THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is entered into as of May 21, 2010, by and between (i) UpdateLogic, Inc., a Delaware corporation ("Debtor"), and (ii) Core Capital Partners II-S, L.P. and Core Capital Partners Fund II, L.P. (together, "Secured Party"), with reference to the following facts:

A. In connection with the sale and purchase of certain secured convertible promissory notes pursuant to the terms of that certain Note and Warrant Purchase Agreement, dated as of the date hereof, Secured Party and Debtor are parties to that certain Security Agreement of even date herewith (as amended from time to time, the "Security Agreement"). Capitalized terms used herein have the respective meanings assigned to such terms in the Security Agreement.

B. Pursuant to the Security Agreement, Debtor has granted to Secured Party a security interest in the Collateral. The Collateral includes, without limitation, all Intellectual Property (including, without limitation, the Intellectual Property described herein).

Debtor agrees as follows:

1. To secure performance of all of its "Obligations," as defined in the Security Agreement, Debtor grants to Secured Party a security interest in all of Debtor's right, title and interest in Debtor's Intellectual Property, including, without limitation, (a) the trademarks and servicemarks listed on Schedule A hereto, whether registered or not, and all applications to register and registrations of the same and like protections, and the entire goodwill of the business of Debtor connected with and symbolized by such trademarks, and (b) the patents and patent applications listed on Schedule B hereto and all like protections, including, without limitation, all improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, and (c) all copyrights, maskworks, software, computer programs and other works of authorship listed on Schedule C hereto, and all extensions and renewals thereof, and (d) all rights to recover for past or future infringement of any of the foregoing, and (e) all right, title and interest in and to any and all present and future license agreements with respect to any of the foregoing, and (f) all present and future accounts, accounts receivable, proceeds and other rights to payment arising from, in connection with or relating to any of the foregoing.

2. Debtor represents and warrants that (a) listed on Schedule A hereto are all trademark registrations and pending registrations owned or controlled by Debtor or licensed to Debtor, (b) listed on Schedule B are all patents and patent applications owned or controlled by Debtor or licensed to Debtor and (c) listed on Schedule C are all copyrights, software, computer programs, mask works and other works of authorship owned or controlled by Debtor, which are registered with the United States Copyright Office.

3. Debtor shall not, hereafter, register any maskworks, software, computer programs or other works of authorship subject to United States copyright protection with the United States Copyright Office without first complying with the following: (a) providing Secured Party with at least 15 days prior written notice thereof, (b) providing Secured Party with a copy of the

application for any such registration and (c) executing and filing such other instruments, and taking such further actions as Secured Party may reasonably request from time to time to perfect or continue the perfection of Secured Party's interest in the Collateral, including, without limitation, the filing with the United States Copyright Office, simultaneously with the filing by Debtor of the application for any such registration, of a copy of this Agreement or any supplement hereto in form acceptable to Secured Party identifying the maskworks, software, computer programs or other works of authorship being registered and confirming the grant of a security interest therein in favor of Secured Party.

4. This Agreement is being executed and delivered pursuant to the Security Agreement; nothing herein limits any of the terms or provisions of the Security Agreement, and Secured Party's rights hereunder and under the Security Agreement are cumulative. This Agreement, the Security Agreement and the other Transaction Documents set forth in full all of the representations and agreements of the parties with respect to the subject matter hereof and supersede all prior discussions, oral representations, oral agreements and oral understandings between the parties. This Agreement may not be modified or amended, nor may any rights hereunder be waived, except in a writing signed by the parties hereto. Notwithstanding the foregoing, Debtor agrees that Secured Party may, from time to time, update the Schedules to this Agreement pursuant to notice by Debtor of any additions or deletions thereto.
