or Patent Licenses being referred to herein as the "**Additional Intellectual Property Collateral**") that, in the Borrower's reasonable judgment, either has any material economic value or is useful or necessary to the Borrower's business, the Borrower shall deliver to Agent (i) a revised **Schedule I, II, III or IV**

hereto, as applicable, reflecting the ownership and pledge of such Additional Intellectual Property Collateral and (ii) an Intellectual Property Security Agreement Supplement in the form of Exhibit B hereto with respect to such Additional Intellectual Property Collateral duly completed and signed by the Borrower. The Borrower shall comply with the requirements of this Section 19 concurrently with the acquisition of any such Additional Intellectual Property Collateral. The schedules attached to each Intellectual Property Security Agreement Supplement shall be incorporated into and become a part of and supplement **Schedules I, II, III and IV** hereto, and Agent may attach such supplements to such Schedules, and each reference to such Schedules shall mean and be a reference to such Schedules as supplemented pursuant hereto.

20. **Entire Agreement.** This Agreement, together with the Loan and Security Agreement, and other Loan Documents, constitutes and expresses the entire understanding between the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings, inducements, commitments or conditions, express or implied, oral or written, except as herein contained. The express terms hereof control and supersede any course of performance or usage of the trade inconsistent with any of the terms hereof. Neither this Agreement nor any portion or provision hereof may be changed, altered, modified, supplemented, discharged, canceled, terminated, or amended orally or in any manner other than by an agreement, in writing signed by the parties hereto.

21. **Successors and Assigns.** This Agreement shall be binding upon the successors and assigns of the Borrower and shall inure to the benefit of Agent and its successors and assigns.

22. **Counterparts.** This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same agreement, and any party hereto may execute this Agreement by executing any such counterpart.

23. **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

24. **Termination.** This Agreement and all obligations of the Borrower hereunder shall terminate on the date that the Obligations are indefeasibly paid in full, together with all accrued and unpaid interest thereon, and the Commitments have expired or been terminated, at which time the Liens and rights granted to Agent hereunder shall automatically terminate and no longer be in effect, and the Intellectual Property Collateral shall automatically be released from the Liens created hereby. Upon such termination of this Agreement, Agent shall, at the sole expense of the Borrower, reassign and redeliver to Borrower such Intellectual Property Collateral then held by or for Agent and execute and deliver to the Borrower such documents as Borrower shall reasonably request and take such further actions as may be necessary to effect the same and as shall be reasonably acceptable to Agent.

25. **Remedies Cumulative.** All remedies hereunder are cumulative and are not exclusive of any other rights and remedies of Agent provided by law or under the Loan and Security Agreement, or any other Loan Document, or other applicable agreements or instruments. The making of the Loans to the Borrower pursuant to the Loan and Security Agreement shall be conclusively presumed to have been made or extended, respectively, in reliance upon the Borrower's grant of Security Interests in the Intellectual Property Collateral pursuant to the terms hereof.

26. **Notices.** The Borrower will, promptly upon learning of the following, advise Agent, in reasonable detail, at their respective addresses set forth in the Loan and Security Agreement, (i) of any Lien (other than Liens created hereby or permitted under the Loan and Security Agreement) on, or claim asserted against, any of the Intellectual Property Collateral and (ii) of the occurrence of any other event which could reasonably be expected to have a material adverse effect on the aggregate value of the Intellectual Property Collateral or any material portion thereof or on the validity, perfection or priority of the Liens created hereunder.
